The Writer's Presence  
Bedford/St. Martin's  
We take for granted  
the idea that white,  
middle-class, straight  
masculinity connotes  
total control of  
emotions, emotional  
inexpressivity, and  
emotional isolation.  
That men repress their  
feelings as they seek  
their fortunes in the  
competitive worlds of  
business and politics  
seems to be a given.  
This collection of  
essays by prominent  
literary and cultural  
critics rethinks such  
commonly held views  
by addressing the  
history and politics of  
emotion in prevailing  
narratives about

masculinity. How did  
the story of the  
emotionally stifled U.S.  
male come into being?  
What are its political  
stakes? Will the  
"release" of straight,  
white, middle-class  
masculine emotion  
remake existing forms  
of power or reinforce  
them? This collection  
forcefully challenges  
our most entrenched  
ideas about male  
emotion. Through  
readings of works by  
Thoreau, Lowell, and  
W. E. B. Du Bois, and of  
twentieth century  
authors such as  
Hemingway and  
Kerouac, this book  
questions the  
persistence of the  
emotionally alienated  
male in narratives of  
white middle-class  
masculinity and  
addresses the political

and social implications of male emotional release.

Manual 4e Bedford/St. Martin's

With 50 very brief readings — all new to this edition — from over 35 very recent periodicals and student newspapers on 12 topics of current interest, *America Now* reflects what students are talking and writing about right now. A key challenge in the first-year composition course is to inspire students as readers and to spark the kind of thoughtful classroom discussion that leads to solid academic writing. As series editor of *The Best American Essays*, Robert Atwan constantly scours a wide range of print and online periodicals,

bringing to America Now an unrivaled awareness of the best writing on today's hottest issues — and the editorial support students need to approach it. To make these issues especially relevant for students, Atwan also explores hundreds of campus newspapers on the Internet to find the best student writing on current topics. These models by their peers from across the country show students that they, too, can share ideas through their own discussion and writing.

Writer's Presence

Bedford/st Martins

With hundreds of pages of new and previously unpublished essays, notes, and letters, *Donald Judd Writings* is the most comprehensive

collection of the artist's writings assembled to date. This timely publication includes Judd's best-known essays, as well as little-known texts previously published in limited editions. Moreover, this new collection also includes unpublished college essays and hundreds of never-before-seen notes, a critical but unknown part of Judd's writing practice. Judd's earliest published writing, consisting largely of art reviews for hire, defined the terms of art criticism in the 1960s, but his essays as an undergraduate at Columbia University in New York, published here for the first time, contain the seeds of his later writing, and allow readers to trace the development of his critical style. The

writings that followed Judd's early reviews are no less significant art-historically, but have been relegated to smaller publications and have remained largely unavailable until now. The largest addition of newly available material is Judd's unpublished notes—transcribed from his handwritten accounts of and reactions to subjects ranging from the politics of his time, to the literary texts he admired most. In these intimate reflections we see Judd's thinking at his least mediated—a mind continuing to grapple with questions of its moment, thinking them through, changing positions, and demonstrating the intensity of thought that continues to make Judd such a formidable

presence in contemporary visual art. Edited by the artist's son, Judd Foundation curator and co-president Flavin Judd, and Judd Foundation archivist Caitlin Murray, this volume finally provides readers with the full extent of Donald Judd's influence on contemporary art, art history, and art criticism.

Each of the 123 essays, ten short stories, and 24 interviews in *The Writer's Presence* offers a strong example of a unique writer's voice or "presence" -- a quality most instructors try to cultivate in their students' writing.

Arranged alphabetically by author and by types of writing -- informal expression, the personal essay, expository essay, argumentative essay, and fiction -- the selections offer instructors a generous pool of memorable readings presented in a way that allows for a wide variety of approaches. A thematic table of contents at the front of the book demonstrates both the range of disciplines covered by the essays and the many connections to be made among them. Writer's Presence 5e + Pocket Style Manual 5e Macmillan Higher Education  
Have you settled for far less of God than He wants to reveal? Do you feel close to God in

your everyday life . . . or does He too often seem distant and silent? Maybe, like many Christians, you live somewhere between those two extremes. You occasionally sense God's presence, but at other times feel as if He's a million miles away. The wonder of closeness with God is available to you here and now. In *The Presence*, Alec Rowlands reveals the ways God makes His presence known, how you can prepare for it, and how experiencing it will transform everything. As you draw near to God—as you are consumed by His love and your life is rearranged by His grace—you'll find fulfillment, purpose, and an unmatched sense of adventure. If

you're feeling a hunger for more of God, you are already on your way to discovering: He is good. He is powerful. He is here.

#### America Now

*Bedford/st Martins Presence*, the Play offers a penetrating perspective on the vital role personal presence plays in the essence of life. This timely, captivating novel speaks to a growing hunger for a way of life that's real and tangible, the opposite of an artificial existence lived in a realm of mediated connectivity. The protagonist of *Presence*, the Play is a playwright and monk named Script who lives on the Isle of Estillyen. On the opening night of *Presence*, Script's long-awaited play, he suffers a devastating

fall in the theatre balcony and lapses into a prolonged coma. The novel plays out in Script's comatose state. Presence, the Play offers a meticulously crafted storyline evoking the imaginative prose of J. R. R. Tolkien, the spirited perception of C. S. Lewis, and the dramatic flair of Dante's Divine Comedy. Readers will join Script on an epic mission to save the Isle of Estillyen from the forces of darkness, experiencing many daunting adventures along the way.

The readings in The Writer's Presence are selected exclusively for

the quality of the writing. Editors Donald McQuade of the University of California, Berkeley, and Robert Atwan, Series Editor of The Best American Essays scoured hundreds of essays in search of teachable readings with strong voices and clear points of view. The result is a blend of classic pieces by favorites like James Baldwin, Annie Dillard, and Amy Tan; and fresh pieces by rising stars like Michael Pollan, Geeta Kothari, James McBride, and Daniel Harris. The voices in The Writer's Presence represent different communities, time periods, levels of difficulty, and fields of study, and the topics intersect in intriguing and nuanced ways, giving students the opportunity to think

critically and develop their own voices. Organized by type of writing and with minimal apparatus, The Writer's Presence gives instructors unsurpassed teaching flexibility. With so many exceptional readings and so many ways to teach them, the possibilities are endless.

The first full-color composition reader truly to reflect visual culture, *Seeing & Writing* is based on a simple principle: Careful seeing leads to effective writing. Students actively and critically see the details of each verbal and visual text, think

about its composition and the cultural context within which it operates, and then write thoughtfully and convincingly about it. With a new look, new features, and new essays and images, *Seeing & Writing 4* continues to lead the way — as a visual, flexible, and above all, inspiring tool for the composition classroom.
