101 Ways To Be Family-Friendly In Youth Ministry Bethany House Publishers
 In *Everyday Sacrament: The Messy Grace of Parenting* Laura Kelly Fanucci sees the Catholic sacraments through the smudged and sticky lens of life with little ones. From dinnertime chaos to bath-time giggles to never-ending loads of laundry, Laura stumbles into the surprising truth of what the seven sacraments really mean: that God is present always, even in the messes of motherhood. A spiritual memoir of parenting's early years and a sacramental theology rooted in family life, *Everyday Sacrament* offers an honest, humorous, and hopeful look at ordinary moments as full of grace.

One of the biggest dangers to the church is the breakdown of the family. It is more important now than it ever has been to have family ministries that meet the needs of its members. After reading this book you will have a good understanding of what is involved in starting a successful family ministry.

No one can deny our culture is opposed to Christian values, and the influences bombarding our children's moral development are difficult to contend with. But few parents and church leaders realize that a child's moral development is set by the age of nine. It is therefore critical to start developing a child's biblical worldview from the very earliest years of life. The problem is complex: parents who themselves did not receive early spiritual training leave their children's training to the church. Yet the church often focuses on older children. The answer is for churches to come alongside parents to provide them biblical worldview training, parenting information, and counseling that will equip them to help their children become the spiritually mature church of tomorrow. This helpful and hopeful book unpacks just how to develop this kind of dynamic church/parent relationship and includes profiles of churches that are effectively ministering to children and winning the war for their hearts and minds.

This Is the Church WorthyKids

Give your church a new twist -- build families up by bringing them together. With these 50 activities, families will learn together, laugh together, and worship together. Rather than scattering families their separate ways, your church can help parents and children grow together. Ideas include learning activities, worship experiences, service, projects, and relationship builders.

Planting a Family-Integrated Church Xulon Press

Families are both a great resource to the church's ministry and in great need of the church's ministry. There are tremendous stresses and changes in families. Business as usual simply will not do. This book sketches a road map that will take American families into a new day in family ministry while grappling with day-to-day challenges.

Our Home Is Like a Little Church Rowman & Littlefield

In 1994, David Hernandez, a small-time drug-dealer in Spanish Harlem, got out of the drug business and turned his life over to God. After he joined Victory Chapel-a vibrant Bronx-based Pentecostal church-he saw his life change in many ways: today he is a member of the NYPD, married, the father of three, and still an active member of his church. David Hernandez is just one of the many individuals whose stories inform *Soul Mates*, which draws on both national surveys and in-depth interviews to paint a detailed portrait of the largely positive influence exercised by churches on

relationships and marriage among African Americans and Latinos-and whites as well. *Soul Mates* shines a much-needed spotlight on the lives of strong and happy minority couples. Wilcox and Wolfinger find that both married and unmarried minority couples who attend church together are significantly more likely to enjoy happy relationships than black and Latino couples who do not regularly attend. They argue that churches serving these communities promote a code of decency encompassing hard work, temperance, and personal responsibility that benefits black and Latino families. Wilcox and Wolfinger provide a compelling look at faith and family life among blacks and Latinos. The book offers a wealth of critical insight into the effect of religion on minority relationships, as well as the unique economic and cultural challenges facing African American and Latino families in twenty-first-century America.

Your Church Can Be-- Family Friendly Zonderkidz

To grow and remain vital, churches need to attract families. But the cultural landscape has changed and any church may have two-parent families with children, blended families, boomerang families, adult children of divorce and their families or lack of families, single adults whose family is the church, grandparents parenting again, childless families, co-habitation families, and children with three legal parents. What ministries are helpful in attracting and keeping families active and engaged in the life and mission of the church? This book will help church pastors and leaders navigate the changing tides in ministry to become the kind of church that families want to attend, where the church's dynamic faith invites families who may then bring their friends. This means reaching out to all kinds of families, some with needs that only a church family can fulfill. With practical helps and suggestions for ministries, worship, small groups, and even facilities, author and family expert Linda Ranson Jacobs will help you create a welcoming place for everyone.

"Here is the church, here is the steeple ... This update to the classic children's rhyme is an introduction to church for a new era, a whirlwind tour through all the wonderful things church can be and do and mean. From megachurches to little chapels to underground meetings, from welcoming to helping to feeding the hungry, church can be and do a lot of things. But ultimately that old rhyme said it best: the church is the people! With gently rhyming text by Sarah Raymond Cunningham and the vibrant and diverse illustrations of Ariel Landy, *This Is the Church* is an ideal gift for baptisms, confirmations, or any occasion in which children are welcomed into the life of the body of Christ. A guide in the back provides updated hand motions to memorize with children"--

GenerationS Volume 1: How to Grow Your Church Younger and Stronger. The Story of the Kids Who Built a World-Class Church Augsburg Fortress Publishers

In *Rufus and Ryan Go to Church!* Ryan explains to his stuffed monkey, Rufus, what is happening as they attend church on Sunday morning. He lets Rufus know when it's time to sing and to pray and to be quiet. About the series: *Rufus and Ryan* is a new series of board books for preschoolers, featuring Ryan, an energetic little boy, and his stuffed monkey Rufus. The series focuses on religious and church concepts, as well as character traits and development. The text is presented in young Ryan's

voice as he teaches Rufus about the things he is learning himself. In about 150 age-appropriate words, author Kathleen Bostrom brings a delightfully light touch to the text as she provides an introduction to practices and experiences that many children are exposed to long before they understand why. And children everywhere will relate to the idea of explaining their surroundings to a favorite companion as they go about their daily activities.

Family Ministry Field Guide B&H Publishing Group

Offers a biblical explanation of what church is, and how it is much more than a building, or somewhere a person goes once a week.

Transforming Children into Spiritual Champions Church Publishing, Inc.

Struggling to offer a children's program that resonates with young families? Finding it difficult to recruit teachers and volunteers for your children's program? Want a children's ministry that is grounded in Christ's foundational teachings and relevant to the experiences of children today? This must-have guide to rethinking your children's ministry is informed and intelligent, with the lighthearted humor so helpful to working with children. Through storytelling, testimonials, and research-based creativity, you'll be inspired and energized to use your church's gifts, your children's interests, and your families' needs to develop a children's ministry that fits your church and the people in it. An appendix includes sample lesson plans, suggested Bible stories and book, and sermons. Colette Potts offers a successful model for a congregation to turn around their children's ministry program to engage the whole congregation in worship, learning, and service while partnering with parents for bridging the formation gap between Sunday morning at church and the rest of the week at home and beyond.

Fun Ideas for the Family-friendly Church Baker Books

How do you plant a church that is family-integrated? How do you start a work that will keep the focus on God and His glory without dividing up the family at the front door? Where do you start if all you have is a deep desire and a tug at your heart and a confidence that God is calling you to do something different and new...and scary? This book is written to answer some of your questions and to confirm your deepest desires to be part of a family-integrated church that is healthy. Planting a Family-Integrated Church picks up where J. Mark Fox's first book, *Family-Integrated Church* left off, and gives you a workbook for change...everything from finding others with the same vision, to training elders, to choosing a name and a location, to keeping the Great Commission, to getting the word out, to dealing with buildings and bank accounts. May God get the glory as He builds His church! J. Mark Fox is the pastor of Antioch Community Church and has taught communications classes at Elon University for 17 years. He writes a weekly column for the *Times-News* of Burlington, NC, which has won three Amy Awards, a national recognition for "thought-provoking, skillful presentation of biblical truth, reinforced with scripture in a mainstream, non-religious publication." Mark is the author of four books, *Who's Afraid of Public Speaking?*, (1998) *Family-Integrated Church* (2006), *Real Life Moments: A Dad's Devotional*. (2008) and *You Can Write!* (2008). Mark and Cindy celebrated 26 years of marriage in June of 2008, and have seven children and one step-daughter: Micah (and Kari), Caleb, Hannah, Luke, Jesse, Judah and Susanna, ages 23 to 9. Mark's passion is preaching and writing, and he is developing a love for competing in triathlons.
