When Jason King blew our minds with the first two CANNABIBLE books, we never imagined that the best was still to come. In CANNABIBLE 3, he's back with a whole new crop of marijuana strains, accompanied by informative and entertaining notes on their flavors, aromas, and effects. King heralds the latest achievements in overseas breeding, recommends the best bud for winding down after a stressful day, and discovers a nug that tastes uncannily like tropical Lifesavers candy. Packed with enough mouth-watering photos to induce a contact high, CANNABIBLE 3 is the perfect gift for pot aficionados and a must-have for fans of the first two volumes.

**Weed** Univ of California Press

This is the ultimate guide for cannabis connoisseurs and pot aficionados, as well as bud beginners and nug novices. Danny Danko, the senior cultivation editor of *High Times*, separates the folklore from the facts to get the real scoop on the highest quality sensimilla strains available to ganja growers all over the planet. Breeders from the best seed banks on Earth reveal their secrets to

creating the finest Cannabis Cup champions and annual *High Times* Top Ten Strain Awards winners.

This compendium covers the world's top pot varieties, all meticulously researched and lovingly described in terms ranging from odors and flavors to potency levels and medicinal properties.
