DAVENPORT CALLAHAN

American Pageant, Volume 2 Crown

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

A Massively Collaborative Open U.S. History Textbook, Vol. 2: Since 1877 Penguin UK

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, “Contending Voices,” offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

15 Authors Challenge Assumptions about Small-Town America Createspace Independent Publishing Platform

From everyday apps to complex algorithms, Ruha Benjamin cuts through tech-industry hype to understand how emerging technologies can reinforce White supremacy and deepen social inequity. Benjamin argues that automation, far from being a sinister story of racist programmers scheming on the dark web, has the potential to hide, speed up, and deepen discrimination

while appearing neutral and even benevolent when compared to the racism of a previous era. Presenting the concept of the “New Jim Code,” she shows how a range of discriminatory designs encode inequity by explicitly amplifying racial hierarchies; by ignoring but thereby replicating social divisions; or by aiming to fix racial bias but ultimately doing quite the opposite. Moreover, she makes a compelling case for race itself as a kind of technology, designed to stratify and sanctify social injustice in the architecture of everyday life. This illuminating guide provides conceptual tools for decoding tech promises with sociologically informed skepticism. In doing so, it challenges us to question not only the technologies we are sold but also the ones we ourselves manufacture. Visit the book's free Discussion Guide here.

The American Pageant (AP* Edition) Stanford University Press
 NEW YORK TIMES BESTSELLER • In this thoughtful and revealing memoir, readers will accompany one of the world’s most recognizable women on her journey of self-discovery. “I have always felt that life is a solitary journey, that we are each on a train, riding through our hours, our days, our years. We get on alone, we leave alone, and the decisions we make as we travel on the train are our responsibility alone.” A remarkable life story rooted in two different worlds, *Unfinished* offers insights into Priyanka Chopra Jonas’s childhood in India; her formative teenage years in the United States; and her return to India, where against all odds as a newcomer to the pageant world, she won the national and international beauty competitions that launched her global acting career. Whether reflecting on her nomadic early years or the challenges she has faced as she has doggedly pursued her calling, Priyanka shares her challenges and triumphs with warmth and honesty. The result is a book that is philosophical, sassy, inspiring, bold, and rebellious. Just like the author herself. From her dual-continent twenty-year-long career as an actor and producer to her work as a UNICEF Goodwill Ambassador, from losing her beloved father to cancer to marrying Nick Jonas, Priyanka Chopra Jonas’s story will inspire a generation around the world to gather their courage, embrace their ambition, and commit to the hard work of following their dreams.

Lies My Teacher Told Me Harper Collins

#1 NEW YORK TIMES BESTSELLER • “The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly.”—Entertainment Weekly NOW A MAJOR

MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE “MOST INFLUENTIAL” (CNN), “DEFINING” (LITHUB), AND “BEST” (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE’S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences. *Everything Your American History Textbook Got Wrong* Harmony You may not think that a history book could make you laugh, but THE AMERICAN PAGEANT just might. It's known for being one of the most popular, effective and entertaining texts on American history. Colorful anecdotes, first-person quotations and the authors' trademark wit bring history to life. Learning aids make the book as accessible as it is enjoyable: part openers and chapter-ending chronologies provide a context for the major

periods in American history, while primary sources and introductions to key historical figures give you a front row seat to the nation's past. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Easy Beauty The New Press

Think you know what rural America is like? Discover a plurality of perspectives in this enlightening anthology of stories that turns preconceptions on their head. Gracie sees a chance of fitting in at her South Carolina private school, until a "white trash"-themed Halloween party has her steering clear of the rich kids. Samuel's Tejano family has both stood up to oppression and been a source of it, but now he's ready to own his true sexual identity. A Puerto Rican teen in Utah discovers that being a rodeo queen means embracing her heritage, not shedding it. . . . For most of America's history, rural people and culture have been casually mocked, stereotyped, and, in general, deeply misunderstood. Now an array of short stories, poetry, graphic short stories, and personal essays, along with anecdotes from the authors' real lives, dives deep into the complexity and diversity of rural America and the people who call it home. Fifteen extraordinary authors--diverse in ethnic background, sexual orientation, geographic location, and socioeconomic status--explore the challenges, beauty, and nuances of growing up in rural America. From a mountain town in New Mexico to the gorges of New York to the arctic tundra of Alaska, you'll find yourself visiting parts of this country you might not know existed--and meet characters whose lives might be surprisingly similar to your own. A People's History of the United States Cengage Learning
Developed to meet the demand for a low-cost, high-quality history book, this economically priced version of THE AMERICAN PAGEANT, Fifteenth Edition, offers readers the complete narrative while limiting the number of features, photos, and maps. All volumes feature a paperback, two-color format for those seeking a comprehensive, trade-sized history text. THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional features of THE AMERICAN PAGEANT help you understand and master the content: chapter-ending chronologies provide a context for the major periods in American history, while other features present global context and key historical figures for analysis. Available in the following split options: CENGAGE ADVANTAGE BOOKS: THE AMERICAN PAGEANT, Fifteenth Edition Complete, Volume 1: To 1877, and Volume 2: Since 1865. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A Memoir Samuel French, Inc.

Criticizes the way history is presented in current textbooks, and suggests a more accurate approach to teaching American history. *American History* Candlewick Press (MA)

The new edition of American Pageant, the leading program for AP U.S. history, now reflects the redesigned AP Course and Exam that begins with the 2014-2015 school year. The 16th edition helps prepare students for success on the AP Exam by 1) helping them practice historical thinking skills, pulling together concepts with events, and 2) giving them practice answering questions

modeled after those they'll find on the exam. The new edition adds a two-page opener/preview to every chapter, guiding students through the main points of the chapter and using questions and elements tied to the AP Curriculum Framework to help them internalize the chapter more conceptually. Also new are additional End-of-Part multiple-choice and short answer questions reflecting the changes to the exam. Practice DBQs and other free response essay questions will still be found at the back of the book.

The Native Population of the Americas in 1492 Stanford University Press

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass*
The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

Test Preparation John Wiley & Sons

"Soul-stretching, breathtaking...A game-changing gift to readers." —Booklist (starred review) From Chloé Cooper Jones—Pulitzer Prize finalist, philosophy professor, Whiting Creative Nonfiction Grant recipient—a groundbreaking memoir about disability, motherhood, and a journey to far-flung places in search of a new way of seeing and being seen. "I am in a bar in Brooklyn, listening to two men, my friends, discuss whether my life is worth living." So begins Chloé Cooper Jones's bold, revealing account of moving through the world in a body that looks different than most. Jones learned early on to factor "pain calculations" into every plan, every situation. Born with a rare congenital condition called sacral agenesis which affects both her stature and gait, her pain is physical. But there is also the pain of being judged and pitied for her appearance, of being dismissed as "less than." The way she has been seen—or not seen—has informed her lens on the world her entire life. She resisted this reality by excelling academically

and retreating to "the neutral room in her mind" until it passed. But after unexpectedly becoming a mother (in violation of unspoken social taboos about the disabled body), something in her shifts, and Jones sets off on a journey across the globe, reclaiming the spaces she'd been denied, and denied herself. From the bars and domestic spaces of her life in Brooklyn to sculpture gardens in Rome; from film festivals in Utah to a Beyoncé concert in Milan; from a tennis tournament in California to the Killing Fields of Phnom Penh, Jones weaves memory, observation, experience, and aesthetic philosophy to probe the myths underlying our standards of beauty and desirability, and interrogates her own complicity in upholding those myths. With its emotional depth, its prodigious, spiky intelligence, its passion and humor, *Easy Beauty* is the rare memoir that has the power to make you see the world, and your place in it, with new eyes. Lose Weight and Transform Your Health with the Power of Essential Oils and Bioactive Foods Cengage Learning
Since its original landmark publication in 1980, *A People's History of the United States* has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, *A People's History* is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, *A People's History of the United States*, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

The American Yawp Samuel French, Inc.

Study guide and review for Advanced Placement United States History for the student serious about doing well in the course. It serves as a great resource either while going through the course, or at the end of the course as a review before the AP exam. This book is directly aligned with "American Pageant" (15th Edition) so the student will do as well as possible during the course. Included are detailed outlines. The outlines link directly to each chapter and to each chapter's sub-sections, thus making it great for a student taking U.S. History and using Bailey and Kennedy's "American Pageant" as his or her main text and who strives to excel in the course. Note: this is the ebook/epub/ipad version.

The Brief American Pageant Cengage Learning
Kaplan's, 5-Steps, Crash Course and other review books are great resources for that last month before the exam, but Tamm's Textbook Tools student activity books are meant to be an accompaniment all year long. This AP* U.S. History companion is filled with vocab and assignments that follow the Kennedy/Cohen fifteenth edition for all 42 chapters. They can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook. Teachers can copy at will, or the book can be used as a student consumable. As publishers began putting their content online, a niche for traditional classwork was opened, a void filled by this series. And whether the textbook itself is written in ink or electrons, many students still find it more valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, and diagram every chapter. Find TTT on FB.
