 Depression and anxiety are now at epidemic levels. Why? Across the world, scientists have uncovered evidence for nine different causes. Some are in our biology, but most are in the way we are living today. *Lost Connections* offers a radical new way of thinking about this crisis. It shows that once we understand the real causes, we can begin to turn to pioneering new solutions - ones that offer real hope.
There Is Nothing for You Here Swoon Reads
 One woman embarked on a dance journey around the world, finding out how each dance tells a story of its country and learning how beautiful life can be when you take the lead. If you could do anything you wanted, what would it be? Aliénor Salmon was working as a happiness

researcher in Bangkok when a friend asked her the question that turned life as she knew it on its heels. A novice dancer but experienced social researcher, the Franco-British Aliénor headed west from Bangkok to dance her way through Latin America. As she learns eighteen dances, each native to the countries she visits, she engages with esoteric customs, traditions, and cultures. Through conversations and arduous studio hours, she learns that every step, pivot, and shake thrums with an undeniable spirit of place. And that in a world where we are over-connected but increasingly disconnected from one another, dance offers an authentically human experience. One that allows her to develop tolerance, kindness, truth, and love by holding the hands of a stranger and gazing into their eyes for the time of a song. With her fearless and candid

approach, Aliénor will inspire you to take the reins of your own life—and have some fun along the way. In this dance-travelogue, you'll learn the history and steps of dances like salsa, samba, and tango, enjoy a resplendent meditation on happiness and wanderlust, and receive a life-affirming answer to the question: How do I take the first step?

I never thought I'd find her. After eight years in the Marines, I'm still looking for the mysterious woman I've obsessed over since her first letter. When she shows up in my small town, I'm thrilled. But when she turns out to be my brother's best friend--and the girl he's always loved--I'm caught between the two people who matter to me the most. I'm a Marine, which means honor and duty run deep. Joanna is off-limits. That would be a whole lot easier if she hadn't already agreed to help run my brother's fishing guide business for the summer, forcing me to work side-by-side with the woman I've fantasized about for years. I try to keep her at a distance, push her away, man up. But she draws me in without even trying, and I can't get enough of how she makes me feel. I'm stealing moments with her, and I know it's wrong. She may not be my brother's girlfriend, but I know a landmine when I see one. How can a good man choose his heart over his honor?

Lily Morrison was as guarded as a woman could get--until Aspen Bellevue came along during her first year of college. His playful banter and sexy smirk paved a way straight to her heart. But that was before his playboy tendencies demolished it. After being hurt by the one man she ever truly wanted, she swore she'd never let herself fall for him again. Aspen always knew his best friend's twin sister was off limits. Lily was the one girl he couldn't have--and yet, the only one he pined for. But by the time he realized this, ready to change his ways, it was already too late. To her, Aspen will always be a womanizer. To him, she's a sassy spitfire whose feathers he still loves to ruffle. Now, after a few years apart, they're thrown together to reunite with their old college crew. But this time, Aspen has a plan. He wants Lily to be his by the time they travel from Texas to South Carolina. Meanwhile, Lily wants their baggage to stay in the past--where to her, it belongs. How much could go wrong when two sworn enemies--with two different outlooks and renewed sexual tension--come together in a car for a week-long road trip? Only one of them wants to find out.

Winner of the 2018 Pura Belpre Award! "A book for anyone mending from childhood wounds."—Sandra Cisneros, author of *The House on Mango Street* In this unforgettable multicultural coming-of-age narrative—based on the author's childhood in the 1960s—a young Cuban-Jewish immigrant girl is adjusting to her new life in New York City when her American dream is suddenly derailed. Ruthie's plight will intrigue readers, and her powerful story of strength and resilience, full of color, light, and poignancy, will stay with them for a long time. Ruthie Mizrahi and her family recently emigrated from Castro's Cuba to New York City. Just when she's finally beginning to gain confidence in her mastery of English—and enjoying her reign as her neighborhood's hopscotch queen—a horrific car accident leaves her in a body cast and confined her to her bed for a long recovery. As Ruthie's world shrinks because of her inability to move, her powers of observation and her heart grow larger and she comes to understand how fragile life is, how vulnerable we all are as human beings, and how friends, neighbors, and the power of the arts can sweeten even the worst of times.

What happens when young hot university rocker meets beautiful slightly older professor? After a tragic accident that plays on an endless loop in her mind, wild child Kate Jolie died inside. She now functions only through her rigid, ironclad routine, which keeps her mind and soul in check - balancing her in a dangerously precarious position between life and death. Rocker and Master's student Sam North knows no limits and seeks out every challenge to conquer and defy. With his cocky grin, piercings, colorful tattoos, undress-you bedroom eyes and magnetic sex appeal, he has no trouble finding women to warm his bed. When he spies his new professor, the gorgeous Ms. Jolie, she's just another summit he wants to climb in order to reach its peak. But as he begins to catch glimpses of her soul, she becomes his Everest. Kate Jolie is the only woman who wants nothing to do with Sam North - and the only woman he can't do without.

So You Want to be a Writer: Discovering and Developing the Writer Within Edwards Publishing

One night she called a mistake, but he's never forgotten... Leilani Mitchell is obsessed with happily ever after ... as long as it comes in a book, so becoming a

social media manager for a publishing company was a no-brainer. It's safer and less complicated than real life. Seeing her dad alone after her mother's death made her promise herself the best way to never lose love was to never go looking for it in the first place. But when her friend asks her to be her maid of honor and partners her with the man who turned her world upside down in one night, the next six months will be torture. Alexander Rutherford has crushed on his older sister's best friend for more years than he cares to mention. But even after sharing one passionate night together, she still keeps him at an arm's length. Now that he's a successful business owner, he's out to prove he's worthy of her heart. Leilani does her best to stamp out the fire his touch kindles in her, but the more time she spends with him the more she craves a happy ending that doesn't come from a book. *Previously published as *Little Hidden Cravings* **transformed into a dual POV ***New beautiful cover CW on website <https://www.loveraeshawn.com>
Slave: Finding Anna, Book 1 Penguin
Researcher and thought leader Dr. Brené Brown offers a powerful new vision in *Daring Greatly* that encourages us to embrace vulnerability and imperfection, to live wholeheartedly and courageously. 'It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; . . . who at best knows in the end the triumph of high achievement, and who at worst, if he fails, at least fails while daring greatly' - Theodore Roosevelt Every time we are introduced to someone new, try to be creative, or start a difficult conversation, we take a risk. We feel uncertain and exposed. We feel vulnerable. Most of us try to fight those feelings - we strive to appear perfect. Challenging everything we think we know about vulnerability, Dr. Brené Brown dispels the widely accepted myth that it's a weakness. She argues that vulnerability is in fact a strength, and when we shut ourselves off from revealing our true selves we grow distanced from the things that bring purpose and meaning to our lives. *Daring Greatly* is the culmination of 12 years of groundbreaking social research, across the home, relationships, work, and parenting. It is an invitation to be courageous; to show up and let ourselves be seen, even when there are no guarantees. This is vulnerability. This is daring greatly. 'Brilliantly insightful. I can't stop thinking

about this book' -Gretchen Rubin Brené Brown, Ph.D., LMSW is a #1 New York Times bestselling author and a research professor at the University of Houston Graduate College of Social Work. Her groundbreaking work was featured on Oprah Winfrey's Super Soul Sunday, NPR, and CNN. Her TED talk is one of the most watched TED talks of all time. Brené is also the author of *The Gifts of Imperfection* and *I Thought It Was Just Me (but it isn't)*. *Code of Federal Regulations The Stationery Office*

★ Publishers Weekly starred review A Best Book of 2018 in Religion, Publishers Weekly Reading great literature well has the power to cultivate virtue, says acclaimed author Karen Swallow Prior. In this book, she takes readers on a guided tour through works of great literature both ancient and modern, exploring twelve virtues that philosophers and theologians throughout history have identified as most essential for good character and the good life. Covering authors from Henry Fielding to Cormac McCarthy, Jane Austen to George Saunders, and Flannery O'Connor to F. Scott Fitzgerald, Prior explores some of the most compelling universal themes found in the pages of classic books, helping readers learn to love life, literature, and God through their encounters with great writing. The book includes end-of-chapter reflection questions geared toward book club discussions, original artwork throughout, and a foreword by Leland Ryken. The hardcover edition was named a Best Book of 2018 in Religion by Publishers Weekly. "[A] lively treatise on building character through books."--Publishers Weekly (starred review)

An emotional journey that will take hold of your heart and leave you breathless. Brianna has endured unspeakable trauma for a grueling 10 months. She's lost all hope, accepting that all she will ever be is a slave, trapped with a cruel man who sees her as nothing more than a thing for him to use however he sees fit. But what happens when a young wealthy Dominant, Stephan Coleman, buys her from her Master? Stephan Coleman knows what his future holds as the president of a not-for-profit foundation and he knows what he wants out of life. All that changes when a simple lunch with his college friend, mentor, and fellow Dominant, Daren, leads him to buying a slave. Thrust into a situation he never thought he'd be in, Stephan can't walk away. He is compelled to help this girl in the only way he knows

how. Brianna knows only one thing: she is a slave. She has nothing. She is nothing. Can Stephan help Brianna realize that she is much more than just a slave? *Slave* is the first book in Sherri Hayes's captivating Finding Anna series. Enjoy this steamy romantic suspense series from romance author Rene Webb! A Kidnapped College Student While studying abroad, I was drugged, kidnapped, and imprisoned . . . in a Hong Kong brothel. After several failed attempts to escape, I know my time is running out. My innocence is about to be sold to the highest bidder. A Billionaire CEO My plan was to meet an investor at the upscale brothel, and immediately return to Boston. That was until I uncovered Lily. I recognized her instantly, but she had no memory of me. Now I only have one night to claim her and rescue her from her captors. Will one night be enough for him to win her trust, to rescue her?

Fate of Devotion Simon and Schuster After a teen girl is kidnapped and sold into slavery, she must find the strength to escape and be reunited with the boy she loves in this debut novel. *Collier's* Random House "Jeremy Stonehart is a cruel, vindictive man. He wants me to submit. He wants me to give in. I will never give in. I will never yield. No matter what he subjects me to, I will always fight. I will not forget my resolve. Let Stonehart think me broken. I am not so easily deterred as that. No matter what he puts me through, I will always remember my own strength. I will always remember that in the end, I have control of the one thing he really wants: My mind. I will never give him that. I will resist." --

Finding Your Place Mariner Books Graduate schools churn out tens of thousands of Ph.D.'s and M.A.'s every year. Half of all college courses are taught by adjunct faculty. The chances of an academic landing a tenure-track job seem only to shrink as student loan and credit card debts grow. What's a frustrated would-be scholar to do? Can he really leave academia? Can a non-academic job really be rewarding—and will anyone want to hire a grad-school refugee? With "So What Are You Going to Do with That?" Susan Basalla and Maggie Debelius—Ph.D.'s themselves—answer all

those questions with a resounding "Yes!" A witty, accessible guide full of concrete advice for anyone contemplating the jump from scholarship to the outside world, "So What Are You Going to Do with That?" covers topics ranging from career counseling to interview etiquette to translating skills learned in the academy into terms an employer can understand and appreciate. Packed with examples and stories from real people who have successfully made this daunting—but potentially rewarding—transition, and written with a deep understanding of both the joys and difficulties of the academic life, this fully revised and up-to-date edition will be indispensable for any graduate student or professor who has ever glanced at her CV, flipped through the want ads, and wondered, "What if?" "I will absolutely be recommending this book to our graduate students exploring their career options—I'd love to see it on the coffee tables in department lounges!"—Robin B. Wagner, former associate director for graduate career services, University of Chicago **Finding the Hero in Your Husband** Rene Webb

The purpose of my story is to leave a legacy that will point the next generation to the faithfulness of God's love and to make them aware that with God, all things are possible. God can turn the worst situation into something wonderful like he did for me. I believe that although everyone is created for greatness, without motivation, it could take a lifetime to discover the true talents he or she has hidden inside. After missing out on numerous childhood dreams, I was motivated to write my story, *Finding Your Place*, in the hope of encouraging others not to give up. My story is a living testimony that God's love is the source of one's strength. Despite the many hurdles that life throws at us, God's love never fails! Instead, his love has guided me to discovering my true purpose. I trust that my story, *Finding Your Place*, will inspire someone out of their struggles and lead many more souls to the kingdom of God. I have survived the worst. I have come out of the darkness with my sanity intact. Now, I get to meet the monster holding me here. For the first time since my captivity began, I get to meet Stonehart. Whatever he wants, I'll be ready. The collar may be tight around my neck, but I will not be a prisoner. A prisoner has no choice. A prisoner has no purpose. But a concubine, on the other hand? She always has a choice. And today, I choose to fight. -
