### **Forget Me Not** Yonder

One summer day, Carol is talking to her great niece Ellie about what Ellie's great grandma used to do as a child. Great Grandma spent summers at the shore. Liking what she hears, Ellie wants to go to the shore, too! Carol and Ellie head to the shore together, and while they're there they discover all the wonderful creatures that live at the shore. Ellie finds birds-

pipin plover, least tern, and American oystercatchers-- monarch butterflies, horseshoe crabs, and even a special kind of turtle called a terrapin! "Ellie's Day at the Shore" is an educational and nostalgic story that celebrates the simple joys of a day at the shore. Alongside splendid illustrations, this is the perfect book for children curious about seaside animals and the beach.

More zoo adventures with Ellie the artistic elephant and her animal friends!

*Ellie's New Home* Thinkindom

Ellie Booth was never the type to run away. But she's witnessed her stepfather commit a heartless crime, and, knowing he'll stop at nothing to keep her quiet, she has no choice but to flee. Soon, she finds herself in Wabash, Indiana, scrambling for a cover identity. She answers an ad for a wife/housekeeper/nanny, praying that her lack of experience won't be obvious. With four children between the ages of two and ten, Gage Cooper needs a reliable nanny, yet each one he's hired has thrown up her hands and deserted her post. When an attractive, spirited young woman applies

for the “job,” he knows he should pray about the matter, but his desperation for help propels him headlong into a marriage of convenience. Soon, the “marriage of convenience” becomes less of a business arrangement as husband and wife yield to an attraction neither one had expected. When secrets of the past and dangers of the present arise in their lives, their marriage is put to the test, and God alone knows what will become of their union.

Electronic Content

GINNY is sure the new girl in her second-grade class will be her best friend. After all, Stephanie is Chinese, just like Ginny. But Ginny soon discovers some puzzling things about Stephanie: she doesn't like Chinese food, she hates her straight black hair, and even more surprisingly, her parents are not Chinese. Drawing on Virginia Loh's real life story, the authors poignantly capture Ginny's dilemma as she navigates between her culture and her friendship.

Land of Dreams StarWalk Kids Media

The zoo is closing! Ellie and her friends want to save their home, but Ellie's just a baby elephant, and she doesn't know what

she can do to help. While the other animals are busy working, Ellie finds a brush and some paints, and gives the zoo a big splash of color! Will her bright new talent be enough to keep the zoo's gates open for good? Follow along with word-for-word narration to find out!

It's a Round, Round World! Harper Collins  
How far will Ellie May go for a laugh--and a little revenge--when her class is allowed to celebrate April Fools' Day? Quirky and funny second grader Ellie May can't believe her class is allowed to celebrate April Fools' Day--so long as it's done in good fun. She absolutely loves the idea of targeting a certain someone--the practically perfect Ava. Practicing on her parents and sisters, Ellie May begins to brainstorm harmless pranks. Soon enough, good intentions turn the classroom and her home upside-down when fake ants, trick tape, and hidden surprises don't go as planned. Ellie May may not be perfect like Miss-Know-it-All Ava, or calm and rational like her best friend Lizzy, but she's good-hearted and eventually realizes that the best trick is to make friends genuinely laugh--at no one's expense.

**Pony-Mad Princess** Graphic Arts Books

The true story of Ellie, a formerly abandoned puppy, and her new owner who hike the 2,000 Appalachian Trail and ford rivers, scale rugged cliffs, and survive howling storms. It is a charming story of friendship and teamwork that teaches lessons about courage, determination, trust, and love.

**Ellie Finds a New Home** Nancy Paulsen Books

Valentine's Day is near, and to raise money for a charity called Puppy Love, Ellie persuades the other Critter Club girls to join her in selling and delivering singing telegrams.

**Ellie's Day at the Shore** Turtleback

Since Ellie saved her home with her wonderful paintings, the zoo is back in business and the animals are more energetic than ever. All except for Lucy the giraffe, who hasn't been able to sleep with all the noise. Determined to help her friend, Ellie tries to tone down the ruckus and organizes the animals into an orchestra. But is it possible to conduct the cacophony of the zoo into beautiful music? Praise for Ellie "[Wu's] visual storytelling, rendered in sweet, throwback-style watercolors, shows creativity and poise. . .

**Magnolias, Moonlight, And Murder**

Charlesbridge Publishing

Follows four-year-old Nathan through a day at preschool and encourages toddlers to discuss feelings

*Ellie, Engineer* Candlewick Press (MA)

From master storyteller Bob Graham comes an adorable and affecting tale about imaginary friends and the bittersweet nature of growing up. When Ellie is very small, she finds a lovable newborn dragon on a carton of eggs in the grocery store. Ellie calls him Scratch, takes him home, and moves him into her dollhouse. Her mother can't see Scratch, and her teacher doesn't notice when Ellie brings Scratch to preschool, yet her friends are amazed. Ellie is lucky to have an affectionate, house-trained dragon like Scratch! But dragons get quite large as they grow. And Ellie is growing, too, moving from dollhouses to dance parties, not noticing that Scratch's brilliant green scales are beginning to fade a little. . . . Beloved picture-book creator Bob Graham illustrates the joys of imagination and friendship in this touching story. With his signature gentle wit and warm,

whimsically detailed illustrations, he captures the bond between girl and dragon, as well as the changes that come with time's passage. A wistful, quietly thought-provoking tribute to the friends who appear when we need them most, even if it's just for a little while.

Ellie McDoodle: New Kid in School Future Horizons

A touching and profound tale of friendship, differences, and acceptance from renowned Estonian children's author and illustrator Piret Raud. On the sandy shore of a big sea lived a bird named Ellie who had no voice. "Everything else has a voice," Ellie thought sadly. "The trees rustle. The waves crash. Even the rain sings when it falls." "I'm the only one who can't make a sound." Ellie felt tears well up in her eyes--that's how sad she was to be voiceless. Ellie's life is turned upside down when she finds a curious instrument on the shore that makes the most amazing sound when she blows into it: Trööömmmpffff! Creatures come from near and far to hear Ellie's magnificent new voice. But when Ellie learns that the horn actually belongs to Duke Junior who is desperately unhappy without it, she

goes on an adventure to return the horn to its rightful owner. After days and nights of searching, she finds Duke Junior on an island in the middle of the water. To her surprise and delight, Duke Junior doesn't just toot Trööömmmpffff on the horn... he plays the most beautiful music! Ellie is so happy that Duke Junior has his horn back and can produce such lovely sounds that she's content listening to his tunes and being herself.

**An Ellie Stone Mystery** AuthorHouse

Ellie Pengelly is fed up and bored... until she gets a pair of FANTABULOUS new wellies! When Ellie goes out to explore in her new wellies she jumps into a puddle but before she knows it something jumps out! When the strange Flibberty-Gibberty starts juggling with jam, guzzling and gobbling food, and squeezling toothpaste he makes quite a mess! Will Ellie manage to clean it all up before mum gets home? The author and illustrator pair behind *The Mouse Who Sailed the Seas* team up again in this rollicking, rhyming story with the anarchic energy of Dr Seuss that children will love! A new paperback edition of an Egmont favourite.

**Ellie in Concert** Penguin

Ellie Stone is a professed modern girl in 1960s' New York City, playing by her own rules and breaking boundaries while searching for a killer among the renowned scholars in Columbia University's Italian Department. "If you were a man, you'd make a good detective." Ellie Stone is sure that Sgt. McKeever meant that as a compliment, but that identity-a girl wanting to do a man's job-has throttled her for too long. It's 1960, and Ellie doesn't want to blaze any trails for women; she just wants to be a reporter, one who doesn't need to swat hands off her behind at every turn. Adrift in her career, Ellie is back in New York City after receiving news that her estranged father, a renowned Dante scholar and distinguished professor, is near death after a savage bludgeoning in his home. The police suspect a routine burglary, but Ellie has her doubts. When a second attempt is made on her father's life, in the form of an "accident" in the hospital's ICU, Ellie's suspicions are confirmed. Then another professor turns up dead, and Ellie's investigation turns to her father's university colleagues, their ambitions, jealousies, and secret lives. Ellie embarks on a thorny journey of

discovery and reconciliation, as she pursues an investigation that offers her both a chance at redemption in her father's eyes, and the risk of losing him forever.

**Roll with It** Simon and Schuster Ellie Maust, an Old Order Amish girl growing up in the early 1900s, wishes she could wear bright dresses like her English friend, Missy, and face cream and perfume like their fancy Amish hired girl, Susie Glick. As Ellie helps to care for the new babies in her family, milks cows, and learns to can and garden, she strains against her father's strict ideas and wonders what her future will hold. Along the way, she has adventures, including a sleepover at her English friend's house and a runaway buggy ride. When Ellie's family moves to a new farm, she must take on even more chores and responsibility for her younger siblings. But attending Sunday night singings with the young people in her community and beginning a courtship with kind, gentle David Eash fill Ellie's days with contentment. When tragedy strikes her family, Ellie must find a way to go on. Finding comfort in her Amish faith and her

community, Ellie blossoms into a young woman who dedicates her future plans to God. Book 1 of the Ellie's People: An Amish Family Saga series. The nine books of the Ellie's People series, beloved classics among young and old readers in Amish and Mennonite communities, are now available for today's reader. Author Mary Christner Borntreger grew up Amish and based her novels on events in her Amish childhood. Fans of Laura Ingalls Wilder's Little House on the Prairie series will love learning to know spunky Ellie and her friends and family. What's new in the Ellie's People series: Pennsylvania Dutch glossary at the end of each book A sample chapter from the next book in the series Language and examples updated for today's readers

Echo Mountain Usborne Publishing Ltd Ellie Bean's "dramatic" behaviors--including her sensitivity to noise and displeasure over simple activities--lead her mother to bring Ellie to a specialist, who determines Ellie has sensory issues and teaches her family how to care for them. *Ellie's New Home* MennoMedia, Inc. "Two children are left with strangers while their father leaves to find land and build a

homestead. This gripping story for young readers explores the world of the early settlers" Cf. *Our choice*, 2000.

**Ellie's Haven** Bloomsbury Publishing USA  
 "A big-hearted story that's as sweet as it is awesome." —R.J. Palacio, author of *Wonder* "An honest, emotionally rich take on disability, family, and growing up."  
 —Kirkus Reviews (starred review) In the tradition of *Wonder* and *Out of My Mind*, this big-hearted middle grade debut tells the story of an irrepressible girl with cerebral palsy whose life takes an unexpected turn when she moves to a new town. Ellie's a girl who tells it like it is. That surprises some people, who see a kid in a wheelchair and think she's going to be all sunshine and cuddles. The thing is, Ellie has big dreams: She might be eating Stouffer's for dinner, but one day she's going to be a professional baker. If she's not writing fan letters to her favorite celebrity chefs, she's practicing recipes on her well-meaning, if overworked, mother. But when Ellie and her mom move so they can help take care of her ailing grandpa,

Ellie has to start all over again in a new town at a new school. Except she's not just the new kid—she's the new kid in the wheelchair who lives in the trailer park on the wrong side of town. It all feels like one challenge too many, until Ellie starts to make her first-ever friends. Now she just has to convince her mom that this town might just be the best thing that ever happened to them!

*Ellie Makes a Friend* Holiday House  
 With help from her parents, a forest manager and a wildlife biologist, and in the company of new friend Ricky, eleven-year-old Ellie Homesly fills a field notebook with sketches and notes about nature in the woods near her home. Includes suggestions on how to keep a field notebook. A teacher's guide is available online.

*Ellie's Voice* Macmillan  
 A magical spyglass reveals secrets that will bring four girls together in this new series. Twelve-year-old Ellie is ordinary. Absolutely, positively ordinary. Then her dad's latest community project makes their whole ritzy town, including all of

Ellie's friends, turn against them. Tired of being ostracized, Ellie's family moves to the other side of the state to live in a rickety 100-year-old house complete with a turret--and Ellie swears off friendship forever. That is until Ellie explores the turret and discovers an old-fashioned telescope--a spyglass. When she looks through it, the world she sees isn't the same that's out the window. There's a community center that isn't built yet and her new classmate Alyssa flying around on a broomstick! To figure out what the magical images mean, Ellie recruits other self-described loners, Alyssa and Rachel. When they see a vision of fellow student Kiara playing tag with a tiger and a donkey--they have their first real spyglass secret to solve. The New York Times best-selling author behind the *Gifted* series and the *Replica* books, Marilyn Kaye delivers a story filled with light magic and heart in this first book in the *Spyglass Sisterhood* series. Each girl will take a turn at the spyglass, confronting fears and sticking up for her peers.
