Writing regularly, even in moderate amounts, minimizes warm-up effects. Writing in a regimen produces both ease of writing and surprising output of writing.” — Robert Boice, Professors as Writers: A Self-Help Guide to Productive Writing. Robert Boice (Author of Professors as Writers) A professor of psychology who began his career in the 1960s, using rats as subjects, Boice soon switched to studying professors, and it was here that he made his

mark. His research focused on identifying the behavioral patterns associated with academic success and failure: what makes for a good or bad teacher, a productive or a blocked writer, a happy or disgruntled colleague.
