AuthorHouse

This ambitious work chronicles 250 years of the Cromartie family genealogical history. Included in

the index of nearly fifty thousand names are the current generations, and all of those preceding, which trace ancestry to our family patriarch, William Cromartie, who was born in 1731 in Orkney, Scotland, and his second wife, Ruhamah Doane, who was born in 1745. Arriving in America in 1758, William Cromartie settled and developed a plantation on South River, a tributary of the Cape Fear near Wilmington, North Carolina. On April 2, 1766, William married Ruhamah Doane, a fifth-generation descendant of a Mayflower passenger to Plymouth, Stephen Hopkins. If Cromartie is your last name or that of one of your blood relatives, it is almost certain that you can trace your ancestry to one of the thirteen children of William Cromartie, his first wife, and Ruhamah Doane, who became the founding ancestors of our Cromartie family in America: William Jr., James, Thankful, Elizabeth, Hannah Ruhamah, Alexander, John, Margaret Nancy, Mary, Catherine, Jean, Peter Patrick, and Ann E. Cromartie. These four volumes hold an account of the descent of each of these first-generation Cromarties in America, including personal anecdotes, photographs, copies of family bibles, wills, and other historical documents. Their pages hold a personal record of our ancestors and where you belong in the Cromartie family tree.

John Lewis Benson, born in Crawford County, Pennsylvania, was an 8th generation descendant of John Benson, who arrived in America at Plymouth Colony on 11 April 1638 on the ship "Confidence." After being reared in Chautauqua County, New York, John Lewis Benson's father, William, took him to Rock Island County, Illinois, following his daughters who had already made the migration. Shortly after reaching his majority, John Lewis Benson went to "Bleeding Kansas" as part of the wave of Abolitionists who sought to "keep Kansas free," which action reflected the devout Puritan Calvinism of his Benson forebears. He enlisted in the 5th Kansas Volunteer Cavalry two months after the first canon was fired on Fort Sumter, and served until the end of the War of Rebellion, being mustered out on 22 June 1865. He then returned to Kansas where he prospered, married, and fathered 5 children. He lost all his worldly possessions due to drought and the economic collapse following The Panic of 1873, and then moved about Kansas seeking a new start. During this difficult period, his wife died, leaving him a widower with 4 children ages 6 to 11. He soon married a divorcee who brought her 3 children, ages 1 to 3, to the marriage. In his second marriage, John Lewis fathered three more children. After the Unassigned Lands of Oklahoma Territory were opened for settlement in 1899, John Lewis and his blended family moved there and share-cropped 40 acres southeast of Guthrie, Oklahoma, which he eventually bought. He died on this farm on 23 March 1906. This book by one of his great-grandsons tells the story of his life, the lives of his five sisters and one brother, and their ancestry back to 16th century Oxfordshire, England.

Descendants of William Lewis I (1594-1683), born in Llandough, Wales, the son of William Lewis and Sarah Cathcart. He married Felix Collins (d. 1671) in 1618. She was the daughter of Walter and

Felicia (Bandrib) Collins. With his wife and only son William, William I sailed from England in the ship "Lion" June 27, 1632, arriving at Boston on Sept. 16, 1632. In 1636 he settled in Hartford, Conn., where he was one of the original proprietors, being a land holder in 1639. In 1659 he and his son William II became first settlers of Hadley, Mass., where his wife Felix died in 1671. After his wife's death he permanently moved to Farmington, Conn. Descendants live in New York, Vermont, Massachusetts, Connecticut, New Hampshire, Oregon, Illinois, Florida and elsewhere.

The Family Lineage of Reverend William Lewis (Bucky) Hunt and Descendants of South Carolina and Tennessee provides a lineage of William L. (Bucky) Hunt who was born between 1780 and 1797, down through history to more modern-day descendants who were born as recently as the 1900's and living predominately in Monroe County, Tennessee. This book provides at least six (6) generations of direct descendants and their spouses. If you are a serious or hobby genealogist, and researching the Hunt lineage, this book could provide you some lineage data and vital statistics information you have been seeking to link your family or surname to this line of Hunts. THIS BOOK IS A MUST HAVE IN YOUR GENEALOGY COLLECTION! The family lineage published here are compilations of years of transcriptions from multiple resources, personal family interviews, ancestor's compilations, county history books, online and Internet genealogy groups, and other library database or book resources. The author spent over 20 years compiling the information in this publication for this specific family surname, as well as hundreds of other surnames that interlinked and intertwined to the author's own family and ancestry surnames. Do enjoy the fruits of the research to expand the reader's knowledge of this family surname. As noted on the copyright page, any errors may result from human transcription mistakes, original data having errors or omissions, or even some 'software burps' or data entry errors (e.g., a husband may have been entered as a spouse twice, thus shows up as a duplicate). The author suggests that genealogy researchers take the information in this book and use it as a 'with a grain of salt' baseline to further research on their own to confirm all the data in this publication against their own.
