FERNANDA HOPE

The Friendship Penguin
Another powerful story in the Logan Family Saga and companion to Mildred D. Taylor's Newbery Award-winning *Roll of Thunder, Hear My Cry*. With the depression bearing down on her family, there isn't much that Cassie Logan can

count on anymore. But there is one thing that hasn't changed—the whispering trees outside her window. Cassie's trees, which have stood for centuries, are a great source of comfort to her. But they are also worth a lot of money. With Cassie's daddy gone to lay tracks for the railroad, it seems like no one can stop Mr. Andersen from forcing Big Ma to sell their valuable trees. How can

Cassie sit by and watch them disappear? The beloved heroine of *Roll of Thunder, Hear My Cry* enchants us again in this story of strength and pride. "A triumphant book...A true story truly told."—The New York Times Book Review
The Land Penguin
After the Civil War Paul, the son of a white father and a black mother, finds himself caught between the two worlds of colored

Let the Circle Be

Unbroken Penguin

Another powerful story in the Logan Family Saga and companion to Mildred D. Taylor's Newbery Award-winning *Roll of Thunder, Hear My Cry*. A drive South becomes dangerous for 'lois and her family. 'Lois and Wilma are proud of their father's brand-new gold Cadillac, and excited that the family will be driving it all the way from Ohio to Mississippi. But as they

travel deeper into the rural South, there are no admiring glances for the shiny new car; only suspicion and anger for the black man behind the wheel. For the first time in their lives, Lois and her sister know what it's like to feel scared because of the color of their skin. "A personal, poignant look at a black child's first experience with institutional racism."--The New York Times
Song of the Trees Puffin Books

A new edition of this award-winning modern

classic, with an introduction by Tayari Jones (*An American Marriage*), an excerpt from the never before seen follow-up, and discussion guide.
Pakersfield, Georgia, 1958: Thirteen-year-old Tangy Mae Quinn is the sixth of ten fatherless siblings. She is the darkest-skinned among them and therefore the ugliest in her mother, Rozelle's, estimation, but she's also the brightest. Rozelle—beautiful, charismatic, and light-skinned—exercises a

violent hold over her children. Fearing abandonment, she pulls them from school at the age of twelve and sends them to earn their keep for the household, whether in domestic service, in the fields, or at “the farmhouse” on the edge of town, where Rozelle beds local men for money. But Tangy Mae has been selected to be part of the first integrated class at a nearby white high school. She has a chance to change her life, but can she break from Rozelle’s grasp without

ruinous—even fatal—consequences?

The everyday power of prayer comes to life in this inspirational picture book written by twelve-year-old budding singer Emme Muñiz. We all have moments every day where we can use a little help. Some are small, like waking up for school or getting along with a sibling. Others are big, like helping to save the planet and all its creatures—especially sloths! But asking God for

help always brings us the strength to get through anything. Emme Muñiz shares her own daily prayers to offer families a way to embrace the peace and power of everyday faith.

No Man's Land Penguin
Another powerful story in the Logan Family Saga and companion to Mildred D. Taylor's Newbery Award-winning *Roll of Thunder, Hear My Cry*. Cassie Logan and her brothers have been warned never to go to the Wallace store. So they know to expect trouble

The year is 1933, the place is Mississippi, and any child knows that some things just aren't done. Can a shared past between the two men make a difference? "A powerful story...Readers will be haunted by its drama and emotion long after they have closed the book."—Booklist

Let the Circle Be

Unbroken Flatiron Books:

An Oprah Book
The saga of the Logan family--made famous in the Newbery Medal-winning *Roll of Thunder, Hear My Cry*--concludes in a deeply fulfilling story, now available in paperback. In her tenth book, Mildred Taylor completes her sweeping saga about the Logan family of Mississippi, which is also the story of the civil rights movement in America of the 20th century. Cassie Logan, first met in *Song of the Trees* and *Roll of Thunder, Hear My Cry*, is a young

woman now, searching for her place in the world, a journey that takes her from Toledo to California, to law school in Boston, and, ultimately, in the 60s, home to Mississippi to participate in voter registration. She is witness to the now-historic events of the century: the Great Migration north, the rise of the civil rights movement, preceded and precipitated by the racist society of America, and the often violent confrontations that brought about change.

Rich, compelling storytelling is Ms. Taylor's hallmark, and she fulfills expectations as she brings to a close the stirring family story that has absorbed her for over forty years. It is a story she was born to tell.

Little, Brown Books for Young Readers

The stunning repackaging of a timeless Newbery Award Winner, with cover art by two-time Caldecott Honor Award winner Kadir Nelson! With the land to hold them together, nothing can tear the

Logans apart. Why is the land so important to Cassie's family? It takes the events of one turbulent year—the year of the night riders and the burnings, the year a white girl humiliates Cassie in public simply because she is black—to show Cassie that having a place of their own is the Logan family's lifeblood. It is the land that gives the Logans their courage and pride, for no matter how others may degrade them, the Logans possess something no one can take away. "[Taylor]

writes not with rancor or bitterness of indignities, but with pride, strength, and respect for humanity."—The New York Times Book Review "The vivid story of a black family whose warm ties to each other and their land give them strength to defy rural Southern racism during the Depression . . . Entirely through its own internal development, the novel shows the rich inner rewards of black pride, love, and independence despite the certainty of outer defeat."—Booklist,

Roll of Thunder, Hear My Cry (Puffin Modern Classics) Chicken House "Insightful, emotional, and enraging. By sharing his story in gripping detail, Michael Tubbs embodies an old feminist tradition whereby the personal is

political. He empowers us to fight for equal opportunities for our communities, and encourages us to amass the courage to overcome loss and injustice."
 —Ibram X. Kendi, National Book Award-winning author of *Stamped from the Beginning* and *How to Be an Antiracist* The making of a visionary political leader—and a blueprint for a more equitable country "Don't tell nobody our business," Michael Tubbs's mother often told him growing up. For Michael, that meant a

lot of things: don't tell anyone about the day-to-day struggle of being Black and broke in Stockton, CA. Don't tell anyone the pain of having a father incarcerated for 25 years to life. Don't tell anyone about living two lives, the brainy bookworm and the kid with the newest Jordans. And also don't tell anyone about the particular joys of growing up with three "moms"—a Nana who never let him miss church, an Auntie who'd take him to the library any time, and a mother, "She-

Daddy", who schooled him in the wisdom of hip-hop and taught him never to take no for an answer. So for a long time Michael didn't tell anyone his story, but as he went on to a scholarship at Stanford and an internship in the Obama White House, he began to realize the power of his experience, the need for his perspective in the halls of power. By the time he returned to Stockton to become, in 2016 at age 26, its first Black mayor and the youngest-ever mayor of a

major American city, he knew his story meant something. *The Deeper the Roots* is a memoir astonishing in its candor, voice, and clarity of vision. Tubbs shares with us the city that raised him, his family of badass women, his life-changing encounters with Oprah Winfrey and Barack Obama, the challenges of governing in the 21st century and everything in between—en route to unveiling his compelling vision for America rooted in his experiences in his hometown.

 Another powerful story in the Logan Family Saga and companion to Mildred D. Taylor's Newbery

Award-winning Roll of Thunder, Hear My Cry. A day of conflict and tragedy. Jeremy Simms watches from the porch of the general store as the weekly bus from Jackson comes through his town. His neighbor Stacey Logan and Stacey's brothers and sister are there to see their grandmother off on a trip. Jeremy's friend Josias Williams is taking the bus to his new job. But Josias and the Logans are black, and in Mississippi in the 1930s, black people can't ride the bus if that means

there won't be enough room for white people to ride. When several white passengers arrive at the last minute, the driver sends Josias and Stacey's grandmother off the bus. Then comes a terrifying moment that unites all the townspeople in a nightmare that will change their lives forever. Here are the never-before told stories of Taylor's background, childhood, family history, and political experience as a member of the Black Studies program at the University of Colorado (which she helped to found) in the late 1960s. It is from these experiences that she takes her stories, and using the storytelling talents of her family, brings to life the characters that came alive in her own head when she was a child. As readers we benefit from

the product of Taylor's life - her writing; now Presenting Mildred D. Taylor allows us to explore the process as well.

Paul-Edward is the son of a wealthy white plantation owner and a former slave mother. Though his heritage is not unusual, for it is the time of the American Civil War, his upbringing is. His father makes sure that he and his sister enjoy many of the same privileges as their white half-brothers. Paul-Henry dreams of owning land every bit as good as his father's and, after a rash act of rebellion, leaves his family and vows to succeed on his own. Life is difficult for a young

black person in 1880s Mississippi but Paul-Edward discovers his own strength, makes true friendships and even falls in love as he eventually fulfils his dream. Paul-Edward is the grandfather of Cassie Logan, the heroine of ROLL OF THUNDER, HEAR MY CRY and its sequels.

The Darkest Child Penguin
The story of one African-American family fighting to stay together and

strong in the face of brutal racist attacks, illness, poverty, and betrayal in the Deep South of the 1930s. The Land Penguin
Set in France during World War I, No Man's Land pulls us into the lives of the young men of the Newfoundland Regiment as they prepare to set out for the trenches and what will come to be known as the Battle of the Somme. A classic war novel, the book is equally

effective in its portrayal of the camaraderie and unnatural quiet before the storm, as in its graphic account of the fight to make it through the barbed wire and sweep of machine-gun bullets. Two hundred and seventy-two Newfoundlanders who went over the top on July 1, 1916 were killed. No regiment suffered more casualties. It was the single greatest disaster in the island's history.
