This is a compact and travel-friendly Cambodian-English, and English-Cambodian dictionary The Tuttle Practical Cambodian Dictionary answers the need for a dictionary of Cambodian that is handy, current, and useful to those with little or no experience with the Cambodian language. With other Cambodian dictionaries are designed for those who can read Cambodian script, this dictionary provides entries in both script and romanized form. Entries provide clear, precise definitions and

sample phrases to illustrate the natural use of the language. Foreigners learning Cambodian and Cambodians learning English will find this dictionary a reliable and effective reference tool for their studies. Useful features include: both English-Cambodian and Cambodian-English sections. Approximately 5,500 entries. All entries in both romanized and Cambodian script. Helpful appendixes and sample usages. Handy, compact size.

The Oxford Picture Dictionary

"A comprehensive, up-to-date guide to Khmer, the national language of Cambodia. Often referred to colloquially as "Cambodian", Khmer has about 16 million native speakers. This guide includes over 18,000 word-to-word entries, plus guides to the Khmer

alphabet, pronunciation, and basic usage"--
English-Spoken Khmer Dictionary
 Multi Linguis offers you a frequency-thematic learner's dictionary of the Khmer language. It includes up to 3000 essential words and phrases belonging to the levels from Beginner to Elementary (A1 - A2 CEFR). The entries are divided into 150 vocabulary themes as well as 2 learning steps. They are arranged by steps and then by themes, not by the alphabet. The book is intended to help you learn this language step by step but can also be applied for translating or entertaining. You may use it separately or as an additional tool for any suited educational course. The Multi Linguis Project is based on the Wiktionary corpus and created by one

person. The database of the Learner's Dictionaries includes 9 000 lemmas (words and phrases), their translations in many languages as well as transcriptions, transliterations and grammar information. All these lemmas are divided into 6 learning steps of 1500 entries each and also 150 vocabulary themes grouped in 30 super themes. They can be arranged by themes, steps, parts of speech or keywords, but never by the alphabet. Different types of dictionaries are offered for the same language. They are designed in an original way to be convenient and efficient. All of them are available in epub format. Multi Linguis is presently able to publish such books for more than 70 languages. It's planned to improve them and increase their number. You

can find more dictionaries in this store.

Basic English-Khmer Dictionary

This is a unique learning aid for making rapid headway in the acquisition of

comprehension and speaking ability in Khmer, the language of Cambodia. In recent years, Cambodia has moved from a society menaced by war to a society orientated to commerce. With this shift in attention from military to social and economic matters has come an increase in the numbers of foreign visitors and residents in the country for the purposes of tourism, aid work or investment-related activities. Many of these foreigners or 'chun bor-tay' speak English as a first or second language, but know little of written or spoken Khmer. This dictionary is designed to enable residents and visitors to better understand both the country and its people through speaking to Cambodians in their own language. With more than 6,000 key word entries, the "English-

Spoken Khmer Dictionary" has the distinctive feature of presenting Khmer words in an all-new easily grasped Romanized writing system. Incorporating phrases is essential for tourists, business travellers, scholars and long term Cambodia residents who wish to become more familiar with a country poised to play an increasingly significant role in the area.

Khmer (Cambodian) Dictionary & Phrasebook

This was the first English-Khmer (Cambodian) dictionary to be published in the Western world. It contains some 40,000 English entries and subentries and their translations. The primary objective of the dictionary is to provide a corpus of basic words and phrases which it would be useful for Western students

of Khmer to know how to say or write in standard Khmer. The second objective is to provide the first comprehensive English-Khmer dictionary for Khmer students learning English, particularly important now because of the recent arrival in the United States of more than 15,000 Khmer refugees. The third objective is to provide a research tool for those linguists, philologists, and other scholars interested in the study of the Khmer language, notable both for its rich literary traditions and for its place in the linguistic history of Southeast Asia.
