STOKES GAIGE

35th Anniversary Edition 47North
When a tanker labeled "Ladies Inc." spills

in a rural neighborhood, the authorities ignore it until it's too late. The contents of the spill turn the women of the neighborhood into man-hating, man-killing brutes.

Off Season Penguin

A battle-scarred Vietnam vet has been living alone deep in the woods, but when a group of weekend campers enters the area, his fragile grasp on reality breaks, and he believes he's back in the jungle--surrounded by an enemy he needs to kill. Original.

The Off Season Off Season

Welcome to Hopkins Bend, the remote little Tennessee town where the backwoods inhabitants are cannibals and the local law operates a sex-trafficking ring. Unlucky travelers are frequently ensnared in the town's sinister web.

Some are held captive and tortured while others face even more gruesome fates. And beneath it all is the town's darkest secret, the curse of the depraved and mutated Kincher clan. Includes *Depraved II: The In-Between-Quel*, a short story that reveals the grisly fate of two characters from the novel. The story is as spectacularly gory as the novel itself.

-Barnes & Noble Best Horror Books of 2017 Pick -Runner-up for the American Library Association's Horror Book of 2017 "One of the most enthralling novels I've read in the last ten years. Dubeau is a force to be reckoned with." —Jerry Smith, Fangoria Magazine and Blumhouse.com "This is the page-turner you've been looking for." —Barnes & Noble The village of Saint-Ferdinand has

all the trappings of a quiet life: farmhouses stretching from one main street, a small police precinct, a few diners and cafés, and a grocery store. Though if an out-of-towner stopped in, they would notice one unusual thing—a cemetery far too large and much too full for such a small town, lined with the victims of the Saint-Ferdinand Killer, who has eluded police for nearly two decades. It's not until after Inspector Stephen Crowley finally catches the killer that the town discovers even darker forces are at play. When a dark spirit reveals itself to Venus McKenzie, one of Saint-Ferdinand's teenage residents, she learns that this creature's power has a long history with her town—and that the serial murders merely scratch the surface of a past burdened by evil secrets.

The box is Jack Ketchum's 1994 Bram Stoker Award-winning story. It has been anthologized, reprinted, and now it is available for the first time in digital - along with a brand new afterword by the author.

She Wakes Houghton Mifflin Harcourt

A family of savage murderers preys on unsuspecting tourists on a small island off the coast of Maine.

Dead Sea 47North

The Funland Amusement Park provides more fear than fun these days. A vicious pack known as the Trolls are preying on anyone foolish enough to be alone at night. Folks in the area blame them for the recent mysterious disappearances, and a gang of local teenagers has decided to fight back. But nothing is ever what it seems in an amusement park. Behind the garish paint and bright lights waits a horror far worse than anything found in the freak show. Step right up. The terror is about to begin!

The Lesser Dead Grindhouse Press

When the crew of a lost freighter finds themselves trapped in a gruesome dimension—of sea monsters, ghost ships, and the undead—it is up to them to locate the U.S.S. Lancet and convince a nearly insane physicist to help them return home.

OFF SEASON:35TH ANNIVERSARY EDITION 47North

At the heart of this psychological suspense novel is the haunting depiction of a family's fall and the extraordinary gifted dog, Caity, who knows the truth. As the drama unfolds Caity evolves from protector to savior, from scapegoat to prop, and eventually, from avenger to survivor. She is an unselfish soul in a selfish world—and she is written with depth and grace by authors Ketchum and Mckee, who display a profound understanding of a dog's complex emotions. With her telling instincts and her capacity for joy and transformative love, Caity joins the pantheon of great dogs in contemporary literature. Eleven year old actress Delia Cross is beautiful, talented, charismatic. A true a star in the making. Her days are a blur of hard work on set, auditions and tutors. Her family—driven, pill-popping stage mother Pat, wastrel dad Bart, and introverted twin brother Robbie—depends on her for their upscale lifestyle. Delia in turn depends on Caity, her beloved ginger Queensland Heeler—and loyal friend—for the calming private space they share. Delia is on the verge of a professional breakthrough. But just as the contracts are about to be signed, there is a freak accident that puts Delia in the danger zone with only Caity to protect her.

The Crossings Penguin

Ketchum's classic horror novel about a feral family of cave-dwelling cannibals, first introduced in the popular "Off Season," is now a major motion picture from Ghost House Underground, directed by Andrew van der Houten.
