Mad Frank's Diary Simon and Schuster

Behold: the Holy Diver graphic novel – an original storyline inspired by one of heavy metal’s most iconic album covers. Penned by acclaimed horror comics writer Steve Niles (30 Days of Night), the book will tell the tale behind the events leading to the powerful moment captured on the cover of Dio's debut album—definitively addressing 30 years of fan speculation. Why is the priest being thrown into the ocean? Who is truly the villain in this scenario?

Cypress Hill Tres Equis Z2 Comics

A personal introspective by the influential pop songwriter and performer traces his Liverpool upbringing, artistic influences, creative pursuit of original punk sounds, and emergence in the MTV world.

It's So Easy Hay House, Inc

****THE INTERNATIONAL BESTSELLER**** Magnus Walker is one of life’s originals. Serial entrepreneur, fashion designer, TV presenter, motivational speaker and one of the world’s most prolific Porsche collectors, the dreadlocked, tattooed hoarder of individual creativity is a very modern incarnation of success. Raised in the urban decay of Thatcher’s Britain, Sheffield-born Magnus Walker left school with just two O levels and drifted for several years before buying a one-way ticket to America. Now, 30 years and three successful businesses later, by following his instincts, rejecting convention and pursuing his passions Magnus has succeeded against all the odds. Here, for the first time, is the full story of his journey from a Northern steel town to the bright lights of Hollywood, from a boy with little hope to an anti-establishment hero. Along the way we’ll witness his potent combination of inspiration and graft, discover his motivations and his ambitions, and come to understand his philosophy and the keys to his success. Inspiring and exhilarating, URBAN OUTLAW is a compelling tale of succeeding through pure instinct and determination by a man who was brave enough to follow his own

path.

SOCIOLOGY: FAMILY & RELATIONSHIPS. NO MORE GAMES. IT'S TIME FOR THE TRUTH. Neil Strauss made a name for himself advocating freedom, sex and opportunity as the author of The Game. Then he met the woman who forced him to question everything. Neil's search for answers took him from Viagra-laden free-love orgies to sex addiction clinics, from cutting-edge science labs to modern-day harems, and, most terrifying of all, to his own mother. What he discovered changed everything he knew about love, sex, relationships and, ultimately, himself. The Truth may have the same effect on you.

The Dirt Wharncliffe

Step into the booth. Check your judgments at the curtain. Close your eyes. Listen: you can hear the voices of the visitors who sat here before you: some of the most twisted, drug-addled, deviant, lonely, lost, brilliant characters ever to be caught on film. What do you have to offer the booth?

Sekret Machines Book 1: Chasing Shadows Simon and Schuster

An uncensored Hollywood tell-all filled with explicit tales of love, sex, and revenge from the video vixen made famous by Warrant’s rock anthem “Cherry Pie.” Who could forget the sexy “Cherry Pie” girl from hair metal band Warrant’s infamous music video? Bobbie Brown became a bona fide vixen for her playful role as the object of lead singer Jani Lane’s desires. But the wide-eyed Louisiana beauty queen’s own dreams of making it big in Los Angeles were about to be derailed by her rock-and-roll lifestyle. After her tumultuous marriage to Jani imploded, and her engagement to fast-living Mötley Crüe drummer Tommy Lee ended in a drug haze—followed by his marriage later to Pamela Anderson—Bobbie decided it was time Hollywood’s hottest bachelors got a taste of their own medicine. Step one: get high. Step two: get even. In a captivating, completely uncensored confessional, Bobbie explicitly recounts a life among some of the most famous men in Hollywood: Leonardo DiCaprio, Kevin Costner, Mark McGrath, Dave Navarro, Sebastian Bach, Ashley Hamilton, Rob Pilatus of Milli Vanilli, Matthew and Gunnar Nelson, Orgy’s Jay Gordon, and many more. No man was off limits as the fun-loving bombshell

spiraled into excess, anger, and addiction. Bobbie survived the party—barely—and her riveting, cautionary comeback tale is filled with the wildest stories of sex, drugs, and rock and roll ever told.

Slash Gallery Books

This is Gonna Hurt is music, photography, and life through the distorted lens of Nikki Sixx, bassist for heavy metal rock band Mötley Crüe’s and the New York Times bestselling author of The Heroin Diaries. A combination of powerful prose and dramatic photographs, This is Gonna Hurt is an arresting, deeply personal look through the eyes of a real rock star at a stark, post-addiction world.

Emergency Simon and Schuster

The incredible true story of a rock legend. . . Lemmy’s name was synonymous with notorious excess: his blood would have killed another human being. This is the story of the heaviest drinking, oversexed speed freak in the music business. Updated after Lemmy’s untimely death in 2016, White Line Fever offers a sometimes hilarious, often outrageous, highly entertaining ride with the frontman of (what was) the loudest rock band in history. Motörhead stand firm as conquerors of the rock world, their history spanned an incredible forty years and while the Motörhead line-up saw many changes, Lemmy was always the soul of the machine. In the words of drummer Mikkey Dee, ‘Lemmy was Motörhead.’ From playing with local bands in Wales, his early career with the Rocking Vicars, backstage touring with Hendrix, and his time with Hawkwind to creating speed metal and forming the legendary band Motörhead, this is the truly epic finale, and tribute, to Lemmy from those who loved him best.

Dreaming the Beatles Simon and Schuster

A BUSTLE PERFECT VACATION READ USA Today Bestseller From #1 New York Times bestselling author Lisa Jackson comes a new novel of nerve-jangling suspense as a woman haunted by guilt realizes that nothing can be trusted—not even her own memory . . . IF YOU THINK SOMEONE IS OUT TO GET YOU . . . There are people in Edgewater, Oregon, who think that twenty years ago, Rachel Gaston got away with murder. But Rachel still has no idea how a foolish teenaged game turned deadly—or who replaced her soft pellet air gun with a real weapon. When a figure jumped out

at her from the darkness, she fired without thinking. By the time she recognized her half-brother, Luke, it was too late. Blood bloomed around his chest . . . AND SOMEONE REALLY IS . . .

Rachel's horrifying dreams about that night continue. Her anxiety contributed to her divorce from Detective Cade Ryder, though he blames himself too. And now, as Rachel's high school reunion nears, she feels her imagination playing tricks on her. She's sure that there's a hint of unfamiliar cologne in the air. That someone is tailing her car. Watching her home . . . THEN YOU'RE NOT PARANOID . . . She's right to be scared. And as connections surface between a new string of murders and Luke's death, Rachel realizes there's no escaping the past. And the truth may be darker than her worst fears . . .

Meet Me in the Bathroom Echo Point Books & Media, LLC Set against the frenzied world of heavy metal superstardom, the co-founder of legendary Motley Crue offers an unflinching and gripping look at his own descent into drug addiction. When Motley Crue were at the height of their fame, there wasn't a drug Nikki Sixx wouldn't do. He spent days - sometimes alone, sometimes with others addicts, friends and lovers - in a coke- and heroin-fuelled daze. *THE HEROIN DIARIES* reveals Nikki's personal diary entries alongside commentary from the people who know Nikki best including band mates Tommy, Vince and Mick. The book is a candid look at a nightmare come true: a punishing heroin addiction that brought Nikki to the edge of losing his talent, his career, his family and finally to a near-fatal overdose which left him clinically dead for a few minutes before being revived. Brutally honest, utterly riveting and shockingly moving, *THE HEROIN DIARIES* follows Nikki during the year he plunged to rock bottom and his courageous decision to pick himself up and start living again.

Unfaithful Music & Disappearing Ink Simon and Schuster NEW YORK TIMES BESTSELLER • For the first time in decades comes a fresh look at the fabled Tudor dynasty, comprising some of the most enigmatic figures ever to rule a country. "A thoroughly readable and often compelling narrative . . . Five centuries have not diminished the appetite for all things Tudor."—Associated Press In 1485, young Henry Tudor, whose claim to the throne was so weak as to be almost laughable, crossed the English Channel from France at the head of a ragtag little army and took the crown from the family that had ruled

England for almost four hundred years. Half a century later his son, Henry VIII, desperate to rid himself of his first wife in order to marry a second, launched a reign of terror aimed at taking powers no previous monarch had even dreamed of possessing. In the process he plunged his kingdom into generations of division and disorder, creating a legacy of blood and betrayal that would blight the lives of his children and the destiny of his country. The boy king Edward VI, a fervent believer in reforming the English church, died before bringing to fruition his dream of a second English Reformation. Mary I, the disgraced daughter of Catherine of Aragon, tried and failed to reestablish the Catholic Church and produce an heir. And finally came Elizabeth I, who devoted her life to creating an image of herself as Gloriana the Virgin Queen but, behind that mask, sacrificed all chance of personal happiness in order to survive. *The Tudors* weaves together all the sinners and saints, the tragedies and triumphs, the high dreams and dark crimes, that reveal the Tudor era to be, in its enthralling, notorious truth, as momentous and as fascinating as the fictions audiences have come to love. Praise for *The Tudors* "A rich and vibrant tapestry."—*The Star-Ledger* "A thoroughly readable and often compelling narrative . . . Five centuries have not diminished the appetite for all things Tudor."—Associated Press "Energetic and comprehensive . . . [a] sweeping history of the gloriously infamous Tudor era . . . Unlike the somewhat ponderous British biographies of the Henrys, Elizabeths, and Boleyns that seem to pop up perennially, *The Tudors* displays flashy, fresh irreverence [and cuts] to the quick of the action."—Kirkus Reviews "[A] cheeky, nuanced, and authoritative perspective . . . brims with enriching background discussions."—*Publishers Weekly* "[A] lively new history."—Bloomberg
White Line Fever Random House

A breathtaking history of Britain's executioners—from the seventeenth court of King Charles II to the UK's last official hangman of the twentieth century. In 1663, Jack Ketch delighted in his profession and gained notoriety not only because of those he executed—dukes and lords—but for how often he botched the job. Centuries later, in 1965, after nearly six hundred trips to the gallows, Albert Pierrepoint retired as Britain's longest-running executioner. Between them are three hundred years in a fascinating history of crime, and the "turn-off men" who handled the penalties—many of them criminals themselves, doing the

grim work to save their own necks. Britain's Most Notorious Hangmen tells the stories of the men who plied their deadly trade at Tyburn tree or at the scaffolds in the prison yards across the country, including such notable "neck-stretchers" as Throttler Smith and the celebrated James Billington. But true-crime historian Stephen Wade explores the lives and crimes of many of the infamous killers that were hanged, as well. He also sheds light on the changing social norms of the country, and the moral dilemmas that arose for hangmen tasked with performing what was once considered the most crowd-pleasing free "entertainment" ever offered to the public.

This Is Gonna Hurt Simon and Schuster

The New York Times bestseller Nikki Sixx is one of the most respected, recognizable, and entrepreneurial icons in the music industry. As the founder of Mötley Crüe who is now in his twenty-first year of sobriety, Sixx is incredibly passionate about his craft and wonderfully open about his life in rock and roll, and as a person of the world. Born Franklin Carlton Feranna on December 11, 1958, young Frankie was abandoned by his father and partly raised by his mother, a woman who was ahead of her time in some ways and deeply troubled in others. Frankie ended up living with his grandparents, bouncing from farm to farm and state to state. He was an all-American kid-hunting, fishing, chasing girls, and playing football-but underneath it all, there was a burning desire for more, and that more was music. He eventually took a Greyhound bound for Hollywood. In Los Angeles, Frank lived with his aunt and his uncle-the president of Capitol Records. But there was no short path to the top. He was soon on his own. There were dead-end jobs: dipping circuit boards, clerking at liquor and record stores, selling used light bulbs, and hustling to survive. But at night, Frank honed his craft, joining Sister, a band formed by fellow hard-rock veteran Blackie Lawless, and formed a group of his own: London, the precursor of Mötley Crüe. Turning down an offer to join Randy Rhoads' band, Frank changed his name to Nikki London, Nikki Nine, and, finally, Nikki Sixx. Like Huck Finn with a stolen guitar, he had a vision: a group that combined punk, glam, and hard rock into the biggest, most theatrical and irresistible package the world had ever seen. With hard work, passion, and some luck, the vision manifested in reality - and this is a profound true story finding identity, of how Frank Feranna became Nikki Sixx. And it's a road map to the ways you can

overcome anything, and achieve all of your goals, if only you put your mind to it.

MÖTLEY CRÜE - THE DIRT: DECLASSIFIED Harper Collins

'This is one of the most important topics today that seemingly no one is talking about: how men can take care of their emotional health in a 21st century that demands it. Crucial reading for any young or struggling man.' - Mark Manson, #1 New York Times bestselling author of *The Subtle Art of Not Giving a F*ck* At 30 years old, Lewis Howes was outwardly thriving but unfulfilled inside. He was a successful athlete and businessman, achieving goals beyond his wildest dreams, but he felt empty, angry, frustrated, and always chasing something that was never enough. His whole identity had been built on misguided beliefs about what "masculinity" was. Howes began a personal journey to find inner peace and to uncover the many masks that men - young and old - wear. In *The Mask of Masculinity*, Howes exposes: · The ultimate emptiness of the Material Mask, the man who chases wealth above all things; · The cowering vulnerability that hides behind the Joker and Stoic Masks of men who never show real emotion; and · The destructiveness of the Invincible and Aggressive Masks worn by men who take insane risks or can never back down from a fight. He teaches men how to break through the walls that hold them back and shows women how they can better understand the men in their lives. It's not easy, but if you want to love, be loved and live a great life, then it's an odyssey of self-discovery that all modern men must make. This book is a must-read for every man - and for every woman who loves a man.

Black Tooth Grin Da Capo Press

'They call me a madman but compared to Pete Way, I'm out of my league.' - Ozzy Osbourne There are rock memoirs and then there is this one. *A Fast Ride Out of Here* tells a story that is so shocking, so outrageous, so packed with excess and leading to such uproar and tragic consequences as to be almost beyond compare. Put simply, in terms of jaw-dropping incident, self-destruction and all-round craziness, Pete Way's rock'n'roll life makes even Keith Richards's appear routine and Ozzy Osbourne seem positively mild-mannered in comparison. Not for nothing did Nikki Sixx, bassist with LA shock-rockers Motley Crue and who 'died' for eight minutes following a heroin overdose in 1988, consider that he was a disciple of and apprenticed to Way. During a forty-year career as founding member and bassist of the

venerated British hard rock band UFO, and which has also included a stint in his hell-raising buddy Ozzy's band, Pete Way has both scaled giddy heights and plunged to unfathomable lows. A heroin addict for more than ten years, he blew millions on drugs and booze and left behind him a trail of chaos and carnage. The human cost of this runs to six marriages, four divorces, a pair of estranged daughters and two dead ex-wives. Latterly, Way has fought cancer, but has survived it all and is now ready to tell his extraordinary tale. By turns hilarious, heart-rending, mordant, scabrous, self-lacerating, brutally honest and entirely compulsive, *A Fast Ride Out of Here* will be a monument to rock'n'roll debauchery on an epic, unparalleled scale and also to one man's sheer indestructibility.

The Mask of Masculinity Constable

Appetite For Dysfunction is memoir and true story of a free spirit (Vicky Hamilton) who is a small town girl who follows her heart to Hollywood. Hamilton finds success working with the biggest of the notorious bad boy bands of the 80's (Motley Crue, Stryper Poison, Guns N Roses, Faster Pussycat and many more.)

Motley Crue William Morrow Paperbacks

Terrorist attacks. Natural disasters. Domestic crackdowns. Economic collapse. Riots. Wars. Disease. Starvation. What can you do when it all hits the fan? You can learn to be self-sufficient and survive without the system. **I've started to look at the world through apocalypse eyes.** So begins Neil Strauss's harrowing new book: his first full-length worksince the international bestseller *The Game*, and one of the most original-and provocative-narratives of the year. After the last few years of violence and terror, of ethnic and religious hatred, of tsunamis and hurricanes-and now of world financial meltdown-Strauss, like most of his generation, came to the sobering realization that, even in America, anything can happen. But rather than watch helplessly, he decided to do something about it. And so he spent three years traveling through a country that's lost its sense of safety, equipping himself with the tools necessary to save himself and his loved ones from an uncertain future. With the same quick wit and eye for cultural trends that marked *The Game*, *The Dirt*, and *How to Make Love Like a Porn Star*, *Emergency* traces Neil's white-knuckled journey through today's heart of darkness, as he sets out to move his life offshore, test his skills in the wild, and remake himself as a gun-toting, plane-flying, government-defying

survivor. It's a tale of paranoid fantasies and crippling doubts, of shady lawyers and dangerous cult leaders, of billionaire gun nuts and survivalist superheroes, of weirdos, heroes, and ordinary citizens going off the grid. It's one man's story of a dangerous world-and how to stay alive in it. Before the next disaster strikes, you're going to want to read this book. And you'll want to do everything it suggests. Because tomorrow doesn't come with a guarantee...

The First 21 HarperCollins

An NPR Best Book of the Year • Winner of the Virgil Thomson Award for Outstanding Music Criticism "This is the best book about the Beatles ever written" —Mashable Rob Sheffield, the Rolling Stone columnist and bestselling author of *Love Is a Mix Tape* offers an entertaining, unconventional look at the most popular band in history, the Beatles, exploring what they mean today and why they still matter so intensely to a generation that has never known a world without them. *Dreaming the Beatles* is not another biography of the Beatles, or a song-by-song analysis of the best of John and Paul. It isn't another exposé about how they broke up. It isn't a history of their gigs or their gear. It is a collection of essays telling the story of what this ubiquitous band means to a generation who grew up with the Beatles music on their parents' stereos and their faces on T-shirts. What do the Beatles mean today? Why are they more famous and beloved now than ever? And why do they still matter so much to us, nearly fifty years after they broke up? As he did in his previous books, *Love is a Mix Tape*, *Talking to Girls About Duran Duran*, and *Turn Around Bright Eyes*, Sheffield focuses on the emotional connections we make to music. This time, he focuses on the biggest pop culture phenomenon of all time—The Beatles. In his singular voice, he explores what the Beatles mean today, to fans who have learned to love them on their own terms and not just for the sake of nostalgia. *Dreaming the Beatles* tells the story of how four lads from Liverpool became the world's biggest pop group, then broke up—but then somehow just kept getting bigger. At this point, their music doesn't belong to the past—it belongs to right now. This book is a celebration of that music, showing why the Beatles remain the world's favorite thing—and how they invented the future we're all living in today.

The Truth Random House

Cypress Hill is considered the first-ever Latin American hip hop

group, and has sold over 20 million albums to date, with this graphic novel release timed to their 30th anniversary and activities and merchandise planned around it. Graphic novel traces the group's origins back to Los Angeles, CA and is set against a backdrop of the turmoil of the LA Riots, making this an all-too-relevant release following the events of 2020 and clashes between police and protestors in the Black Lives Matter movement. Written by former Complex Editor-in-Chief and Def Jam Records executive Noah Callahan-Bever. Feature media coverage in LA Times, NY Times, High Times. Planned regional features across Southern California print and radio outlets, including daily

and weekly publications in Los Angeles, Orange County, and San Diego. 1991: XXX years ago, a trailblazing trio made music history blending East Coast hip-hop fundamentals with West Coast chicano swagger to form a sound all their own. Before they became icons, Louis and Senen were just a couple teenage cholos from around the way, trying to stay out of trouble--Until a series of chance encounters with both sides of the law changed their path forever.

Appetite For Dysfunction Hachette UK

Mötley Crüe's gleeful glam debauchery and unstoppable anthems have made them metal gods, selling over 72 million album copies

worldwide and landing their band biography *The Dirt* on bestseller lists around the country. Mötley Crüe is—amazingly—the first photographic history of the band. Legendary rock photographer Neil Zlozower's images capture the band's rise from their breakthrough album *Shout at the Devil* through rock 'n' roll excesses to follow with the unprecedented all-access candor of a friend to the band. In hundreds of photographs and stories from the band and those close to them, Mötley Crüe reveals them onstage, backstage, on tour, hanging out, and in studio—a must-have album of photos and testimony on one of the most powerful and controversial bands in rock history.
