Lift the Flap Periodic Table
Collins
In this moving

companion to the Caldecott Honor-winning *They All Saw a Cat*, Brendan Wenzel tells the story of a seemingly ordinary stone. But it isn't just a stone—to the animals that use it, it's a resting place, a kitchen, a safe haven...even an entire world. With stunning illustrations in cut paper, pencil, collage, and paint, and soothing rhythms that invite reading aloud, *A Stone Sat Still* is a gorgeous

exploration of perspective, perception, sensory experience, color, size, function, and time, with an underlying environmental message that is timely and poignant.

Once again Wenzel shows himself to be a master of the picture book form.
