I chose to use the image of a tile as the cover of *Fortuna* because, for me, that's how the story began - with a small piece of red tile that washed up on the beach

on Long Beach Island, New Jersey in 1970. More than half a century before, the *Fortuna*, loaded with roofing tiles for ballast, set sail on a two-year voyage to New York. Just short of her final destination, she became one more shipwreck off the coast of Long Beach Island. Those tiles were her calling cards. *Fortuna* almost ended the same as it

started. While photographing the tile for the cover of this book, a huge wave came in and washed the tile back into the sea. But, like all the other pieces of this story that landed at my feet, the tile washed back onto the beach five days later.

What an achievement! It is a major work. The letters taken together with the excellent introductory sections - so balanced and judicious and informative - what emerges is an amazing picture of William Sharp the man and the writer which explores just how fascinating a

figure he is. Clearly a major reassessment is due and this book could make it happen. —Andrew Hook, Emeritus Bradley Professor of English and American Literature, Glasgow University William Sharp (1855-1905) conducted one of the most audacious literary deceptions of his or any time. Sharp was a Scottish poet, novelist, biographer and editor who in 1893 began to write critically and commercially successful books under the name Fiona Macleod. This was far more than just a pseudonym: he corresponded as Macleod, enlisting his sister to provide the handwriting and address, and for more than a decade "Fiona Macleod" duped not only the general public but such literary luminaries as William Butler Yeats and, in America, E. C. Stedman.

Sharp wrote "I feel another self within me now more than ever; it is as if I were possessed by a spirit who must speak out". This three-volume collection brings together Sharp's own correspondence - a fascinating trove in its own right, by a Victorian man of letters who was on intimate terms with writers including Dante Gabriel Rossetti, Walter Pater, and George Meredith - and the Fiona Macleod letters, which bring to life Sharp's intriguing "second self". With an introduction and detailed notes by William F. Halloran, this richly rewarding collection offers a wonderful insight into the literary landscape of the time, while also investigating a strange and underappreciated phenomenon of late-nineteenth-century English literature. It is essential for scholars of the period,

and it is an illuminating read for anyone interested in authorship and identity. *Missionary Leaves and the Native Church Helper* Bloomsbury Publishing Continuing from Volume I, Volume II intersperses numerous soldiers' letters with those from home. The issue of slavery from both the owners and individuals is brought forth. Did colored men really serve as Confederate soldiers? Did free black men? Union soldiers described southern women as defiant, beautiful, crude, and pitiful. Read of women aboard blockade-runners, the fall of Wilmington, Sherman's march, Stoneman's western raiders, and the end of the war. Did any civilians die due to these raids? Did they idly sit by as their lives and homes were destroyed? The war did come to their

doorstep during the second half of the conflict. Both Volume I and II tell something from each of the state's 87 counties. Perhaps you may find information about your ancestor among these pages. Information from period newspapers, as well as mostly unpublished letters, tell their stories.

The Agricultural Economist and Horticultural Review Good Press

In a chapel service in rural Wales, all is not what it seems . . . A stage adaptation of one of the most celebrated and controversial short-story collections in the history of Anglo-Welsh literature. Originally published in 1915, the searing stories of My People – darkly comic, poignant, with flashes of savagery – exposed the hypocrisy and avarice nestling side-by-side in a Nonconformist

community in the rural West Wales of the early 1900s. First produced in the centenary year of the publication of the original collection, this radical reimagining makes us question whether the events depicted in these remarkable stories are consigned to the past, or can we discern uncomfortable parallels in our modern life? This programme text edition was published to coincide with the world premiere of the stage adaptation on 5 November 2015 at Clwyd Theatr Cymru, in a co-production with Invertigo Theatre.

Annual Report of the Director Open Book Publishers

"The Uncommercial Traveller" is a collection of literary sketches and reminiscences by Charles Dickens, published in 1860–1861. The sketches

are based on Dicken's own experiences as a traveler, collected on his numerous trips in Europe and abroad. They are full of adventures, interesting events, and funny facts, described by Dicken's incomparable style and sense of humor.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the

office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not)

and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford

professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By* and *Get Your Financial Life Together*
