## **KARLEE WILLIAMSON**

---

Brother and Sister OUP USA

Brought up by the same parents, but born to two different mothers, Nathalie and David have grown up as brother and sister, and share a fierce loyalty. Their decision as adults to try to find their birth mothers is no straightforward matter. It affects, acutely and often painfully, their spouses and children, the people they work with, and, most poignantly, the two women who gave them up for adoption all those years ago. Exploring her subject with inimitable imagination and humanity, the celebrated author of *Marrying the Mistress* and *The Rector's Wife* once again works her magic.

*When a Brother or Sister Dies* Shambhala Publications

Many people grow up with at least one sibling. These siblings are often 'fellow travellers' through adversity or significant life events; they can act as a source of support for some children while a source of conflict for others. For these reasons, siblings are a potentially powerful influence on development and this book is one of the first of its kind to provide an overview of cutting-edge psychological research on this important relationship. *Why Siblings Matter* is a cornerstone text on siblinghood. Integrating findings from a 10 year longitudinal study alongside wider research, it provides a lifespan perspective examining the impact of sibling relationships on children's development and well-being. This text situates siblings in their historical, developmental and family context, considers the influence of siblings on children's development and adjustment, and provides an introduction to new research on siblings in diverse contexts. The authors discuss sibling relationships in varied populations such as siblings with disabilities, siblings in different cultures and siblings in non-traditional families, while also considering the practical implications of research. Covering both classical studies and new results this book offers take-home messages for promoting positive sibling interactions. It will be invaluable reading for students and researchers in developmental psychology and family studies and professionals in education, health and social work.

The Sibling Slam Book IndyPublish.com

Handling the ups and downs of sibling relationships isn't always easy. This book gives girls advice on dealing with teasing, tattling, and fighting, as well as on playing and staying close as a family. Plus, inside are special extras including photo frames, door hangers, and a Sibling Constitution to help families establish ground rules, rights, and responsibilities.

**Brother, Sister, Me and You** Xlibris Corporation

Peter thinks baby sister Lena cries too much and takes too much of Mama's time until he learns to help take care of her.

**Brother & Sister** American Girl Publishing Incorporated

Adoption is a big step which can change the whole dynamics of the family. It is crucial that parents understand the impact it has when new sibling relationships are forged and an adoptee becomes a part of the family. *Welcoming a New Brother or Sister through Adoption* is a comprehensive yet

accessible guide that describes the adoption process and the impact of adoption on every member of the family, including the adopted child. It prepares families to have realistic expectations and equips them with knowledge to deal with a host of situations that may arise, addressing difficult questions head-on: 'Did we make the right choice by adopting?', 'How is this affecting our 'typical' children?', 'Will our adopted son or daughter heal?' are explored and solutions discussed in detail. All this is accompanied with real life stories and direct quotes from children, which make it a realistic and insightful resource. This book is vital reading for adoptive families and professionals who work with them including social workers, counselors and psychologists.

The Brother/Sister Plays AAPC Publishing

NEW YORK TIMES BESTSELLER When they were kids in the suburbs of Los Angeles in the 1950s, Diane Keaton and her younger brother, Randy, were best friends and companions. But as they grew up, Randy became troubled, then reclusive. Before he was thirty, he was divorced, an alcoholic, a man who couldn't hold on to full-time work—his life a world away from his sister's, and from the rest of their family. Now Diane delves into the nuances of their shared, and separate, pasts to confront the difficult question of why and how Randy ended up living his life on "the other side of normal." In beautiful and fearless prose intertwined with journal entries, letters, and poetry—much of it Randy's own—and supplemented by personal photographs and artwork, this insightful, heartfelt memoir contemplates the inner workings of a family, the ties of love and responsibility that hold it together, and the special bond between siblings—even those who are pulled far apart.

"Brother and Sister" is a short story by Josephine Lawrence. It's a heartwarming and tender tale that revolves around the sibling relationship between a young brother and sister. The story explores themes of love, understanding, and the special bond that exists between siblings. In "Brother and Sister," the reader witnesses the close and loving relationship between the two main characters, a brother and a sister. The story is written in a simple and touching style, which allows readers to connect with the characters and their experiences. As the narrative unfolds, the reader is introduced to the unique dynamics of the siblings' relationship. Despite the challenges they face, such as growing up and facing the uncertainties of life, their love for each other remains a constant source of strength and support. The story captures the essence of the deep and unconditional love that often exists between siblings. It serves as a reminder of the enduring nature of familial bonds and the comfort that comes from having a brother or sister by your side throughout life's journey. "Brother and Sister" is a delightful and emotionally resonant story that celebrates the enduring love and connection that can exist between siblings. It offers readers a glimpse into the profound and irreplaceable role that brothers and sisters can play in each other's lives.

Renowned educator Christine King Farris, older sister of the late Dr. Martin Luther King Jr., joins with celebrated illustrator Chris Soentpiet to tell this inspirational story of how one boyhood experience inspired a movement. *Mother Dear, one day I'm going to turn this world upside down.* Long before

he became a world-famous dreamer, Martin Luther King Jr. was a little boy who played jokes and practiced the piano and made friends without considering race. But growing up in the segregated south of the 1930s taught young Martin a bitter lesson--little white children and little black children were not to play with one another. Martin decided then and there that something had to be done. And so he began the journey that would change the course of American history.

*The Brother and Sister ; Or, The Way of Peace* BoD - Books on Demand

A fun, educational pregnancy activity book designed for the big brother or sister. Involves the older sibling in mom's pregnancy every day for nine months. Written entirely from the baby's point of view. Pediatrician and child psychologist approved.

*How to Be an Older Brother Or Sister* Harper Collins

*My Brother's War* tells the story of a soldier, Gary Hines, and his younger sister's search to understand the circumstances surrounding his life with Post Traumatic Stress - and his untimely death by his own hand ten years after returning home from war.

**Ninja Bunny: Sister vs. Brother** House of Anansi

Longlisted for the Center for Fiction Debut Novel prize, this fableistic, "beautifully crafted, poetic" debut novel about a sister trying to hold back her brother from the edge of the abyss is for readers of Jesmyn Ward and Tommy Orange (The New York Times Book Review). In the tourist town of Ciudad de Tres Hermanas, in the aftermath of their mother's passing, two siblings spend a final weekend together in their childhood home. Seeing her brother, Rafa, careening toward a place of no return, Rufina devises a bet: if they can make enough money performing for privileged tourists in the plaza over the course of the weekend to afford a plane ticket out, Rafa must commit to living. If not, Rufina will make her peace with Rafa's own plan for the future, however terrifying it may be. As the siblings reckon with generational and ancestral trauma, set against the indignities of present-day prejudice, other strange hauntings begin to stalk these pages: their mother's ghost kicks her heels against the walls; Rufina's vanished child creeps into her arms at night; and above all this, watching over the siblings, a genderless, flea-bitten angel remains hell-bent on saving what can be saved.

*Brother and Sister* Putnam Adult

"Little ones will delight in the similarities lion, turtle, and even bee siblings have with human brothers and sisters in this charming read-aloud book. It opens with 10 kinds of animal siblings and segues naturally into young human brothers and sisters. The children reprise the animal actions, from leaping and pouncing to splashing and bouncing, and finally snuggling down to sleep. Interesting facts about each featured animal are provided for further learning"--

*The Sisters Brothers* Children's Press

When I look back on my life, I realize its not what I have in life but who I have in my life that matters. There will always be people that matter the most to me. And those people are my family. How lucky am I to have people that love and support me, people that are and have made amazing memories with me. Its the people in my life who want me in theirs, the ones who accept me for who I am, the ones who do not judge, and the ones who loved me then, love me still, love me now, and always will. They are the ones who would do anything for me just to see me smile and who love me no matter what. Having somewhere to go is home. Having someone to love is family. Having both is a blessing.

God truly blessed me with a loving mother and father and eight siblings, which became my chosen family. We were founded by faith, joined by love, kept by God together forever. Blessed is the family who hears the Word of the Lord and obeys it (Luke 11:28). Familywhere life begins and love never ends. Where prayer is powerful and secrets are shared. Where parents believe too much love never spoils a child. Where there are no friendships better than that of sisters and brothers. In this book, Big Sister, Little Sister, and A brother In Between, two sisters and one brother face an awesomely unique and difficult challenge of moving from the city to a country dairy farm. Not knowing what to expect and all the effects of the big move put the siblings at odds with one another. The standards and rules their parents created will make you believe in second chances, blessings, and love. It is how they learn to live as a family where truth never loses, where love is unconditional, and where two parents see imperfect people perfectly. Family are the people who make you hungry for life, touch your heart, and nourish your soul (unknown). Wings are to show you what you can become. Roots are to remind you where youre from (unknown). The family is the center of life and it is the key to eternal happiness (L. Tom Perry).

*Oh, Brother... Oh, Sister!* Knopf Books for Young Readers

Brother and Sister are the youngest children in a large family. When they try to copy the others, they sometimes find themselves in a little trouble. It's Brother's sixth birthday and his older brother's gift is a puppy!

*Being the Other One* Simon and Schuster

The best part about a sibling relationship might just be the speed with which you can go from worshipping each other to wanting to pierce each other's eyeballs out with sharp objects. And back again. For at least the first decade of life, sisters and brothers spend more time with each other than anyone else. They grow up together, making memories good and bad at every stage-through shared laughter and joy, but also torment, betrayal, jealousy, tears, and, of course, forgiveness. Siblings Only is an ode to the special ties formed between sisters and brothers, which stand apart from those forged with peers and even other family members. The bond between siblings is unmatched by any other and it's always worth celebrating-even on the days you can't stand each other.

**Welcoming a New Brother or Sister Through Adoption** University of Washington Press

Siblings of special-needs children discuss hopes, fears, frustrations, resentment, and triumphs regarding their life with their siblings.

**Brother/Sister** Bloomsbury Publishing USA

Sibling relationships involving a brother or sister with an autism spectrum disorder present enormous emotional and practical challenges throughout the life span. In a unique combination of narrative context and deeply moving first-person excerpts from interviews with 20 siblings, this informative guide offers in-depth coverage of the issues of paramount concern to typical siblings. A chapter devoted to coping strategies is enhanced by end-of-chapter professional advice on how to maximize the sibling relationship.

"This is a Borzoi book published by Alfred A. Knopf"--Copyright page.

*The Brother and Sister Knopf*

Ovid and Lorelli Thornthwaite have been trying to kill each other for so long that neither twin can remember which act of attempted murder came first. But whoever struck first, trying to take each other's lives is simply what they do. Until one day a lawyer arrives at their house to take stock of its

contents, and his accompanying son attracts their attention. Soon a new battle evolves - one in which the twins have to work together to solve the mystery of their parents' deaths. Can Lorelli and Ovid overcome their old animosities, and will they ever get to finish that game of chess?
