Comfort for Troubled Hearts Moody Publishers

This is the story of Gordon Clark (1902-85), respected philosopher and prolific writer, who held that Christianity, as a logically coherent system, is superior to all other philosophies. Clark fought no wars and conquered no kingdoms. Yet he was a leading figure in many theological wars fought for the Kingdom of God.

These battles for the minds and souls of men were every bit as crucial as physical wars between nations. In an age of increasing secularization, he put up an intellectual defense of the Christian faith. This faith, he believed, was a system. All of its parts link together, a luxury of no other philosophy. His stance shows a Christianity that is in fact intellectual, not relying on appeals to emotion or experience. In propounding this view, he encountered frequent opposition, not from the secular world, but from within his own denomination. This biography helps explain why his thought was so profound, why resistance mounted against him, and how his struggles impacted American Presbyterianism. Additionally, this book calls for a reappraisal of Clark's views, which have been maligned by controversy. Understanding and applying his views could significantly fortify Christians combating irrational and non-systematic ideas prevalent in today's churches.

Of the many works he wrote during 1848, his "richest and most fruitful year," Kierkegaard specified Practice in Christianity as "the most perfect and truest thing." In his reflections on such topics as Christ's invitation to the burdened, the imitatio Christi, the possibility of offense, and the exalted Christ, he takes as his theme the requirement of Christian ideality in the context of divine grace. Addressing clergy and laity alike, Kierkegaard asserts the need for institutional and personal admission of the accommodation of Christianity to the culture and to the individual misuse of grace. As a corrective defense, the book is an attempt to find, ideally, a basis for the established order, which would involve the order's ability to acknowledge the Christian requirement, confess its own distance from it, and resort to grace for support in its continued existence. At the same time the book can be read as the beginning of Kierkegaard's attack on Christendom. Because of the high ideality of the contents and in order to prevent the misunderstanding that he himself represented that ideality, Kierkegaard writes under a new pseudonym, Anti-Climacus.

Carson illuminates Jesus's message to his disciples after the Last Supper, in which Jesus proclaims the coming of the Holy Spirit and prays for himself, his followers, and the world. D. A. Carson clearly explains what Jesus taught his disciples the night before his crucifixion. The Assurance of Our Salvation (Studies in John 17) CCEL

"Be wrong about social security, be wrong about baseball, be wrong about your career choice, but don't be wrong about where you will spend eternity." How You Can Be Sure You Will Spend Eternity with God—it's a big promise, but this short book delivers. It answers a host of questions, such as: Will good deeds help me get into heaven? Who goes to heaven and who doesn't? What role do I have in my own salvation? Can I lose my salvation if I commit a serious sin? Is it wrong to doubt my salvation, and what should I do if I doubt? Dr. Lutzer takes many scriptural teachings and siphons them into clear, cohesive truths. The result is a concise, accessible book about how to be saved and be sure you are saved. It is straight gospel—applicable to the skeptic, newly saved, and long-time believer alike.

Let Not Your Heart Be Troubled (Foreword by Elizabeth Catherwood and Ann Beatt) Moody Publishers

"If your soul is dry and your prayers are dead, here is living water to revive and refresh you." — David Murray Jesus's ministry on earth as a human was marked by a devotion to prayer. Through his prayer life, we see what it means to truly depend on God. Examining all of Jesus's prayers recorded in the New Testament, this book reflects on the content and structure of the Son of God's words to his Father— helping us imitate his example as we commune with our heavenly Father as adopted sons and daughters in Christ.

The Farewell Discourse and Final Prayer of Jesus Canongate U.S.

"Our Father, who art in heaven...." The opening words of the Lord's Prayer have become so familiar that we often speak them without a thought, sometimes without any awareness that we are speaking at all. But to the disciples who first heard these words from Jesus, the prayer was a thunderbolt, a radical new way to pray that changed them and the course of history. Far from a safe series of comforting words, the Lord's Prayer makes extraordinary claims, topples every earthly power, and announces God's reign over all things in heaven and on earth. In this groundbreaking new book, R. Albert Mohler Jr. recaptures the urgency and transformational nature of the prayer, revealing once again its remarkable, world-upending power. Step by step,

phrase by phrase, *The Prayer That Turns the World Upside Down* explains what these words mean and how we are to pray them. The Lord's Prayer is the most powerful prayer in the Bible, taught by Jesus to those closest to him. We desperately need to relearn its power and practice. *The Prayer That Turns the World Upside Down* shows us how.

[Exploring the Depth of Jesus' Prayer for His Own](#) Thomas Nelson
The president of Southern Seminary reveals how secularism has infiltrated every aspect of society and how Christians, equipped with the gospel of Jesus Christ, can meet it head on with hope, confidence, and steadfast conviction. A Storm Is Coming Western civilization and the Christian church stand at a moment of great danger. Facing them both is a hurricane-force battle of ideas that will determine the future of Western civilization and the soul of the Christian church. The forces arrayed against the West and the church are destructive ideologies, policies, and worldviews deeply established among intellectual elites, the political class, and our schools. More menacingly, these forces have also invaded the Christian church. The perils faced by the West and the church are unprecedented: threats to religious liberty redefinitions of marriage and family attacks on the sacredness and dignity of human life How should Christians respond to this multifaceted challenge? Addressing each dimension of this challenge, *The Gathering Storm* provides answers and equips Christians both to give an answer for the hope that is within them and to contend for the faith that was once and for all delivered to the saints.

In 1951, with the Second World War not long over and the menace of the Cold War generating anxiety in the West, Martyn Lloyd-Jones preached eight sermons on John 14:1-12 at Westminster Chapel in London. These sermons, presented in *Let Not Your Heart Be Troubled*, were intended to comfort, strengthen, and build up Christians in their "most holy faith" and to bring unbelievers to a knowledge of the only way men and women can face matters of life and death. Lloyd-Jones went through these verses carefully, showing that the way to deal with

our fears is first to recognize and confront them and then to realize that the answer is only to be found in the great and unchanging truths of the gospel. Pastors, Lloyd-Jones readers, and anyone needing encouragement will benefit from this work by one of the twentieth century's foremost preachers.

[How You Can Be Sure You Will Spend Eternity with God](#) Thomas Nelson

"It is our purpose to give a verse by verse exposition of the fourth Gospel in the course of this series of studies, but before turning to the opening verses of chapter I it will be necessary to consider John's Gospel as a whole, with the endeavor of discovering its scope, its central theme, and its relation to the other three Gospels. We shall not waste the reader's time by entering into a discussion as to who wrote this fourth Gospel, as to where John was when he wrote it, nor as to the probable date when it was written. These may be points of academic interest, but they provide no food for the soul, nor do they afford any help to an understanding of this section of the Bible, and these are the two chief things we desire to accomplish. Our aim is to open up the Scriptures in such a way that the reader will be able to enter into the meaning of what God has recorded for our learning in this part of His Holy Word, and to edify those who are members of the Household of Faith." Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society (an occult gnostic group popular in England during that time), and quickly rose in prominence within their ranks. His conversion came from his father's patient admonitions from Scripture. It was the verse, Proverbs 14:12, 'there is a way which seemeth right unto a man, but the end thereof are the ways of death, ' which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.
