**In Love Forever** Apocryphile Press  
From the New York Times bestselling author of Devil in Disguise, the first book in her beloved Wallflowers series. The Wallflowers: four young ladies at the side of the ballroom make a pact to help each other find husbands . . . no matter what it takes. Proud and beautiful Annabelle Peyton could have her pick of suitors—if only she had a dowry. Her family is on the brink of disaster, and the only way Annabelle can save them is to marry a wealthy man. Unfortunately her most persistent admirer is the brash Simon Hunt, a handsome and ambitious entrepreneur who wants her as his mistress. Annabelle is determined to resist Simon's wicked propositions, but she can't deny her attraction to the boldly seductive rogue, any more than he can resist the challenge she presents. As they try to outmaneuver each other, they find themselves surrendering to a love more powerful than they could have ever imagined. But fate may have other plans—and it will take all of Annabelle's courage to face a peril that could destroy everything she holds dear. *Golden Anniversaries* Harlequin / SB Creative  
Choosing whom to date and ultimately finding true love is one of the most important decisions teens and young adults will ever make. "7 Secrets" outlines seven qualities to look for in others and ourselves to build great

relationships.

*T. O. U. C. H. M. E.* Simon and Schuster  
A heartwarming and revealing look at the wisdom drawn from successful marriages and the secrets to making love last, not from Ph.D.s or therapists but from more than 200 real couples who have walked the walk to more than forty years of marriage. Jaded by his parents' divorce, Mathew Boggs was a young man who'd lost all belief in lifelong love. After observing his grandparents who were madly in love after sixty-three years of marriage, Mat talked his best friend Jason into joining him on a cross-country search for America's greatest marriages. The two bumbling bachelors jumped in an RV and embarked on "Project Everlasting," a 12,000-mile cross-country adventure to discover what it takes to make love last. Each chapter of Project Everlasting is dedicated to one of the pressing questions the bachelors asked the couples, such as: —"How do you know you've found The One?" —"What's missing from today's marriages?" —"How do you keep the romance alive?" —"What's the most important ingredient for a solid marriage?" As the traveled the country, meeting happy couples from all walks of life, Mat and Jason began to understand why their own relationships hadn't worked out quite as planned. They also realized that what they were learning from their wise new friends could change everything for them and—through Project Everlasting—show their generation and generations to come how to build a marriage to last.

Most books on marriage offer ten easy steps and twenty-five proven principles for achieving marital bliss. But Walter Wangerin side-steps such easy answers and offers us instead an intimate portrait

of his own courtship and thirty-two year marriage—and a pastoral view of married life that inspires readers to view their own marriages with new honesty and hope. Wangerin's six tasks of marriage encourages couples to better understand and happily live out the vows they made, giving them tools to nurture and maintain a strong marital relationship. In his endorsement, Philip Yancey accurately describes this book as "an enduring classic and a book of wisdom, beauty, compassion, and piercing honesty."

Two former lovers argue over the key to everlasting love in this charming, funny, and steamy romance from the "one of a kind" (RT Book Reviews) author Susan Mallery. Taylor McGuire, a hardworking single mom with a PhD in psychology, believes that compatibility is the key to a successful marriage. Bestselling relationship guru Jonathan Kirby believes it's sexual chemistry. So when these two former lovers meet up on national TV, it's more than just a difference of expert opinion that sets the sparks flying between them. And when Taylor puts forth her theory on love, Jonathan can't help but challenge: "Want to bet?" So begins an unconventional contest—forty couples involved in a monthlong mock marriage for a chance to win one million dollars—which puts Taylor's and Jonathan's professional reputations on the line. As the competition heats up, so

does the attraction. And as they fall for each other, the two experts realize that love is not a science...sometimes it's just magic.

Secrets of a Wedding Night Valerie Bowman HOW TO STOP A WEDDING Young, widowed, and penniless, Lily Andrews, the Countess of Merrill, has strong opinions on marriage. When she spots a certain engagement announcement in The Times, she decides to take action. She will not allow another hapless girl to fall prey to a man—particularly the scoundrel who

broke her heart five years ago. Anonymously she writes and distributes a pamphlet entitled "Secrets of a Wedding Night," knowing it will find its way into his intended's innocent hands... HOW TO SEDUCE A WIDOW Devon Morgan, the Marquis of Colton, desires a good wife and mother to his son—someone completely unlike Lily Andrews, the heartless beauty who led him on a merry chase five years ago only to reject him. When Devon's new fiancée cries off after reading a certain scandalous pamphlet, he vows to track down the author and make her pay. But when he learns it's his former fiancée Lily, he issues a challenge: write a retraction or prepare to be seduced—to find out how wonderful a wedding night can be...

The only way to secure her dream is to marry a handsome stranger . . . When Rose and Jack meet, she has just lost her uncle, and with him her dream of owning a coffee shop. Rose wanted nothing more than to open a café in her uncle's building. But her uncle's will is clear - the building goes to Rose's husband. Not to her. Then, his lawyer, Jack, offers an unusual solution... she can marry him. She'll get the café and he'll get the building. For some reason, Rose agrees. It might be a marriage of convenience but it's anything but simple. Despite it being his idea, Jack is unbearably surly... But then he does something that shows

Rose he might just have a softer side. Maybe love can start with a contract... but will Rose still feel that way when she learns the full terms of their deal?
