*Over 100 Tips, Secrets, and Shortcuts to  
Looking Great* SAGE Publications

When his boss cuts back his hours Seth isn't complaining. It's more time to sit by the pool, staring at barely legal neighbor, Reese. She's scorching hot in her teeny tiny bikini. When Seth jumps in the pool, she's quick to follow. Testing the waters, he swim up to her sun glistening body and steals a taboo kiss. She practically dares him to turn up the heat. The steamy pair gets entangled quick in a rough quickie outside in the sun. Alpha men take quick chances and allow rough blasts to tempt fate in the Rough Fertile Quickies Series. They offer limited backstory, so you can get to the good parts fast. Climax quick with this erotic sharing love short story. Tap the buy button and experience a satisfying ending for yourself.

Grove Press

A must-have book for inquisitive young sports fans, this collection of sports trivia entertains as it informs, presenting insider knowledge from the world of sports in the distinct Sports Illustrated Kids style. More than simply a list of questions and answers, this full-color, interactive book details the answers to sports' curious questions — Why is the NHL's trophy called the Stanley Cup? Who was baseball's first designated hitter? When were the first Olympics held? Why is San Francisco's football team called the 49ers? — complete with photos and illustrations that entertain as they inform. Featuring hundreds of questions, young fans will be stumping the adult sports fans in their lives with their expert insider knowledge.

**Plugged in** Weldon Owen International  
It's the ultimate supermodel yearbook. Join the four photographers whose work was featured in the 2011 Sports Illustrated Swimsuit Issue on a behind-the-scenes account of their travels, revisiting their experiences through never-before-seen images and exclusive commentary. In this large-format, 176-page collection, Swimsuit Portfolio: Fantasy Islands showcases 17 of the world's most exquisite bodies at four exotic beach locations-Turtle Island in Fiji, Sentosa Island in Singapore, Peter Island in the British Virgin Islands and Boracay Island in the Philippines. Grab your passport and take the tour with Brooklyn Decker, Irina Shayk, Hilary Rhoda, Esti Ginzburg and Christine Teigen (among others) as your guides. With dozens of previously unpublished swimsuit shots, it's an expanded look at the making of the magazine's best-selling issue.

*The Sunday Times Bestseller* Faber & Faber

**A WORLDWIDE PHENOMENON** The Sports Illustrated Swimsuit Issue has captured imaginations for 50 years with its annual celebration of the world's most exquisite bodies. From cover girls Christie Brinkley to Heidi Klum to Kate Upton, this yearly publishing sensation has launched the careers of so many supermodels. Elle, Tyra and Brooklyn have become household names. In Swimsuit: 50 Years of Beautiful, SI reveals the inside story of how what began as an eight-page travel piece has emerged as one of the most powerful--and hotly anticipated--media events of the year, with a global audience of more than 70 million. This alluring anniversary edition features: Star athletes in swimsuits The magic of bodypainting Never-before-seen outtakes All the iconic

covers Every model who has graced the issue is here, from Cheryl Tiegs in her fishnet suit to Kathy Ireland and her record 12 appearances. *Swimsuit: 50 Years of Beautiful* is the definitive account of an extraordinary publication illuminated by hundreds of unique and breathtaking photographs--stunning women in captivating poses in exotic locales. Beautiful.

*Breaking Up the Boys' Club of Silicon Valley* Crown

Our Social World: Introduction to Sociology inspires students to develop their sociological imaginations, to see the world and personal events from a new perspective, and to confront sociological issues on a day-to-day basis. Organized around the "Social World" model, a conceptual framework that demonstrates the relationships among individuals (the micro level); organizations, institutions, and subcultures (the meso level); and societies and global structures (the macro level), Jeanne H. Ballantine, Keith A. Roberts, and Kathleen Odell Korgen use this framework to help students develop the practice of using three levels of analysis, and to view sociology as an integrated whole, rather than a set of discrete subjects. The Seventh Edition includes new coverage of climate change, the influence of robots and artificial intelligence on workers, race relations in the Trump era, issues related to transgender identity and gender fluidity, sexual harassment in the workplace and the #MeToo movement, declining marriage rates, the impact of tracking for students at all academic achievement levels, smoking as an example of health and inequality in the US, gun violence and the student movement to control access to guns, social media, and Russian interference in

the 2016 election.

Famous last words... Five years ago, it was love at first sight. Now, Ted and Iris live on autopilot as tumbleweeds roll through their bedroom. The lack of sex is driving him crazy. Iris’s solution to their sexual woes: get snipped. Kunal and Ray, Ted’s best friends and sworn enemies of Iris, agree with her for once. All roads seem to lead to a surgical solution, but Ted’s not going there... until an explosive argument changes everything. A vasectomy seems like Ted’s only play to win Iris back. After a series of mishaps involving his precocious next-door neighbor, some ill-conceived decisions, and an unexpected meeting, will Ted risk losing everything important in his life, including his nuts? With its bawdy humor and unexpected twists, *Snipped* will have you laughing out loud as you root for Ted to find the love he’s been missing. Laugh out loud today with *Snipped*, because who doesn't love a sometimes raunchy, sometimes cringe-worthy comedy with a down-on-his-luck hero you can get behind. Get it now. Women on Waves Sports Illustrated Now in its 7th edition, *Communication in History* reveals how media has been influential in both maintaining social order and as powerful agents of change. Thirty-eight contributions from a wide range of voices offer instructors the

opportunity to customize their courses while challenging students to build upon their own knowledge and skill sets. From stone-age symbols and early writing to the Internet and social media, readers are introduced to an expansive, intellectually enlivening study of the relationship between human history and communication media.

#### **The Skinny Confidential** Sports Illustrated

In her first book in more than 30 years, supermodel Christie Brinkley shares the secrets she's learned on what to eat, how to apply makeup like a pro, and what to wear to look like a knock out. She has the face and body of a 30-year-old and she just turned 60! From tips on which skincare products really make our skin look younger to which foods cut inflammation to a fitness plan with easy exercises to keep us strong and our waistlines lean, Brinkley draws on her years of experience maintaining her supermodel appearance to help readers look and feel their youthful best. She also offers makeup tips that will make any face look younger, fashion advice on necklines, skirt lengths, and more! With

never-before-read personal stories, beautiful photographs, hundreds of timesaving tips, plus a good dose of humor, this will be the book that every woman will want to own and share with her friends.

*Daddy Diaries* Time Life Education

An unforgettable cast of characters is unleashed into a realm known for its cruelty—the American high school—in this captivating debut novel. The wealthy enclaves north of San Francisco are not the paradise they appear to be, and nobody knows this better than the students of a local high school. Despite being raised with all the opportunities money can buy, these vulnerable kids are navigating a treacherous adolescence in which every action, every rumor, every feeling, is potentially postable, shareable, viral. Lindsey Lee Johnson's kaleidoscopic narrative exposes at every turn the real human beings beneath the high school stereotypes. Abigail Cress is ticking off the boxes toward the Ivy League when she makes the first impulsive decision of her life: entering into an inappropriate relationship with a teacher. Dave Chu, who knows himself at heart to be a typical B student, takes desperate measures to live up to his parents' crushing expectations. Emma Flead, a gifted dancer, balances rigorous rehearsals with wild weekends. Damon Flintov returns from a stint at rehab looking to prove that he's not an irredeemable screwup. And Calista Broderick, once part of the popular crowd, chooses, for reasons of her own, to become a hippie outcast. Into this complicated web, an idealistic young English teacher arrives from a poorer, scruffier part of California. Molly Nicoll strives to connect with her students—without understanding the

middle school tragedy that played out online and has continued to reverberate in different ways for all of them. Written with the rare talent capable of turning teenage drama into urgent, adult fiction, *The Most Dangerous Place on Earth* makes vivid a modern adolescence lived in the gleam of the virtual, but rich with sorrow, passion, and humanity. Praise for *The Most Dangerous Place on Earth* "Alarming, compelling . . . Here's high school life in all its madness."—The New York Times "Unputdownable."—Elle "Impossibly funny and achingly sad . . . [Lindsey Lee] Johnson cracks open adolescent angst with adult sensibility and sensitivity."—San Francisco Chronicle "[A] piercing debut . . . Johnson proves herself a master of the coming-of-age story."—The Boston Globe "Entrancing . . . Johnson's novel possesses a propulsive quality. . . . Hard to put down."—Chicago Tribune "Readers may find themselves so swept up in this enthralling novel that they finish it in a single sitting."—Publishers Weekly (starred review)

*The Plan to Radically Transform Your Body in 28 Days* SUNY Press

Living in a Media World Yale University Press

This troubadour life is only for the fiercest hearts, only for those vessels that can be broken to smithereens and still keep beating out the rhythm for a new song. Last Chance Texaco is the first ever no-holds-barred account of the life of two-time Grammy Award-winner Rickie Lee Jones in her own words. It is a tale of desperate chances and impossible triumphs, an adventure story of a girl who beat the odds and grew up

to become one of the most legendary artists of her time, turning adversity and hopelessness into timeless music. With candor and lyricism, the "Duchess of Coolsville" (Time) takes us on a singular journey through her nomadic childhood, to her years as a teenage runaway, through her legendary love affair with Tom Waits and ultimately her longevity as the hardest working woman in rock and roll. Rickie Lee's stories are rich with the infamous characters of her early songs - "Chuck-E's in Love," "Weasel and the White Boys Cool," "Danny's All-Star Joint," and "Easy Money"— but long before her notoriety in show business, there was a vaudevillian cast of hitchhikers, bank robbers, jail breaks, drug mules, a pimp with a heart of gold and tales of her fabled ancestors. In this tender and intimate memoir by one of the most remarkable, trailblazing, and tenacious women in music are never-before-told stories of the girl in the raspberry beret, a singer-songwriter whose music defied categorization and inspired American pop culture for decades.

*Kandy Magazine Special Sweet 60 All Decade Issue* Goodheart-Willcox Pub  
17-year-old Maya Aziz is torn between worlds. There's the proper one her parents expect for their good Indian daughter: a good school, an arranged marriage. And then there is the world of her dreams: going to film school, living in New York City, pursuing the boy she's liked for ages. But unbeknownst to Maya, there is a danger looming beyond her control. When a terrorist attack occurs in another Midwestern city, the prime suspect happens to share her last name. In an instant, Maya's community, consumed by fear and hatred, becomes unrecognisable, and her life changes forever.

### **Swimsuit Issue and Sport, The Soho Press**

'Alright' I said, 'I'll try...' This is how Emily Stuart opens her intricate tale of a classic love affair that becomes Caroline's Bikini: a swirling cocktail of infatuation, obsession, and imagination. The moment that Emily's friend Evan Gordonstone - a successful middle-aged financier - meets Caroline Beresford - a glamorous former horsewoman, and now housewife, hostess, and landlady - there is a 'PING!' At least, that's how Evan describes it to Emily when he persuades her to record his story: the story of falling into unrequited love, which is as old as Western literature itself. Thus begins a hypnotic series of conversations set against the beguiling backdrop of West London's bars, fuelled in intensity by endless G&Ts and Q&As. From the depths of mid-winter to July's hot swelter, Emily's narration of Evan's passion for Caroline will take him to the brink of his own destruction. Written in a voice so playful, so charismatic, and so thoughtfully aware of the responsibilities of fiction it can only be by Kirsty Gunn, Caroline's Bikini is a swooning portrait of courtly love - in a modern world not celebrated for its restraint and abstraction. Ready. Steady. Go!

photographers seeking adventure in the world's most luscious locales.

The 90-Day Mind, Body and Food Plan that will absolutely Change Your Life The Countryman Press

I hooked up with my temporary roommate. Now I'll do anything to claim her for good. I'm Noah Weston. For a decade, I've quarterbacked America's most iconic football team and plowed my way through women. Now I'm transitioning from star player to retired jock—with a cloud of allegation hanging over my head. So I'm escaping to the private ocean-front paradise I bought for peace and quiet. What I get instead is stubborn, snarky, wild, lights-my-blood-on-fire Harlow Reed. Since she just left a relationship in a hugely viral way, she should be the last woman I'm seen with. On second thought, we can help each other... I need a steady, supportive "girlfriend" for the court of public opinion, not entanglements. Harlow is merely looking for nonstop sweaty sex and screaming orgasms that wring pleasure from her oh-so-luscious body. Three months—that's how long it should take for us both to scratch this itch and leave our respective scandals behind. But the more I know this woman, the less I can picture my life without her. And when I'm forced to choose, I'll realize I don't merely want her in my bed or need her for a ruse. I more than love her enough to do whatever it takes to make her mine for good.
