A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a

dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly

stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time.

To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem. *A Novel* Simon and Schuster

Have you ever wondered why guru advice doesn't work for you? How can you possibly expect miracles in your life when you can't even get through the day? For most of Vitale's career, he's helped people understand how to improve their lives and live their dreams. During that time, he's also encountered many people

who are convinced that it won't work and that all those great and wonderful things that happen to others will never happen for them. The world of self development seems inundated with the idea that positive thoughts will change your life. While that is part of the solution, it is only one part. Vitale believes that positive expectation coupled with action is the real key. A person can try to convince himself that he is happy, but if his mind is filled with counter intentions and self limiting beliefs

that tell him otherwise, he will never make any progress. The only way to truly live one's dreams is to clear away those counter intentions and take total responsibility for one's own happiness. This audio book will teach the listener :

- How his own thoughts and experiences create negative self talk
- How to bring himself to conscious awareness and affect change
- How to be grateful for all the experiences in his life and use them for good
- That we have the power to

choose how we view the circumstances in our lives

- What one tells oneself versus the reality of what is
- How to live and be present in life rather than living in the past or future. This audio book presents the steps that can help the listener find his own inner miracle and will teach him how to expect miracles in his life each and every day.

Expect Miracles "O'Reilly Media, Inc."

The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old

World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and

verses of THE SECRET. Are you smart enough? THE SECRET: A TREASURE HUNT was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match

one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum. *Keeper of the Lost Cities* MIRA Adventure abounds when a toy comes to life in this classic novel!
