ANGELICA HALEY

The Theology of the Book of Revelation Regent College Publishing

Have you ever struggled trying to discover God's purpose for your life? You know he has a plan. It sure would be nice if he'd let you in on it. Discovering God's will and purpose for your life does not have to be strange, spooky or overwhelming. It can be found and more importantly, God wants to reveal it to you. So, if you feel stuck, then you are in the right place. On this journey, we will unpack 11 different ways God leads you into his will. These sensible concepts will help you understand how God shows up in your everyday situations with the intention of revealing his plan and will for your life. If you are ready to get out of the dark and into the light of how God leads you into his will then join me on this journey. It's time for you to get unstuck and ultimately step into the purpose God has for you.

Revelations of the Heart Cambridge University Press

"Craig Koester provides commentary on each section of the book of Revelation, drawing on the best recent scholarship and contemporizing his discussion with references to events like the siege at Waco, the phenomenal sales of the Left Behind series, and the use of Revelation in hymnody and art. Based on two decades of teaching Revelation to seminary students, pastors, and lay groups, this discussion strikes a balance between taking the text's first-century context seriously and making Revelation relevant to twenty-first-century readers."--BOOK JACKET.

The Book of Revelation Unveiled United Church of God

One in a series of twelve New Testament verse-by-verse commentary books edited by Max Anders. Includes discussion starters, teaching plan, and more. Great for lay teachers and pastors alike.

As Kingfishers Catch Fire WaterBrook

"Written for scholars and students at both the graduate and undergraduate levels with an interest in modern literary studies, this book will also appeal to anyone interested in the Victorian era, biblical studies, the history of ideas, literature and myth, and theology."--BOOK JACKET.

Imperial Cults and the Apocalypse of John Fortress Press

There is no need to read this reference guide from cover to cover; simply browse the table of contents or flip through the pages to find the answers and assistance that you need. Discover how to: Interpret the prophecy of the Revelation Place it in

historical context Understand how it relates to other books in the Bible Unravel the details of the apostle John's life and world Choose a perspective for understanding See the grander scheme of things Complete with lists of the ten most commonly asked questions about end times and the ten rules of thumb for interpreting scripture, *The Book of Revelation For Dummies* will help you understand and decode one of the most perplexing books in the Bible!

Jonathan Edwards Wm. B. Eerdmans Publishing

For the first time in complete form, the results of recent analyses of the Apocalypse are presented in a way that is easily understood by the beginning student and challenging to the scholar looking for a fresh approach. In a clear and vivid manner, Adela Yarbro Collins discusses the authorship of the book of Revelation, when it was written, the situation it addressed, the social themes it considered, and the psychological meaning behind apocalyptic language.

The Book of Revelation Cambridge University Press

A profound exploration of the Bible's most controversial book—from the author of *Beyond Belief* and *The Gnostic Gospels* The strangest book of the New Testament, filled with visions of the Rapture, the whore of Babylon, and apocalyptic writing of the end of times, the Book of Revelation has fascinated readers for more than two thousand years, but where did it come from? And what are the meanings of its surreal images of dragons, monsters, angels, and cosmic war? Elaine Pagels, New York Times bestselling author and "the preeminent voice of biblical scholarship to the American public" (*The Philadelphia Inquirer*), elucidates the true history of this controversial book, uncovering its origins and the roots of dissent, violence, and division in the world's religions. Brilliantly weaving scholarship with a deep understanding of the human needs to which religion speaks, Pagels has written what may be the masterwork of her unique career.

The Divine Fire Wipf and Stock Publishers

This lively, engaging introduction to the New Testament is critical yet faith-friendly, lavishly illustrated, and accompanied by a variety of pedagogical aids, including sidebars, maps, tables, charts, diagrams, and suggestions for further reading. The full-color interior features art from around the world that illustrates the New Testament's impact on history and culture. The first edition has been well received (over 60,000 copies sold). This new edition has been thoroughly revised in response to professor feedback and features an updated interior design. It offers expanded coverage of the New Testament world in a new chapter on Jewish backgrounds, features dozens of new works of fine art from around the world, and provides extensive new online material for students and professors available through Baker Academic's Textbook eSources.

Shoutin' in the Fire Courier Corporation

The idea of "The Rapture" -- the return of Christ to rescue and deliver Christians off the earth -- is an extremely popular interpretation of the Bible's Book of Revelation and a jumping-off point for the best-selling "Left Behind" series of books. This interpretation, based on a psychology of fear and destruction, guides the daily acts of thousands if not millions of people worldwide. In *The Rapture Exposed*, Barbara Rossing argues that this script for the world's future is nothing more than a

disingenuous distortion of the Bible. The truth, Rossing argues, is that Revelation offers a vision of God's healing love for the world. The Rapture Exposed reclaims Christianity from fundamentalists' destructive reading of the biblical story and back into God's beloved community.

The Art and Technique of Pen Drawing Revelation

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Revelation and the End of All Things Mountain View, Calif. ; Regina : Pacific Press Pub. Association NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

The Assumption of Moses Baker Books

The title *Thunder and Love* speaks of the passion and compassion of the writer of Revelation. That exciting, but sometimes perplexing, New Testament document is the subject of Dr. Smalley's fascinating study. His book combines the depth of research required for the serious scholar of apocalyptic literature, with many fresh insights and surprising conclusions for the inquiring reader. We are given here not only a new appreciation of the text of Revelation, and of the volatile community for which John wrote, but also a sharp application of its message to the needs of our present spiritual, social, and political situation.

The Gospel According to Matthew Canongate Books

Revelation: The Divine Fire A Biblical prediction says that "In the latter days, your sons and daughters shall prophesy." Brad Steiger has communicated with literally hundreds of individuals who claim to have received messages directly from God -- or from spacemen, angels, spirit guides, or other superhuman entities. It would be easy to dismiss these latter-day prophets as deluded, but amazingly, their revelations all have an internal consistency, a common theme: a time of judgment is at hand, and humankind must change its ways to avert disaster. Moreover, contemporary housewives, business executives, and "Jesus people" are experiencing the same symptoms of revelation- - a blinding light, a voice out of nowhere, an impulse to take on a new name and a new life. On the track of the elusive source of these messages, Steiger examines the spread of glossolalia and faith-healing; the folklore of elves and leprechauns; the awesome cases where a revelator's body is briefly occupied by an outside personality; the mysterious "Elijah" tradition of the Bible that suggests that the great prophets (perhaps even Jesus) were possessed by a single entity; and the latest laboratory research into consciousness expansion. *Revelation: The Divine Fire* presents actual warnings, predictions, and messages from a wide spectrum of contemporary revelators. In addition,

there are interviews and evaluations from a number of clergymen, scientists, and psychics who have met the Divine Fire. "Steiger's 'divine fire' is something. . . which, from the: beginning of recorded history down to the present, has communicated a revelation to man. [Steiger] is properly objective in his evaluation of the significance of such phenomena, setting forth the opinions of various scientific - or at least thoughtful - observers on the subject and, where necessary, synthesizing such opinions." Kirkus Reviews "In the tradition of William James' *Varieties of Religious Experiences* we have an important collection of valuable data that should be read and considered by any one interested in the pursuit of man, his meaning, and destiny. For me this book was an exciting adventure." Paul Severson, *Fate* magazine "Steiger enormously expands the definition of revelation. . . . What emerges is an engrossing compilation of esoteric events reported by those experiencing them." *Library Journal* "Brad Steiger has written a shelf-full of books on psychic phenomena. Many people throughout the country first developed an interest in extrasensory perception through the work of this prolific author." *Martin Ebon*, *OCCULT* magazine Author Bio - Brad Steiger is a world renowned author of over 150 books with over 17 million copies in print. His titles include; "Mysteries of Time and Space", "Real Ghosts", "Restless Spirits and Haunted Places", "Conspiracies and Secret Societies: The Complete Dossier", "Touched by Heaven's Light", "American Indian Medicine Power", "Strangers from the Skies", "Project Bluebook", "The Rainbow Conspiracy", "UFO Odyssey" and many more. Steiger first began publishing articles on the unexplained in 1956; since then he has written more than 2,000 paranormal themed articles. From 1970-73, his weekly newspaper column, "The Strange World of Brad Steiger", was carried domestically in over 80 newspapers and overseas from Bombay to Tokyo. He was born in Fort Dodge, Iowa, on February 19, 1936. He is married to Sherry Hansen Steiger, author and co-author of over 22 books. They have two sons, three daughters, and eight grandchildren. Reality Press and Steiger Werks are pleased to announce the re-release of "Revelation - The Divine Fire", which is a compelling investigation into people who claim to be in spiritual communication with a higher intelligence. "Revelation" is a true Steiger classic that is as relevant and fresh today as it was when it was first published. For more info go to www.bradandsherry.com or www.reality-entertainment.com/books.htm

Find Out What the Bible REALLY Says About the End Times... and Why It Matters Today

B&H Publishing Group

Rev. ed. of: *The book of Revelation--justice and judgment.* c1985.

A Literary Approach Reality Press

This doctoral dissertation demonstrates that Revelation was written prior to the destruction of the Jewish Temple in AD 70, and that it was prophesying that event. It proves this early date for Revelation by providing both internal evidence from within Revelation and external evidence from Church history and tradition.

Authorized King James Version Canongate U.S.

This study is unique in its comprehensive account of the theology of Revelation, and is original in its exposition of the Book's message.

Holman New Testament Commentary - Revelation Penguin

A stirring meditation of being Black and learning to love in a loveless, anti-Black world "Only once in a lifetime do we come across a writer like Danté Stewart, so young and yet so masterful with the

pen. This work is a thing to make dungeons shake and hearts thunder.”—Robert Jones, Jr., New York Times bestselling author of *The Prophets In Shoutin’ in the Fire*, Danté Stewart gives breathtaking language to his reckoning with the legacy of white supremacy—both the kind that hangs over our country and the kind that is internalized on a molecular level. Stewart uses his personal experiences as a vehicle to reclaim and reimagine spiritual virtues like rage, resilience, and remembrance—and explores how these virtues might function as a work of love against an unjust, unloving world. In 2016, Stewart was a rising leader at the predominantly white evangelical church he and his family were attending in Augusta, Georgia. Like many young church leaders, Stewart was thrilled at the prospect of growing his voice and influence within the community, and he was excited to break barriers as the church’s first Black preacher. But when Donald Trump began his campaign, so began the unearthing. Stewart started overhearing talk in the pews—comments ranging from microaggressions to outright hostility toward Black Americans. As this violence began to reveal itself en masse, Stewart quickly found himself isolated amid a people unraveled; this community of faith became the place where he and his family now found themselves most alone. This set Stewart on a journey—first out of the white church and then into a liberating pursuit of faith—by looking to the wisdom of the saints that have come before, including James H. Cone, James Baldwin, and Toni Morrison, and by heeding the paradoxical humility of Jesus himself. This sharply observed journey is an intimate meditation on coming of age in a time of terror. Stewart reveals the profound faith he discovered even after experiencing the violence of the American church: a faith that loves Blackness; speaks truth to pain and trauma; and pursues a truer, realer kind of love than the kind we’re taught, a love that sets us free.

"The pages of this interactive guidebook are enriched with insights and ideas designed to start readers on the path of regular record keeping, from discussion of the blessings that can come from journal writing, to personal experiences, quotes, and sample journal entries. Readers will learn to record thoughts and spiritual experiences as a part of daily routine and are encouraged to utilize thought-provoking writing prompts designed to inspire entries. For season writers and new journalers alike, there is not time like the present to get started on your story."--

[Dating the Book of Revelation](#) Basic Books

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Revelation Kim Mark Lewis

What old stories, beliefs, or habits can you change over 7 weeks? Both a writing guide and a collection of poetry, *Revelations of the Heart* takes you on a 49-day journey of self-reflection and self-expression through creative writing. The inspiration for this book is an ancient Hebrew custom called "Counting the Omer," where each spring you intentionally immerse in the spiritual qualities of lovingkindness, strength, harmony, endurance, awe, foundation, and dignity for 49 days. The 50th day is known as a time of Revelation. This book is mystical, practical, spiritual, and fun! Experience this sacred technology and let the creative process unfold you. Come be a witness to your life and hear the revelations of your heart!
