With the help of a #1 New York Times bestselling author and finance expert, set your finances right with these updated tactics and practices Dave Ramsey knows what it's like to have it all. By age twenty-six, he had established a four-million-dollar real estate portfolio, only to lose it by age thirty. He has since rebuilt his financial life and, through his workshops and his New York Times business bestsellers *Financial Peace* and *More than Enough*, he has helped hundreds of thousands of people to understand the forces behind their financial distress and how to set things right—financially, emotionally, and spiritually. In this new edition of *Financial Peace*, Ramsey has updated his tactics and philosophy to show even more readers:

- how to get out of debt and stay out
- the KISS rule of investing—"Keep It Simple, Stupid"
- how to use the principle of contentment to guide financial decision making
- how the flow of money can revolutionize

relationships With practical and easy to follow methods and personal anecdotes, *Financial Peace* is the road map to personal control, financial security, a new, vital family dynamic, and lifetime peace.

You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In *Baby Steps Millionaires*, you will . . .

*Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth *Learn how to bust

through the barriers preventing them from becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you *Baby Steps* Millionaires isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the *Baby Steps* is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

Real Life on a Budget Harriman House Limited From two leaders of the FIRE (Financial Independence, Retire Early) movement, a bold, contrarian guide to retiring at any age, with a reproducible formula to financial independence A bull***t-free guide to growing your wealth, retiring early, and living life on your own terms Kristy Shen retired with a million dollars at the age of thirty-one, and she did

it without hitting a home run on the stock market, starting the next Snapchat in her garage, or investing in hot real estate. Learn how to cut down on spending without decreasing your quality of life, build a million-dollar portfolio, fortify your investments to survive bear markets and black-swan events, and use the 4 percent rule and the Yield Shield--so you can quit the rat race forever. Not everyone can become an entrepreneur or a real estate baron; the rest of us need Shen's mathematically proven approach to retire decades before sixty-five. *The Index Card* Ramsey Solutions Incorporated Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction

Junior's Adventures

Storytime Collection: Learn the Values of Hard Work and Integrity Right Along with Junior! Thomas Nelson

IT'S NEVER TOO EARLY TO TEACH YOUR KIDS ABOUT MONEY How soon should you be having money conversations with your kids? As soon as possible! And the easiest way to do that is through entertaining stories. That's why Dave Ramsey created the Junior's Adventures Storytime Collection. Starting Over

Independently Published
Written by a practicing emergency physician, *The White Coat Investor* is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate

planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a "Backdoor Roth IRA" and

"Stealth IRA" to boost your retirement funds and decrease your taxes
 Protect your hard-won assets from professional and personal lawsuits
 Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die
 Minimize your tax burden, keeping more of your hard-earned money
 Decide between an employee job and an independent contractor job
 Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation

The Total Money Makeover: Classic Edition
 Thomas Nelson
 Get Rich, Don't Bitch Today, more than ever before, wealth is something every woman has the power to create. Yet Jean Chatzky constantly hears all the excuses why women can't and don't master their money. Now, she reveals the secrets and the strategies she created to take control of her own money—strategies through which she gained her

"money confidence." It's time for you to find yours!
 In *Make Money, Not Excuses* Jean shares these valuable lessons: • Where to start • How to get over your "I'm not smart enough to deal with money" feelings • Why being a "good-enough investor" will make more money for you in the long-term (while trying to be a "great investor" will drive you crazy) • How (and where) to save your money • Why women make better investors--and higher returns--than men • How to track where you're overspending • How to pay off your debt
 Jean is unsurpassed in her ability to explain money and investing in simple, straightforward ways. Here she breaks down the scariest parts of dealing with money—from investing in stocks to saving for your retirement—and makes them practical, easy, empowering, and, yes, even enjoyable. This is your road map to real wealth. "Chatzky writes like the smart, candid best friend you wish you had." -Newsweek

Make Money, Not Excuses Penguin

The book *Starting Over* is the product of consumer demand. Dave Ramsey's Debtor Education (DRDE) provides pre-discharge financial education to debtors filing Chapter 7 and 13 bankruptcy as mandated by the United States Trustee, delivered to its users by their attorneys. Many of those attorneys have asked that DRDE provide something to help discharged debtors avoid the pitfalls they'll face as they leave the Bankruptcy Court's jurisdiction and their lawyers' protection and return to the real world. *Starting Over* begins with the moving story of the Director of Dave Ramsey's Debtor Education. He has been through the trenches and has great empathy for those who have to start over, as he did himself. This chapter reinforces the credibility of those who are offering this advice. After that the chapters are divided into several sections designed to track the debtors'

progress, beginning with the days after discharge. It begins with a "To-Do List" of issues that should be addressed right away--the sooner the better--listed in more or less chronological order. Some of these may seem obvious--secure your home, don't go into debt for anything, cut up credit cards, etc.--but in truth, many people who have no history of fiscal responsibility need elementary guidance and a dose of hope in their effort to change their behaviors. The next several chapters make up what is called the "Next Steps." These are matters which will take longer, and about which one may need to do some serious planning. This includes finding a career that really fits, setting short term and long term goals, working on the attitudes and behaviors that caused the bankruptcy, making sure you have the right insurance protection, to name a few. Finally there is a section entitled "Advice for Moving Forward." In addition to some real-life suggestions and examples from successful bankruptcy lawyers, this part deals with major decisions such as renting versus buying, what to do about an

upside-down car or home, the arguments against cosigning, and--hopefully unnecessary--dealing with collectors and creditors.

The Bogleheads' Guide to Investing Money

Resolution Publishing
Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.¹ Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In *Debt-Free Degree*, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: *How to prepare their child for college *Which classes to take in high school *How and when to take the ACT and SAT *The right way to do college visits *How to choose a major A college education is supposed to

prepare a graduate for their future, not rob them of their paycheck and freedom for decades. Debt-Free Degree shows parents how to pay cash for college and set their child up to succeed for life.

Simon and Schuster Journal your way to contentment in just 90 days. #1 New York Times best-selling author Rachel Cruze guides you on a 90-day journey toward contentment—one where you actually love your life and not someone else's. Let's be honest: We've all compared ourselves to others. You scroll through social media and see someone's latest vacation and think, "Must be nice..." Just like that, you feel like your life isn't

good enough. Rachel knows the struggle is real because she's experienced the same thing. So, she created a 90-day journal to help you stop comparing your life to others and be happier than you've ever been.

The Contentment Journal is divided into 30-day increments: The first 30 days focus on gratitude - where you'll recognize the blessings in your life. The next 30 days focus on humility - where you'll think of others more and of yourself a little less. The last 30 days focus on contentment - where you'll be happy for others and not want what they have. Study after study backs up that your relationships, health, decision-making skills, kindness, and even sleep can get better with gratitude. The Contentment Journal will help you grow and change in ways you can't yet imagine. Through personal stories and daily writing prompts, Rachel will guide you day by day, week by week to feeling more thankful.

Motivational quotes and reflection pages will encourage you to keep going! If you give Rachel 5-10 minutes a day for 90 days, she'll help you adjust your whole outlook,

so you avoid the comparisons and experience lasting contentment.

The Great Misunderstanding Junior's Adventures

The Life Lessons with Junior series is a four book series created to teach basic principles about money and, yes, life to children of all ages. From working and saving, to giving and spending, these wonderful stories will teach real life 'stuff' and the stories are so fun, children won't even know they're learning. The second of four books in the Life Lessons with Junior series teaches children how to spend. Careless at the Carnival will teach children to make a plan for spending their money by dividing their money into spending categories. Each book in the Life Lessons with Junior series has practical tips for parents to use as they teach their children these life-changing principles.

It's not about doing more. IT'S ABOUT DOING WHAT MATTERS. As a busy mom with three young kids and a career, #1 national bestselling author Christy Wright knows what it's like to try to do it all and be stretched too thin. After years of running on empty, she realized she had to do something different. It wasn't just a matter of saying no to a few things. She had to figure out why she felt overwhelmed, overcommitted, and out of balance. Here's what she discovered: Life balance isn't something you do. It's something you feel. The great news is you can feel balanced — even in your busy life. In *Take Back Your Time*, Christy redefines what balance is and reveals the clear path to actually achieve it. You'll learn how to: Identify what balance looks like in your unique situation and season. Find confidence in the choices that are right

for you. Feel peace even during chaotic times. Learn how to be present for your life and actually enjoy it! You weren't created to live busy and burnt out, unhappy and unfulfilled. You shouldn't be haunted by some elusive idea of balancing it all. There's more for you right now. Today. And it starts with taking back your time the guilt-free way.

THE MEANINGFUL MONEY HANDBOOK CreateSpace

Right now, 70% of Americans aren't passionate about their work and are desperately longing for meaning and purpose. They're sick of "average" and know there's something better out there, but they just don't know how to reach it. One basic principle—The Proximity Principle—can change everything you thought you knew about pursuing a career you love. In his latest book, *The Proximity Principle*, national radio host and career expert Ken Coleman provides a simple plan of how positioning yourself near the right people and places can help you land the job you love. Forget the traditional career advice you've heard! Networking, handing out business cards, and

updating your online profile do nothing to set you apart from other candidates. Ken will show you how to be intentional and genuine about the connections you make with a fresh, unexpected take on resumes and the job interview process. You'll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill. After reading *The Proximity Principle*, you'll know how to connect with the right people and put yourself in the right places, so

opportunities will come—and you'll be prepared to take them. *The Money Class* Ramsey Press
 When you hear the word retirement, you probably don't imagine yourself scrambling to pay your bills in your golden years. But for too many Americans, that's the fate that awaits unless they take steps now to plan for the future. Whether you're twenty five and starting your first job or fifty five and watching the career clock start to wind down, today is the day to get serious about your retirement. In *Retire*

Inspired, Chris Hogan teaches that retirement isn't an age; it's a financial number an amount you need to live the life in retirement that you've always dreamed of. With clear investing concepts and strategies, Chris will educate and empower you to make your own investing decisions, set reasonable expectations for your spouse and family, and build a dream team of experts to get you there. You don't have to retire broke, stressed, and working long after you want to. You can retire inspired!
