World War I and the Making of the Modern American Citizen Capstone

Uncle Sam And Old Glory Symbols Of America Atheneum

I Should Say So University Press of New England

Describes "Uncle Sam" Wilson, the New York meat-packer who supplied the troops with meat during the War of 1812, and how he gave rise to our national symbol.

Uncle Sam Gareth Stevens Publishing LLLP

Included in this book are more than 150 examples of Nast's work which, together with the author's commentary, recreate the life and pattern of artistic development of the man who made the political cartoon a respected and powerful journalistic form.

Uncle Sam Philadelphia : Lippincott

"An exploration of the origins and history of Uncle Sam and the real man, Samuel Wilson, who inspired this beloved symbol of America"--Provided by publisher.

The Stories Behind Some of America's Patriotic Symbols

HomeSchool Brew Press

Learn all about Samuel Wilson the man Uncle Sam was based on.

Uncle Sam Weigl Pub Incorporated

Follows Uncle Sam as he rallies the country during the War of 1812, welcomes immigrants at the turn of the twentieth century, gives hope to Americans during the Great Depression, and helps the people of the United States fulfill their dreams and create a better nation.

The Uncle Sam and You Curriculum Package Simon and Schuster

"Explains the origins of Uncle Sam, and the importance of this nickname as a symbol of the United States government."

Uncle Sam Capstone

Reveals the exciting stories behind the many symbols, landmarks, and documents that have shaped American history, including Plymouth Rock, the White House, Ellis Island, the flag, Uncle Sam, the National Anthem, and the Pledge of Allegiance. Reprint.

Kindergarten Grade Social Science Lesson, Activities,

Discussion Questions and Quizzes Teacher Created Resources

"Uncle Sam and You takes students on a guided tour of what elected officials and everyday citizens do to run America today. Students learn about government on all levels: federal, state, and local. They study American ideals, symbols, and holidays.

Students discover what it is like to be a fireman, a police officer, and the president of the United States. They learn respect for their community, state, and country; and they learn about the people who make them work. Throughout the curriculum, students learn that a citizen's rights are what his country owes him and a citizen's responsibilities are what he owes his country. Along the way, they learn the stories of famous and not-so-famous American heroes who have lived out these truths. The Uncle Sam and You Curriculum Package includes Uncle Sam and You Part 1 (first semester) and Part 2 (second semester). Each book contains seventy-five lessons that teach how our country works and how to be a good citizen. The Citizen's Handbook is a collection of primary source documents and short stories related to civics. Each of these full-color hardcover books is richly illustrated with modern and historic photographs and illustrations. Also included is the Uncle Sam and You Answer Key."--Provided by publisher.

The Birth and Growth of a Nation Image Comics

If your child is struggling with social science, then this book is for you; the short book covers the topic and also contains 10 discussion questions, 10 activities, and 20 quiz style questions. This subject comes from the book "First Grade Social Science (For Homeschool or Extra Practice)"; it more thoroughly covers more first grade topics to help your child get a better understanding of first grade social science. If you purchased that book, or plan to purchase that book, do not purchase this, as the activities are the same.

Uncle Sam Capstone Press

American Trivia includes the origin of the national anthem, stories about national treasures such as the Liberty Bell and Statue of Liberty, fascinating information about the country's many heroes and inventors, and more!

Symbols Of America HomeSchool Brew Press

According to the popular maxim, a nation at war reveals its true character. In this incisive work, Chris Gilbert examines the long

history of US war politics through the lens of political cartoons to provide new, unique insights into American cultural identity. Tracing the comic representation of American values from the First World War to the War on Terror, Gilbert explores the power of humor in caricature to expose both the folly in jingoistic virtues and the sometimes-strange fortune in nationalistic vices. He examines the artwork of four exemplary American cartoonists—James Montgomery Flagg, Dr. Seuss, Ollie Harrington, and Ann Telnaes—to craft a trenchant image of Americanism. These examinations animate the rhetorical, and indeed comic, force of icons like Uncle Sam, national symbols like the American Eagle, political stooges like President Donald J. Trump, and more, as well as the power of political cartoons to comment on issues of race, class, and gender on the home front. Throughout, Gilbert portrays a US culture rooted in and riven by ideas of manifest destiny, patriotism, and democracy for all, yet plagued by ugly forms of nationalism, misogyny, racism, and violence. Rich with examples of hilarious and masterfully drawn caricatures from a diverse range of creators, this unflinching look at the evolution of our conflicted national character illustrates how American cartoonists use farce, mockery, and wit to put national character in the comic looking glass.

WHITE MAN'S BURDEN Atheneum

Uncle Sam, half-length portrait, pointing at viewer.

The History of John Bull G K Hall

In early 19th century Uncle Sam became the symbol/personification of the American government. To novelist, dramatist, critic, and professor of English at Columbia Univ, John Erskine (1879 - 1951), "The cartoon figure of Uncle Sam, the lanky gentleman with top-hat, long coat and boots, seems almost the portrait of a personality we have met. For some of us the face of this personality wears a benign expression; for others the features are mean." This novel fleshes out the caricature into a complete character, and in so doing, supplies the symbol of "the national temperament" with a biography. Erskine tells us that "He was the youngest of the family. All his life the others called his attention to the fact, as though he ought to do something about it, or at least be ashamed. As a child he was freckled and undersized. Later he grew quite tall, awkwardly so, but the

freckles remained, along with the carrot hair. The others had a trick, not unkindly meant, of pointing out his lack of presence, not to say beauty."

Red, White, Blue, and Uncle Who? Courier Dover Publications

This book re-presents the poetry of Rudyard Kipling in the form of bold slogans, the better for us to reappraise the meaning and import of his words and his art. Each line or phrase is thrust at the reader in a manner that may be inspirational or controversial... it is for the modern consumer of this recontextualization to decide. They are words to provoke: to action. To inspire. To recite. To revile. To reconcile or reconsider the legacy and benefits of colonialism. Compiled and presented by sloganist Dick Robinson, three poems are included, complete and uncut: 'White Man's Burden', 'Fuzzy-Wuzzy' and 'If'.

Patriotic Songs & Symbols Cavendish Square Publishing, LLC
 "Although he was never more than a cartoon, the bearded, tall-hat-wearing figure known as Uncle Sam has a permanent place on the American family tree. With the help of factual text and engaging photos, young report writers will learn how and when the U.S. symbol was created, what role it's played through the years, and what significance it still has today."--

Thomas Nast, Political Cartoonist Capstone

It is said that the inspiration for the character of Uncle Sam was a man named Sam Wilson, who provided food for the U.S. Army during the War of 1812. By the 1830s, the figure of Uncle Sam had become a personified image of America, commonly used by newspaper and magazine cartoonists to represent the U.S. government's decisions and policies. Perhaps the best-known

image of Uncle Sam was created in 1917, during the First World War—a stern, white-haired man wearing star-spangled clothing, encouraging Americans to do their part to support their nation. Uncle Sam remains an important symbol of the United States and the policies and activities of our government.

Simon & Schuster Books for Young Readers
