Divine love explores the work of Luce Irigaray from the perspective of religious studies. The book examines the development of religious themes in Irigaray's work from *Speculum of the Other Woman*, in which she rejects traditional forms of western religion, to her more recent explorations of eastern religions. Irigaray's ideas on love, the divine, the ethics of sexual difference and normative heterosexuality are analysed and placed in the context of the reception of her work by secular feminists such as Judith Butler, Drucilla Cornell and Elizabeth Grosz, as well as by feminists in Religious Studies such as Pamela Sue Anderson, Ellen Armour, Amy Hollywood and Grace Jantzen. Finally, Irigaray's own spiritual path, which has been influenced by eastern religions, specifically the disciplines of yoga and tantra in Hinduism and Buddhism, is evaluated in the light of recent theoretical developments in orientalism and postcolonialism.

A Feminist Analysis Skylight Editions

Lust isn't just a guy problem - it's a human problem. And unless we honestly confront it, lust will destroy our relationships and our lives. Joshua Harris, author of the runaway bestseller *I Kissed Dating Goodbye*, calls a generation bombarded with images of sexual sin back to the freedom and joy of holiness. This "PG-rated" book - straightforward without being graphic - speaks to those entrenched in lust or just flirting with temptation. Honestly sharing his own struggles, Harris exposes lust's tactics and helps readers create a personal plan for fighting back. Men and women will find hope in God's grace and learn the secrets to lasting change. Neither sex nor sexuality is our enemy. We need to rescue our sexuality from lust so we can experience it as God intended. Bestselling author Joshua Harris shows you how lust deceives you. Specific and honest without being graphic, this book—for both men and women—will guide you in creating a custom plan for fighting lust and celebrating purity. Praise for *Sex Is Not the Problem (Lust Is)* "For your joy and Christ's honor, I commend this book to you. It is realistic, practical, and hope-

giving." -John Piper, pastor of Bethlehem Baptist Church, Minneapolis "A beautiful blend of grace and truth. Joshua Harris raises high standards of holiness while carefully avoiding legalism. I highly recommend it." -Randy Alcorn, bestselling author of *The Treasure Principle* and *The Purity Principle* "I am very encouraged that my longtime friend Josh Harris has written a book about lust. May God use this book to keep many from allowing their minds to become 'the devil's playground.'" -Rebecca St. James, singer/songwriter *Story Behind the Book* "I was preparing a message on lust when I realized that the book I wanted to consult hadn't been written. That book would make it clear that only Jesus Christ can free us from the hopeless treadmill of shame and guilt that so many well-intentioned people end up on. It would instill a love for holiness and a hatred for sin without dragging the reader's imagination through the gutter. And it would be for both men and women, because I've learned that lust isn't just a guy problem—it's a human problem." -Joshua Harris

Black Scat Review #14 Routledge

For thirty years Randy Alcorn has been encouraging people—young and old—to pursue the rewards of sexual purity. Too often we settle for a compromised Christianity that's just a baptized version of the world's sad existence, rather than the abundant life to which God calls us. This book deals with - raising children to embrace sexual purity - providing an example of purity in the home - protecting purity in dating (at any age) - and maintaining purity in marriage. Biblical, practical, and concise, *The Purity Principle* is a one-stop handbook for individuals, families and churches. Some people have given up on purity. Some have never tried. Bestselling author Randy Alcorn shows us why, in this culture of impurity, the stakes are so high—and what we can do to experience the freedom of purity. Impurity will always destroy us; purity always leads to higher pleasures! Choose wisely. Let the insights of this amazing book—written for old and young, married and single—help you gain your footing on the path to truly lasting joy.

Sexual Purity in a Lust-Saturated World CNIB

This title aims to offer a journey into the interior of language. The author reveals the patriarchal construction of language and

religious imagery, offering alternatives.

Elemental Feminist Philosophy Independently Published

A classic resource on feminist theory, *Feminist Thought* offers a clear, comprehensive, and incisive introduction to the major traditions of feminist theory, from liberal feminism, radical feminism, and Marxist and socialist feminism to care-focused feminism, psychoanalytic feminism, and ecofeminism. The fifth edition has been thoroughly revised, and now includes a new chapter on Third Wave and Third Space Feminism. Also added to this edition are significantly expanded discussions on women of color feminisms, psychoanalytic and care feminisms, as well as new examinations of queer theory, LGBTQ and trans feminism. Learning tools like end-of-chapter discussion questions and the bibliography make *Feminist Thought* an essential resource for students and thinkers who want to understand the theoretical origins and complexities of contemporary feminist debates. *God's Safeguards for Life's Dangerous Trails* Womens Press Ltd Many feminists today are challenging the outmoded aspects of both the conventions and the study of religion in radical ways. Canadian feminists are no exception. *Gender, Genre and Religion* is the outcome of a research network of leading women scholars organized to survey the contribution of Canadian women working in the field of religious studies and, further, to "plot the path forward." This collection of their essays covers most of the major religious traditions and offers exciting suggestions as to how religious traditions will change as women take on more central roles. Feminist theories have been used by all contributors as a springboard to show that the assumptions of unified monolithic religions and their respective canons is a fabrication created by a scholarship based on male privilege. Using gender and genre as analytical tools, the essays reflect a diversity of approaches and open up new ways of reading sacred texts. Superb essays by Pamela Dickey Young, Winnie Tomm, Morny Joy and Marsha Hewitt, among others, honour the first generation of feminist theologians and situate the current generation, showing how they have learned from and gone beyond their predecessors. The sensitive and original essays in *Gender, Genre and Religion* will be of interest to feminist scholars and to anyone teaching women and religion courses.

The Billionaire's Sub Love, Pleasure and Pain

Hauke provides a tour de force study of the history and basic characteristics of modern feminism. Hauke presents an objective, detailed study of the facts of feminist theology around the world, using their own words and writings. He looks at the distinctiveness of feminist theology, what its image of man is as a fundamental point of departure, its basis from the experience of women as "formal principle", its views of the image of God, Christ, Mary, the Church, liturgy, ecology and eschatology. After carefully describing what the feminist position is, Hauke gives a critique from the point of view of the Catholic tradition. "The purpose of the present work is to provide, not a kind of "encyclopedia" on feminist theology, but an introduction and representative survey of central themes that will enable one to form a personal opinion. Addressed here are not just specialists in theology but all women and men who desire to inform themselves further about the powerful historical current that is feminist theology." -Manfred Hauke

Pure Lust Springer

One of the few authors to define and focus on feminist theories of rhetoric, Krista Ratcliffe takes Bathsheba's dilemma as her controlling metaphor: "'I have the feelings of a woman,'" says Bathsheba Everdene in Hardy's *Far from the Madding Crowd*, "'but only the language of men.'" Although women and men have different relationships to language and to each other, traditional theories of rhetoric do not foreground such gender differences, Ratcliffe notes. She argues that feminist theories of rhetoric are needed if we are to recognize, validate, and address Bathsheba's dilemma. Ratcliffe argues that because feminists generally have not conceptualized their language theories from the perspective of rhetoric and composition studies, rhetoric and composition scholars must construct feminist theories of rhetoric by employing a variety of interwoven strategies: recovering lost or marginalized texts; rereading traditional rhetoric texts; extrapolating rhetorical theories from such nonrhetoric texts as letters, diaries, essays, cookbooks, and other sources; and constructing their own theories of rhetoric. Focusing on the third option, Ratcliffe explores ways in which the rhetorical theories of Virginia Woolf, Mary Daly, and Adrienne Rich may be extrapolated from their Anglo-American feminist texts through examination of the interrelationship between what these authors write and how they

write. In other words, she extrapolates feminist theories of rhetoric from interwoven claims and textual strategies. By inviting Woolf, Daly, and Rich into the rhetorical traditions and by modeling the extrapolation strategy/methodology on their writings, Ratcliffe shows how feminist texts about women, language, and culture may be reread from the vantage point of rhetoric to construct feminist theories of rhetoric. She rereads Anglo-American feminist texts both to expose their white privilege and to rescue them from charges of naiveté and essentialism. She also outlines the pedagogical implications of these three feminist theories of rhetoric, thus contributing to ongoing discussions of feminist pedagogies. Traditional rhetorical theories are gender-blind, ignoring the reality that women and men occupy different cultural spaces and that these spaces are further complicated by race and class, Ratcliffe explains. Arguing that issues such as who can talk, where one can talk, and how one can talk emerge in daily life but are often disregarded in rhetorical theories, Ratcliffe rereads Roland Barthes' "'The Old Rhetoric'" to show the limitations of classical rhetorical theories for women and feminists. Discovering spaces for feminist theories of rhetoric in the rhetorical traditions, Ratcliffe invites readers not only to question how women have been located as a part of-- and apart from--these traditions but also to explore the implications for rhetorical history, theory, and pedagogy. In extrapolating rhetorical theories from three feminist writers not generally considered rhetoricians, Ratcliffe creates a new model for examining women's work. She situates the rhetorical theories of Woolf, Daly, and Rich within current discussions about feminist pedagogy, particularly the interweavings of critical thinking, reading, and writing. Ratcliffe concludes with an application to teaching.

Overcoming Lust Multnomah

Lust, says Simon Blackburn, is furtive, headlong, always sizing up opportunities. It is a trail of clothing in the hallway, the trashy cousin of love. But be that as it may, the aim of this delightful book is to rescue lust "from the denunciations of old men of the deserts, to deliver it from the pallid and envious confessor and the stocks and pillories of the Puritans, to drag it from the category of sin to that of virtue." Blackburn, author of such popular philosophy books as *Think and Being Good*, here offers a sharp-edged probe into the heart of lust, blending together

insight from some of the world's greatest thinkers on sex, human nature, and our common cultural foibles. Blackburn takes a wide ranging, historical approach, discussing lust as viewed by Aristophanes and Plato, lust in the light of the Stoic mistrust of emotion, and the Christian fear of the flesh that catapulted lust to the level of deadly sin. He describes how philosophical pessimists like Schopenhauer and Sartre contributed to our thinking about lust and explores the false starts in understanding lust represented by Freud, Kinsey, and modern "evolutionary psychology." But most important, Blackburn reminds us that lust is also life-affirming, invigorating, fun. He points to the work of David Hume (Blackburn's favorite philosopher) who saw lust not only as a sensual delight but also "a joy of the mind." Written by one of the most eminent living philosophers, attractively illustrated and colorfully packaged, *Lust* is a book that anyone would lust over.

Rodale Books

Text in English & German. In his first book for Edition Skylight, professional photographer Nick Freund makes a striking entrance! Like virtually none other in the field, Nick Freund inimitably succeeds in combining highly explicit eroticism with a stunning black and white aesthetics to create a new dimension in modern erotic photography. In every scene, the intimate studio light allows the viewer to feel the intense intimacy between these five impeccably built girls and the skilful direction of this leading photographer. How else would they surrender their bodily secrets to him, confident to be up-close to his camera lens? It's the thrilling combination of shapely physical landscapes and hot close-ups that make every page of this diverse book of erotic photographs a continual sensual pleasure, full of surprises.

God Or Goddess? HarperCollins

Ready to take a walk on the steamy side of taboo? This collection of sizzling hot stories is filled with characters you'll hate to love! Temptation runs rampant in these pages of pure lust and sprinkled with taboo! Do opposites attract? Sometimes they do because the chemistry is just that sizzling hot and forbidden! All stories have HEAs and will leave you hungry for more! **WARNING: NOT FOR THE FAINT OF HEART! ADULT CONTENT**
[A More Comprehensive Introduction](#) Ignatius Press
 Are you tired? Do you suffer from chronic pain—headaches, backaches, or other persistent discomfort? Do you experience

depression or feel anxious? Do you have allergies or autoimmune issues? Have you lost your sex drive somewhere along the way? If you have one or more of these symptoms, you may be suffering from what Rachel Carlton Abrams, MD, calls Chronic Body Depletion—a condition that can be related to weight gain, high blood pressure, exhaustion, and many other symptoms that leave the body drained. In *BodyWise*, Dr. Abrams helps us to understand that these symptoms, uncomfortable as they may be, are actually a sign of our body's intelligence. Our bodies are trying to communicate—sometimes screaming at us to pay attention—and only when we learn to listen are we able to treat what ails us to achieve optimum healing and lifelong health. Dr. Rachel shares her customizable 28-day program, used with thousands of patients in her clinic, for healing the body both physically and emotionally. Through quizzes and detailed self-assessments, she explains how you can evaluate your own body wisdom for different areas in your life—including stress, sleep, libido, pain, anxiety, depression, allergies, and autoimmune issues. Guiding you through thoughtful diet, routine, and lifestyle changes, *BodyWise* will help you discover your own unique needs and offer you the principles and practices to create the vibrant, balanced, healthy life you have always deserved.

"Because You're Shy at Night" is a compilation book of Haruna Takayama's cute and heart thumping BL manga! Sleep Next To Me Tonight: Sonoyama is a hard-working salaryman that had forgotten how to enjoy life since his parents died and he had to take care of his two little brothers. One morning, he unexpectedly woke up in his Boss's bed. Terrified of being fired, Sonoyama dashed out from the house. But why can the insomniac Sonoyama can sleep so well beside the conceited and kinda-sadistic Boss? Noisy Days of Life: Tsuji had to take over his grandfather dormitory as a manager. His days are quite dull compared to his previous office job, but the existence of one tenant, Minami made his days livelier. Can Tsuji take a high-schooler's love-at-first-sight

confession as a serious proposal? I'm no match for my Kouhai: Wakamiya has been asking his genius and handsome Kohai, Yoshikawa, to teach him so he can move up to the next grade. But whenever they start a study session, they always ended up sleeping together. Wakamiya decided to focus more on studying and stop having sex with his Kohai, but one day he happened to hear Yoshikawa's actual motive... Pleasure me with your hands: Nao and Narikawa entered one of the most prestigious salons, Tibella in the same year. But only Narikawa has already promoted to a professional hairdresser. Nao doesn't deny that Narikawa has it all—looks, talent, and well, his fingers are super attractive—and that's also exactly why he has a feeling for him. But his insecurity made him avoiding Narikawa instead of approaching him... And Narikawa's reaction is...? Man Pleasure x Man Friends: Katori has always been hiding his feeling towards the most popular co-worker, Suga. The already-unrequited love hurts more deeply when Suga said he hates Katori's glasses. But When his glasses accidentally falls on one occasion, why did Suga show a very different attitude towards Katori? Is it more than just about the glasses?

Pure Lust Beacon Press

I'd always wanted my life to be a fairy-tale. Romance and roses, and a white knight sweeping me off of my feet. But at twenty-two, I'd come to realize that I'd been lying to myself; none of that existed. Gabriella Baine has a way with words. She dreams of one day becoming a staff writer for the biggest TV shows. But dreams don't pay rent and during a job interview at one of the largest model agencies in the country, she meets fashion photographer, Flynn McCreary. Sparks fly and there's an intense, visceral pure lust that culminates in the hottest sex Gabriella's ever experienced. Soon afterwards, Flynn's gone and once again she realize that her wish for Prince Charming will never come true. Then she meets the handsome, romantic and mysterious Edward, a man who seems to have it all but is also keeping secrets that could destroy any chance of Gabriella ever finding her happy ever after. You don't want to miss the first book in M.S. Parker and Cassie Wild's newest sexy and twisted collaboration, *Pure Lust*. *Billionaires' Indulgence* Multnomah

Pure Lust Absolutely Naughty
Reprint of the 1961 classic study of the discourses of the founder

of the order of Whirling Dervishes.

Virginia Woolf, Mary Daly, Adrienne Rich Routledge

I'd always thought the stepmothers in fairy tales were supposed to be the evil ones, not the mother-in-law. Even Snow White's wicked stepmother had nothing on Claire Bouvier. Gabriella Baine is going to marry the man of her dreams...if her monster-in-law-to-be doesn't drive her away first. As she struggles to deal with wedding plans, she's also beginning to realize that, no matter how much she tries, she can't stay away from her fiancé's younger brother, Flynn McCreary. He's arrogant, rude and lashes out at everyone around him, but that doesn't stop her from going back to him for work. When the unthinkable happens, it forces Gabriella to make the biggest decision of her life. Don't miss the penultimate installment of the heart-wrenching and steamy *Pure Lust* series by M.S Parker and Cassie Wild.

Feminist Thought Fortress Press

Makes key excerpts from Daly's work accessible to readers who are seeking to access the essence of her thought in a single volume. Outrageous, humorous, inflammatory, Amazonian, intellectual, provocative, controversial, and a discoverer of Feminist word-magic, Mary Daly's influence on Second Wave feminism was enormous. She burst through constraints to articulate new ways of being female and alive. This comprehensive reader offers a vital introduction to the core of Daly's work and the complexities secreted away in the pages of her books. Her major theories—Bio-philia, Be-ing as Verb, and the life force within words—and major controversies—relating to race, transgender identity, and separatism—are all covered, and the editors have provided introductions to each selection for context. The text has been crafted to be accessible to a broad readership, without diluting Daly's witty but complicated vocabulary. Begun in collaboration with Daly while she was still alive, and completed after her death in 2010, the chapters in this book will surprise even those who thought they knew her work. They contain highlights from Mary Daly's published works over a forty-year span, including her major books *Beyond God the Father*, *Gyn/Ecology*, and *Pure Lust*, as well as smaller articles and excerpts, with additional contributions from Robin Morgan and Mary E. Hunt. Perfect for those seeking an introduction to this path-breaking feminist thinker, *The Mary Daly Reader* makes key excerpts from her work accessible to new readers as well as those

already familiar with her work who are seeking to access the essence of her thought in a single volume.

Elemental Feminist Philosophy Routledge

Moving to Hollywood after graduation was supposed to be my first step into the adult world, a chance for me to live life on my terms.

It'd worked for my older sister. I just hadn't realized how much until she shared her darkest secret with me. When twenty-one year-old Hanna Breckenridge moves across the country to take a job as her sister's business manager, she has no idea the culture shock she's in for. When billionaire Cross Phillips approaches her, she's flattered, only to find out that he'd been interested for

reasons far different than anything Hanna would've imagined. When things take a dangerous turn, she's forced to decide just how much she can trust this gorgeous man. Don't miss the steamy standalone *The Billionaire's Sub* by USA Today's best-selling author, MS Parker.
