NATIONAL SUNDAY LAW Amazing
Facts Incorporated
Many Seventh-day Adventists are
somewhat familiar with positions taken
by Ellen G. White on such topics as
recreation, education, health, reform,
etc. Most Adventists are not familiar,
however, with the historical context of
her writings. Even biographies of Ellen
White usually fail to describe the world

in which she lived and of which she was
a part. What was the usual diet of
Americans when she gave counsel on
that subject? What was the situation of
public education? What was the town in
which she grew up like? She made many
cross-country train trips, beginning soon
after the first transcontinental railroad.
What was the rail travel like then? What
was the situation of Blacks, when she
wrote about the church's attitude toward
the freedom? All these topics and more,
including the economic situation in
Australia during the nine years Ellen

White spent there, are presented in this book. Each of 14 areas is handled by a scholar who has specialized in the field. - Contributors. Preface. 1. Ellen White's Hometown: Portland, Maine, 1827-1846. 2. Michigan and the Civil War. 3. Tension Between the Races. 4. Overland by Rail, 1869-1890. 5. The Rise of Urban-Industrial America. 6. When America Was "Christian". 7. The Sunday Law Movement. 8. The Crusade Against Alcohol. 9. Health and Health Care. 10. The Transformation of Education. 11. Amusing the Masses. 12. Literature for the Nation. 13. Ideas and Society. 14. The Australian 1890s. For Further Reading

The Ten Commandments are a gift from God, intended to protect and bless His

people. Yet there is so much confusion and misunderstanding regarding these ten timeless truths. How could something so good be so offensive? In this book, Pat Robertson takes a fresh, penetrating look at the benefits of honoring the Ten Commandments--both personally and as a nation.

The Great Controversy Between Christ and Satan Wipf and Stock Publishers

The National Sunday Law

The Bride, the Beast & Babylon GENERAL PRESS

This book, written by a seventeen year-old girl, graphically portrays a possible endtime scenario. It is a heart warming and thrilling account of God's protection and care of His people, and the trials, triumphs, and joys that lie ahead for

them. Young people and adults will be inspired by this pamphlet and will want to reread it many times. It will help to prepare them to stand in the solemn time of trouble that lies ahead.

The Secret Terrorists Wipf and Stock Publishers

Why do Protestants keep Sunday? From the Catholic Mirror, the official organ of Cardinal Gibbons, Baltimore, Maryland. Daniel and the Revelation Review and Herald Pub Assn

The National Sunday Law. It is the ultimate conspiracy. Wicked Christian leaders unite in a hell-inspired plot to murder all Seventh-day Adventists who refuse to go to church on Sunday. Then Jesus returns, in just the nick of time, to save the holy Adventists and rain brimstone down upon the evil Sunday-

keeping Christians. Is the National Sunday Law teaching really Bible truth? Or is it a fatal deception hatched by a group with their own agenda?

Preparation for the Final Crisis Review & Herald Pub Assn

This is unquestionably the most poignant, critical evaluation of the recent papal Apostolic Letter. The authors examine the Biblical foundations upon which the pope seeks to buttress his cleverly crafted letter. But even the undoubted skill of the pope and his scholarly advisors cannot mask the fallacies of the pope's conclusions. The authors show emphatically that the pope's assertions are in deep contradiction to the record of the Holy Bible and that of history.

The World of Ellen G. White The

National Sunday Law
 The National Sunday Law has shocked the minds of the most able defenders of religious liberty due to its consistency and argumentation. By bringing to light the very foundation on which religious liberty is based, this book will enlighten many minds as to the real issues at stake. The full argument that Jones used in 1888 against the passing of the Blair Sunday Bill is here provided.

A Brief History of Sunday
 Simon and Schuster

This explosive work contains a great deal of highly documented material on the life and movement of Ellen G. White that

Adventists in general, to say nothing of the public, will not know. The book is not a classic psychobiography, although history and psychology are the primary disciplines employed. It also contains a sprinkling of theology and personal reflection to make it a unique blend. The most striking evidence presented raises major questions about the prophet's mental and moral health. It is a must read for anyone who truly wants to understand Seventh-Day Adventism and its prophetic founder. A devastating work. What Numbers and Rea started, your book will finish! —John Dart (1936-2019), longtime religion editor, Los Angeles Times I enjoyed the writing and the stories. The anecdotes you included enriched the content. Your writing was personal, and I think readers

will feel that you are writing to them, and makes the book of increased value. There is the same question with Joseph Smith. Why do people stay in the face of such documentation? What are the forces that keep them tied to source documentation of fraud? —Dr. Robert Anderson, psychiatrist, author, *Inside the Mind of Joseph Smith: Psychobiography and the Book of Mormon* I found the material fascinating, a powerful polemic! —Ronald Numbers, William Coleman professor of History, University of Wisconsin-Madison, author, *Prophetess of Health*

The Ten Offenses Teach Services

An epic account of the Navy SEALs of Alpha platoon, the startling accusations against their chief, Eddie Gallagher, and the courtroom battle that exposed the

dark underbelly of America's special forces—from a Pulitzer Prize-winning reporter “Meticulously assembled and brilliantly written . . . [a] remarkable and engrossing book.”—The New York Times By official accounts, the Navy SEALs of Alpha platoon returned as heroes after their 2017 deployment to Mosul, following a vicious, bloody, and successful campaign to drive ISIS from the city. But within the platoon a different war raged. Even as Alpha's chief, Eddie Gallagher, was being honored by the Navy for his leadership, several of his men were preparing to report him for war crimes, alleging that he'd stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians. Many young SEALs regarded Gallagher as the ideal special operations

commando. Trained as a sniper, a medic, and an explosives expert, he was considered a battle-tested leader. But in the heat of combat, some in his platoon saw a darker figure—a man who appeared to be coming unhinged after multiple deployments in America’s forever wars. Their excitement to work with a tough, experienced chief soon gave way to a grim suspicion that his thirst for blood seemed to know no bounds and a belief that his unpredictability was as dangerous as the enemy. In riveting detail, Pulitzer Prize-winning New York Times correspondent David Philipps reveals the story of a group of special operators caught in a moral crucible—should they uphold their oath and turn in their chief, or honor the SEALs’ unwritten code of

silence? It is also a larger story of how the SEAL Teams drifted off course after 9/11, and of the “pirate” subculture that festered within their ranks—a secret brotherhood that, in a time of endless war with few clear victories, made the act of killing itself the paramount goal. The investigation and trial following Alpha’s deployment—and Gallagher’s ultimate acquittal on the most serious charges—would pit SEAL against SEAL, set the Navy brass on a collision course with President Donald Trump, and turn Gallagher into a political litmus test in a hotly polarized America. A page-turning tale of battle, honor, and betrayal, Alpha is a remarkable exposé of the fault lines fracturing a country that has been at war for a generation and counting.

Rome's Challenge: Why Do Protestants

Keep Sunday? Crown

In *The Jesuits*, Malachi Martin reveals for the first time the harrowing behind-the-scenes story of the "new" worldwide Society of Jesus. The leaders and the dupes; the blood and the pathos; the politics, the betrayals and the humiliations; the unheard-of alliances and compromises. The Jesuits tells a true story of today that is already changing the face of all our tomorrows.

Or, Rome and the United States of America TEACH Services, Inc.

Beginning with the destruction of Jerusalem and continuing through the persecutions of Christians in the Roman Empire, the apostasy of the Dark Ages, the shining light of the Reformation, and the worldwide religious awakening of the nineteenth century, this volume traces

the conflict into the future, to the Second Coming of Jesus and the glories of the earth made new. In this concluding volume, the author powerfully points out the principles involved in the impending conflict and how each person can stand firmly for God and His truth.

Fundamentals of Christian Education

Yesterday's World Publishing

Bible prophecy predicts World War III is inevitable and it will be unlike previous wars. Nuclear exchanges and fallout will kill millions of innocent people. People will cry for "peace and safety," and Jesus will end the war with a display of divine wrath.

Fact Or Fiction? Pacific PressPub Assn

This book answers critical questions about the Ten Commandments with compelling clarity and Bible evidence.

The Church in the Wilderness Review
and Herald Pub Assoc

“I believe that complete separation of church and state is one of those miraculous things which can be best for religion and best for the state, and the best for those who are religious and those who are not religious.” – Leo Pfeffer
Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof. These sixteen words epitomize a radical experiment unique in human history . . . It is the purpose of this book to examine how this experiment came to be made, what are the implications and consequences of its application to democratic living in America today, and what are the forces seeking to frustrate and defeat that experiment. (From the

Foreword)

From Sabbath to Lord's Day Review
and Herald Pub Assoc

In this accessible historical overview of Sunday, noted scholar Justo Gonzalez tells the story of how and why Christians have worshiped on Sunday from the earliest days of the church to the present. After discussing the views and practices relating to Sunday in the ancient church, Gonzalez turns to Constantine and how his policies affected Sunday observances. He then recounts the long process, beginning in the Middle Ages and culminating with Puritanism, whereby Christians came to think of and strictly observe Sunday as the Sabbath. Finally, Gonzalez looks at the current state of things, exploring especially how the explosive growth of

the church in the Majority World has affected the observance of Sunday worldwide. Readers of this book will rediscover the joy and excitement of Sunday as early Christians celebrated it and will find fresh, inspiring perspectives on Sunday amid our current culture of indifference and even hostility to Christianity.

The End of the Law Createspace
Independent Publishing Platform

A riveting history of the epic orbital flight that put America back into the space race. If the United States couldn't catch up to the Soviets in space, how could it compete with them on Earth? That was the question facing John F. Kennedy at the height of the Cold War—a perilous time when the Soviet Union built the wall in Berlin, tested nuclear bombs more

destructive than any in history, and beat the United States to every major milestone in space. The race to the heavens seemed a race for survival—and America was losing. On February 20, 1962, when John Glenn blasted into orbit aboard Friendship 7, his mission was not only to circle the planet; it was to calm the fears of the free world and renew America's sense of self-belief. Mercury Rising re-creates the tension and excitement of a flight that shifted the momentum of the space race and put the United States on the path to the moon. Drawing on new archival sources, personal interviews, and previously unpublished notes by Glenn himself, Mercury Rising reveals how the astronaut's heroics lifted the nation's hopes in what Kennedy called the "hour

of maximum danger."

Review and Herald Pub Assoc

A series of authors assert the premise that Sunday is "a new day of worship that was chosen to commemorate the unique, salvation-historical event of the death and resurrection of Christ, rather than merely being another day for celebrating the Sabbath."

Ellen G. White A Psychobiography

TEACH Services, Inc.

A question of national importance. The Constitution provides protection against the encroachment of religious power upon the civil government as a safeguard to liberty. This protection remains intact only as long as the basic truth is recognized that no man can allow any legislation favoring his own

religious beliefs. Violating this principle will result in the loss of his own religious freedom. The subjects in this book should never become secondary in the mind of any American citizen: The principles of the American Constitution. The proper relationship between religion and the State. The distinction between moral and civil law. The inalienable civil and religious rights of men. This book is a report of an argument made concerning the national Sunday bill that was introduced by Senator Blair in the fiftieth Congress.

Last Day Events B&H Publishing Group

A study of Paul's theology in the Bible, focusing on his view of the old covenant God made with Israel and the new covenant Jesus announced at the Last Supper.
