Letters I Never Mailed: *Clues to a Life*, by Alec Wilder, in a new, annotated edition with introduction and supplementary material by David Demsey, foreword by jazz pianist Marian McPartland, and photographs by Louis Ouzer. Alec Wilder is a rare example of a composer who established a reputation both as a prolific composer of concertos, sonatas,

and operas, and as a popular songwriter (including the hit "I'll Be Around"). He was fearfully articulate, and had a wide and varied circle of friends, ranging from Graham Greene to Frank Sinatra and Stan Getz. *Letters I Never Mailed*, hailed at its first publication (in 1975, by Little, Brown), tells the story of Wilder's musical and personal life through "letters" addressed to various friends. In it, he shares his insights-and sometimes salty opinions-on composing, musical life, and the tension between art and commercialism. This new, scholarly edition leaves Wilder's original text intact but decodes the mysteries of the original through an Annotated Index that identifies the letters' addressees, a biographical essay by David Demsey as an Epilogue, and photographs by

renowned photographer, and lifelong friend of Wilder, Louis Ouzer. David Demsey is Professor of Music and Coordinator of Jazz Studies at William Paterson University and an active jazz and classical saxophonist. He is co-author of *Alec Wilder: A Bio-Bibliography* (Greenwood Press) and has contributed to *The Oxford Companion to Jazz*.

**Why Translation Matters** Prabhat Prakashan

"Why Translation Matters argues for the cultural importance of translation and for a more encompassing and nuanced appreciation of the translator's role. As the acclaimed translator Edith Grossman writes in her introduction, "My intention is to stimulate a new consideration of an area of literature that is too often ignored, misunderstood, or

misrepresented." For Grossman, translation has a transcendent importance: "Translation not only plays its important traditional role as the means that allows us access to literature originally written in one of the countless languages we cannot read, but it also represents a concrete literary presence with the crucial capacity to ease and make more meaningful our relationships to those with whom we may not have had a connection before. Translation always helps us to know, to see from a different angle, to attribute new value to what once may have been unfamiliar. As nations and as individuals, we have a critical need for that kind of understanding and insight. The alternative is unthinkable."--Jacket.

Lady Gaga's old friend and former DJ Brendan Jay Sullivan paints a vivid picture of the downtown scene from which she emerged. Brendan Jay Sullivan was an up-and-coming DJ in New York City when he met Stefani Germanotta, then a struggling artist, in 2006. She was a go-go dancer who sewed her own outfits but had bigger ambitions—she wanted nothing less than to take over the music world. In this intimate portrait of the budding star who would soon catapult to fame and fortune, the author describes afternoons sitting with Gaga on the floor of her bare Lower East Side apartment, drinking wine from pint glasses and plotting out the pop stardom that awaited her. Filled with stories of love and heartbreak among Gaga and

Sullivan and their circle of aspiring musicians and performers, and set against the vibrant backdrop of the downtown bars and parties of the mid-aughts, *Rivington Was Ours* is both a love letter to New York and a glimpse behind the veil of one of the biggest musical icons of her generation.

*Neapolitan Postcards* gathers a diverse group of international scholars to investigate unexplored transnational aspects of the intimate yet globally popular canzone napoletana. Performed and beloved worldwide in almost every language, the style had hits such as “Funiculì funiculà” (1880) and “O sole mio” (1898) which sold millions of copies. These hits fueled the tradition’s spread across the world over the course of the twentieth century with the eventual popularity of covers by singers and musicians of all music genres and styles, from popular music to opera and jazz. This book is the first scholarly work that considers the specific complexities of the international Neapolitan Song scenes through case studies from

Argentina, England, Greece, and the United States, employing analyses of compositions, iconographical sources, international films, mechanical musical instruments, performances, and recordings devoted to the canzone napoletana.

In China today, sex work cannot be untangled from the phenomenon of rural-urban migration, the entertainment industry, and state power. In Red Lights, Tiantian Zheng highlights the urban karaoke bar as the locus at which these three factors intersect and provides a rich account of the lives of karaoke hostesses--a career whose name disguises the sex work and minimizes the surprising influence these women

often have as power brokers.

A selection of songs from Einaudi's 2007 album, specially transcribed for solo Piano. The composer writes, In this folio you will find most of the music from the *Divenire* album.
