 n'est pas un homme bon.  
 Je le soupçonne dès notre première rencontre, je sens le danger qui entoure cet homme. Il a une façon d'exiger l'attention, de prendre le contrôle, de savoir ce que je pense avant même que je le sache. C'est à la fois inquiétant et attirant. C'est sombre et redoutable. C'est tout ce que j'ai toujours voulu, et

pourtant la dernière chose dont j'ai besoin. Une obsession. Il ne lui faut pas longtemps pour m'attirer dans sa toile, me charmer jusque dans son lit et me prendre au piège de sa vie, une vie dont j'ignore tout avant qu'il soit trop tard. Il a des secrets, des secrets que je ne peux percer et qui m'empêchent de partir, même si je le supplie de me laisser m'en aller. Je l'aperçois parfois dans ses yeux,

cette noirceur terrifiante et fascinante à la fois. C'est un monstre dans un emballage somptueux, et ce que je découvre en le démasquant change absolument tout. J'ai envie de le haïr. Parfois même, j'y parviens. Et pourtant, ça ne m'empêche pas de l'aimer. *Leonardo the terrible monster* Createspace Independent Pub You never know when somebody will hold you to your word ...

Once upon a time, there was a girl who stopped believing in fairy tales after her

innocence was stolen. Morgan Myers is tired. So damn tired. Most people either push her around or brush her off, and she's not putting up with it anymore. Determined to reclaim the life that had been stolen from her, she puts her trust in the last person she ever expected to: the notorious Scar. Morgan sees a side of him that few people seem to know--the man, not the myth. Lorenzo. And

what she sees, she likes, a lot more than she thought she would. But fairy tales aren't real, as life likes to remind her. Some dragons, you just can't slay, no matter how hard you fight them. And when hers comes back around, breathing fire, she's forced to face some unimaginable horrors. But lucky for Morgan, there's a white knight in combat boots out there that isn't afraid of monsters. You

see, it's impossible to be afraid of something you face every day in the mirror.

I Declare War Serah always believed the world around her was perfect. As a Power, one of the warrior angels, she has spent her existence defending the innocent from evil. After tragedy strikes, tearing Serah's

brother from her life, she's given the task of stopping the approaching apocalypse before it's too late. Only one thing, though: she has to venture to Hell to do it. Lucifer—or Luce, as he prefers to be called—has been biding his time in Hell, longing for revenge against those who oh-so-easily cast him into the pit. When the heavenly beauty shows up at his gate, he's just as captivated by her presence

as she becomes of him. The attraction between them is palpable, and Serah's willpower slowly slips. How can this charming creature, this scarred Archangel, be the one annihilating the world she so loves? As the war wages on, the world entwined in chaos, Serah starts questioning everything she ever knew. When the light and dark, hot and cold, finally collide, she has to make a

choice—a choice that sets her world on fire, black and white exploding into colorful flames. Serah has questions. She wants answers. Luce just wants to play a game. *A Monster Calls Grey Eagle* Publications A young alchemist turns to dark magic when a deadly plague sweeps through her homeland, in this epic fantasy from New York Times bestselling author Beth Revis.

Seventeen-year-old Nedra Brysstain leaves her home in the rural northern territories of Lunar Island to attend the prestigious Yugen Academy with only one goal in mind: master the trade of medicinal alchemy. A scholarship student matriculating with the children of Lunar Island's wealthiest and most powerful families, Nedra doesn't quite fit in with the other kids at Yugen.

Until she meets Greggori "Grey" Astor. Grey is immediately taken by the brilliant and stubborn Nedra, who he notices is especially invested in her studies. And that's for a good reason: a deadly plague has been sweeping through the north, and it's making its way toward the cities. With her family's lives--and the lives of all of Lunar Island's citizens--on the line, Nedra

is determined to find a cure for the plague. Grey and Nedra grow close, but as the sickness spreads and the body count rises, Nedra becomes desperate to find a cure. Soon, she finds herself diving into alchemy's most dangerous corners--and when she turns to the most forbidden practice of all, necromancy, even Grey might not be able to pull her from the darkness.

 Once upon a time, there was a guy who got so fed up with life that he resorted to murder and mayhem just to feel alive. Lorenzo Gambini is bored. So f\*cking bored. Most people either annoy

him or avoid him, afraid to face him. Figuratively. Literally. With his face partially disfigured, scarred, he looks every bit the monster the stories make him out to be: the notorious Scar. They say he's a sociopath. Maybe he's a psychopath. Whatever path he's on, people tend to stay far away from it. Until one day, a young woman bumps right into him--a woman just as fed up with

life, but for much different reasons. With a Scarlet Letter inked on her wrist and secrets buried deep in her soul, Morgan Myers is running from something... or maybe somebody. Lorenzo isn't quite sure. You can bet your ass he's going to figure it out, though. **Save Me** À nos démons intimes Lei è la sua prigioniera. Lui è il suo rapitore. La loro relazione è un volatile
