ARYANNA EVERETT

The Bewitching of Aveline Jones
 HarperFestival
 From Alexandra Horowitz, #1 New York Times bestselling author of *Inside of a Dog*, an eye-opening, informative, and wholly entertaining examination and celebration of the human-canine relationship for the curious dog owner and science-lover alike. We keep dogs and are kept by them. We love dogs and (we assume) we are loved by them. We buy them sweaters, toys, shoes; we are concerned with their social lives, their food, and their health. The story of humans and dogs is thousands of years

old but is far from understood. In *Our Dogs, Ourselves*, Alexandra Horowitz explores all aspects of this unique and complex interspecies pairing. As Horowitz considers the current culture of dogdom, she reveals the odd, surprising, and contradictory ways we live with dogs. We celebrate their individuality but breed them for sameness. Despite our deep emotional relationships with dogs, legally they are property to be bought, sold, abandoned, or euthanized as we wish. Even the way we speak to our dogs is at once perplexing and delightful. In thirteen thoughtful and charming chapters, *Our Dogs, Ourselves* affirms our profound affection for this most charismatic of animals—and opens our eyes to the companions at our sides as never before.

Russian Roulette Orchard Books

Alex Rider does battle with a charity broker con artist who has invested millions of dollars in a form of genetically modified corn that can release an airborne strain of virus capable of knocking out an entire country in one day.

The Switch Orchard Books

A hilarious day in the life of two EMS workers who drive an "ambulance," rushing to the aid of injured monsters. Meet Sally and Gus--the crackerjack emergency medical services team who come to help when someone is sick or injured. But the someones in their world are a little unearthly--which means they're on the Emergency Monster Squad! Ride along with these everyday heroes as they drive their ambulance to answer the calls

of a zombie with chest pains, a fractured skeleton, and a very pregnant kraken mama. It's a hair-raising job, but someone's gotta do it--and you never know what will happen when they crank up their siren and flash those lights!

Our Dogs, Ourselves HarperCollins

Two dark and creepy tales by Anthony Horowitz, a master storyteller and the bestselling author of the Alex Rider series. David's mobile won't stop ringing, but these are no ordinary callers. He seems to have a hotline to heaven - or is it to hell? Isabel has a nasty feeling that the Victorian bath her parents have installed is waiting for her - and it isn't for a bubble bath, more a blood bath...

A Monkey Among Us Anchor

Uncle Nigel is determined to get a sun tan. But Tim is sure there is something sinister going on, when his uncle's skin starts to frazzle and his brain begins to fry. When Bart buys a magical monkey's ear in a market in Marrakesh, he discovers that making wishes is a dangerous game - you might just get what you wish for . . . And who is the writer of the shortest horror story ever written?

Scorpia Orchard Books

Soon to be a series on PBS MASTERPIECE! "A double puzzle for puzzle fans, who don't often get the classicism they want from contemporary thrillers." —Janet Maslin, The New York Times New York Times bestseller | Winner of the Macavity Award for Best Novel | #1 Indie Next Pick | NPR best book of the Year | Washington Post best book of the Year | Esquire best book of the Year From the New York Times bestselling author of Moriarty and Trigger Mortis, this fiendishly brilliant, riveting thriller weaves a classic whodunit worthy of Agatha Christie into a chilling, ingeniously original modern-day mystery. When editor Susan Ryeland is given the manuscript of Alan Conway's latest novel, she has no reason to think it will be much different from any of his others. After working with the bestselling crime writer for years, she's intimately familiar with his detective, Atticus Pünd, who solves mysteries disturbing sleepy English villages. An homage to queens of classic British crime such as Agatha Christie and Dorothy Sayers, Alan's traditional formula has proved hugely successful. So successful that Susan must continue to put up with his troubling behavior if she wants to keep her job. Conway's latest tale has Atticus Pünd investigating a murder at Pye Hall, a local manor house. Yes, there are dead bodies and a host of intriguing suspects, but the more Susan reads, the more she's convinced that there is another story hidden in the pages of the

manuscript: one of real-life jealousy, greed, ruthless ambition, and murder. Masterful, clever, and relentlessly suspenseful, Magpie Murders is a deviously dark take on vintage English crime fiction in which the reader becomes the detective.

Trigger Mortis Walker

A collection of five bite-size myths from across the globe, *Death and the Underworld* by bestselling author Anthony Horowitz includes the tales from Greek, Indian and Norse myth. Part of the Legends series of six books, *Death and the Underworld* tells the tales of the great unknown. Only the very brave or very foolish will venture down into the realm of the afterlife by choice, and they will seldom live to tell the tale . . . Featuring black and white illustrations, the Legends series by Anthony Horowitz, the author of the phenomenally successful Alex Rider series, brings classic stories to life with thrilling imagination.

international #1 bestseller Anthony Horowitz delivers a blockbuster thrill ride. From the author of *Magpie Murders* and *Moriarty*.

Nightshade Horowitz Horror

"Horowitz delivers an entertainment sure to please James Bond fans." — Publishers Weekly (starred review) "The heart of any good thriller is the plot, and...Horowitz doesn't disappoint." — New York Times Book Review Blockbuster author Anthony Horowitz delivers a riveting and stylish take on literary legend James Bond (authorized by the Ian Fleming Estate) with a story that unfolds in the 1950s—and is the first new Bond novel to feature recently discovered original material by Ian Fleming. It's 1957 and James Bond (agent 007) has only just survived his showdown with Auric Goldfinger at Fort Knox. By his side is Pussy Galore, who was with him at the end. Unknown to either of them, the USSR and the West are in a deadly struggle for technological superiority. And SMERSH is back. The Soviet counter-intelligence agency plans to sabotage a Grand Prix race at the most dangerous track in Europe. But it's Bond who finds himself in the driving seat and events take an unexpected turn when he observes a suspicious meeting between SMERSH's driver and a sinister Korean millionaire, Jai Seong Sin. Soon Bond is pitched into an entirely different race uncovering a plan that could bring the West to its knees. Welcoming back familiar faces, including M and Miss Money Penny, international

bestselling author Anthony Horowitz ticks all the boxes: speed, danger, strong women and fiendish villains, to reinvent the golden age of Bond in this brilliantly gripping adventure. *Trigger Mortis* is also the first James Bond novel to feature previously unseen Ian Fleming material. This is James Bond as Fleming imagined him.
