Ask a Manager Jones & Bartlett Publishers  
We wanted the textbook to be informative and readable—a resource to encourage critical and creative thinking about workplace issues and to sensitize you to the need for effective workplace

management of these issues. We think we have accomplished our goal. We hope the text is as interesting and informative for you to read and use as it was exciting and challenging for us to write.

### **Business Law and the Legal**

**Environment** McGraw-Hill Education  
With faultless accuracy, this text is the most detailed and analytical account of law for those new to the subject. It provides commanding analysis of the

English legal system, contract law, the law of torts, company law, and employment law, as well as covering relevant aspects of the law of agency and environmental law. Online chapters provide further discussion relating to the economic torts, corporate governance, the sale of goods, consumer credit, and the law relating to unfair and illegal commercial practices. All of this is discussed using relevant examples from the business environment,

and the key legal cases to help develop a greater understanding of the interconnections between the law and corporate setting. The new learning features have been incorporated throughout, making this difficult subject more accessible. Key case, examples, and discussion boxes demonstrate the application of law and highlight core principles, while self-test questions allow students to assess their progress. Online Resource Centre The accompanying Online Resource Centre provides a wealth of resources for students to further develop their understanding and test their knowledge, including additional practice questions with answers, a flashcard glossary of key legal terms and updates to the law via Twitter. This new edition also includes a testbank of MCQs for lecturer use.

Selwyn's Law of Employment Pearson  
The Excuse Factory will spur outrage and spark a national debate about the role of government in the workplace. Olson's expose is certain to shake up the legal industry, rattle government regulators, and cause thousands of workers and managers to nod in vigorous agreement.

*Handy Reference Guide to the Fair Labor Standards Act (Federal Wage-hour Law) ...* Cengage Learning  
Bennett-Alexander and Hartman's *Employment Law for Business* addresses employment law and employment decisions from a managerial perspective. This textbook shows students how to manage effectively and efficiently, with full comprehension of the legal ramifications of their decisions. Students learn to analyze employment law facts using concrete examples of thorny management-related legal dilemmas. The authors illustrate the various methods that can be used to reach a resolution, so that students understand how to make their own business decisions based on legal considerations.

*California Employment Law* American Bar Association  
**LABOR AND EMPLOYMENT LAW: TEXT & CASES, 15TH EDITION**, written by a nationally renowned White House labor arbitrator, offers comprehensive and objective coverage of labor and employment law topics that challenge students to develop critical thinking skills through case analysis. In-depth chapters

explore labor law topics, focusing primarily on the National Labor Relations Act, and are updated to include coverage of court systems and the role of administrative agencies in policymaking. In addition, a thorough understanding of employment law topics is provided through chapters on discrimination law, occupational safety and health issues, employee privacy and more. Also included in this edition are issues of violence in the workplace and the implications of the ADA Amendments Act of 2008. No other text in this market can claim the prestige of authorship and timely coverage of topics so important to students in their business careers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

### **Cases and Materials on Employment Law** Greenwood Press

Thoroughly revised, updated, and expanded, *The SAGE Encyclopedia of Business Ethics and Society, Second Edition* explores current topics, such as mass social media, cookies, and cyber-attacks, as well as traditional issues including accounting, discrimination,

environmental concerns, and management. The new edition also includes an in-depth examination of current and recent ethical affairs, such as the dangerous work environments of off-shore factories for Western retailers, the negligence resulting in the 2010 BP oil spill, the gender wage gap, the minimum wage debate and increasing income disparity, and the unparalleled level of debt in the U.S. and other countries with the challenges it presents to many societies and the considerable impact on the ethics of intergenerational wealth transfers. Key Features Include: Seven volumes, available in both electronic and print formats, contain more than 1,200 signed entries by significant figures in the field Cross-references and suggestions for further readings to guide students to in-depth resources Thematic Reader's Guide groups related entries by general topics Index allows for thorough browse-and-search capabilities in the electronic edition

**Employment Law for Business with PowerWeb** Aspen Publishing

The single most up-to-date text available for the Legal Environment course. The Legal Environment of Business and Online

Commerce examines how the current legal environment, government regulation, and e-commerce environment impact today's business decisions. The cases in this text are cutting-edge, exciting, and engaging, and the reasoning of each case is presented in the language of the court. Managing Business Ethics Simon and Schuster

"Written especially for HR professionals and business people, California Employment Law: An Employer's Guide is the essential resource for avoiding the many perils and pitfalls California employers face. Comprehensively updated to address new developments, the 2019 Edition features: New independent contractor test New harassment training requirements Class-action waivers in arbitration agreements New rules on national origin discrimination Requirement that employees be paid for minimal preparation and concluding work Clarification of rules regarding salary history inquiries New NLRB standards for employee conduct policies Requirements for lawful time clock rounding Rules for rest break pay for commissioned and piece-rate employees New rules regarding

lactation breaks"--

**Employment Law for Business** SAGE Publications

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

*Business Law* Aspen Publishing

Revised edition of the authors' *Managing business ethics*, [2014]

**The Fair Labor Standards Act** Aspen

### Publishers

A complete reference resource for students of employment law. Well established as the most regularly updated casebook on the market, it offers a wide range of case law and statutes along with plenty of non-statutory material, providing students with a thorough grounding in the subject.

Employment Law for Business Aspen Publishing

"Every NP should own a copy of this book!" - The Nurse Practitioner Journal Written by a nurse practitioner who is also a practicing attorney, Nurse Practitioner's Business Practice and Legal Guide, Second Edition provides the unique point of view of an author who knows what legal and business problems arise on a daily basis. The second edition to this best seller will teach you: --How to write an effective business plan using the most up-to-date information and planning strategies-How to avoid malpractice and other lawsuits-What rights an employed NP has-What to do if rejected for payment-How to effectively negotiate managed care contracts-How to get the highest marks on performance report cards-What must take

place for NPs to become primary care providers-What decisions need to be made before starting a practice-How to handle patient flow-And more!Nurse practitioners and NP students who read this book will have a solid foundation of knowledge with which they may continue their practice confidently and effectively, whether it be in developing an employment relationship, undertaking a business venture, giving testimony before the state legislature, composing a letter to an insurance company about an unpaid bill, teaching at a school of nursing, or serving as president of a state or national organization.

Stewart's Guide to Employment Law Oxford University Press, USA

"The revised fourth edition features changes in the Employment Standards Act and Bill 148 (Fair Workplaces Better Jobs Act). Bill 148's passage also impacts the content in numerous other chapters and the changes to the ESA resulting from Bill 47 will result in updates to the Employment Standards Act chapter. "--Business Law I Essentials U.S. Government Printing Office

From the creator of the popular website Ask a Manager and New York's work-

advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get

you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**Employment and Labor Law**

Introduction to Business covers the scope and sequence of most introductory business courses. The book provides detailed explanations in the context of core themes such as customer

satisfaction, ethics, entrepreneurship, global business, and managing change. Introduction to Business includes hundreds of current business examples from a range of industries and geographic locations, which feature a variety of individuals. The outcome is a balanced approach to the theory and application of business concepts, with attention to the knowledge and skills necessary for student success in this course and beyond. This is an adaptation of Introduction to Business by OpenStax. You can access the textbook as pdf for free at [openstax.org](https://openstax.org). Minor editorial changes were made to ensure a better ebook reading experience. Textbook content produced by OpenStax is licensed under a Creative Commons Attribution 4.0 International License.

**The SAGE Encyclopedia of Industrial and Organizational Psychology**

Cengage Learning  
Bennett-Alexander and Hartman's, *Employment Law for Business*, 4/e, addresses law and employment decisions from a managerial perspective. It is intended to instruct students on how to manage effectively and efficiently with full comprehension of the legal ramifications

of their decisions. Students are shown how to think and analyze employment law facts using concrete examples of management-related legal dilemmas without clear-cut solutions. The methods of arriving at resolutions are emphasized, so that when the facts of the workplace problem are not quite the same, the student can still reach a good decision based on the legal considerations required by law, which remain relevant.

**Model Rules of Professional Conduct**  
SAGE Publications

A contextual, rigorous treatment of employment law, featuring a running case example to show exactly how the law works, and including extracts from key cases and source materials.

*Loose Leaf for Employment Law for Business*  
McGraw-Hill/Irwin

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are

followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Property Law McGraw-Hill Education  
For over 20 years, Law for Business has gone well beyond merely identifying the current legal rules and regulations affecting business by offering insights into

new developments and trends that will affect the future of business. It has provided students with a comprehensive, yet concise treatment of the legal issues of fundamental importance to business students and the business profession. The cases, which have always been a strong feature, are edited and re-written by the authors, who divide the material into three categories: facts, issues, decisions. The authors, Barnes, Dworkin, and Richards, choose cases that are appropriate to explain precedent and history as well as include hot topic cases that relate to current events. In addition to case applications, the authors use such

techniques as content summaries to apply concepts to practice. Effective managers and employees must develop knowledge of both law and business because people involved in business also are involved in, and greatly affected by, the laws concerning business.

*Introduction to Business* Oxford University Press

Addresses law and employment decisions with a management perspective. This text explains how to approach and manage legal employment decisions, and outlines the specific legal framework in which management decisions are made.
