 The Prophecies is a  
 collection of prophecies  
 by French physician  
 Nostradamus. The book  
 begins with a preface, in  
 the form of a message to  
 his son César, followed by  
 the Centuries themselves.  
 The predictions do not  
 follow chronological  
 coherence and were  
 written combining French,  
 Greek, Latin and Occitan.  
 It is believed that it  
 contains anagrams,  
 mythological and

astrological references, in  
 a subjective language that  
 makes comprehension  
 difficult. Some scholars  
 claim that this was a  
 resource used by  
 Nostradamus to evade the  
 Holy Inquisition, for fear of  
 being persecuted for  
 heresy.  
The Prophecies Lexington  
 Marshall Publishing, LLC  
 Written by one of the  
 leading scholars of  
 Japanese religion,  
 Protectors and Predators  
 is the second installment  
 of a multivolume project  
 that promises to be a  
 milestone in our

understanding of the mythico-ritual system of esoteric Buddhism—specifically the nature and roles of deities in the religious world of medieval Japan and beyond. Bernard Faure introduces readers to medieval Japanese religiosity and shows the centrality of the gods in religious discourse and ritual. Throughout he engages theoretical insights drawn from structuralism, post-structuralism, and Actor-Network Theory to retrieve the “implicit

pantheon” (as opposed to the “explicit orthodox pantheon”) of esoteric Japanese Buddhism (Mikkyō). His work is particularly significant given its focus on the deities’ multiple and shifting representations, overlappings, and modes of actions rather than on individual characters and functions. In *Protectors and Predators* Faure argues that the “wild” gods of Japan were at the center of the medieval religious landscape and came together in complex webs of association not

divisible into the categories of “Buddhist,” “indigenous,” or “Shinto.” Furthermore, among the most important medieval gods, certain ones had roots in Hinduism, others in Daoism and Yin-Yang thought. He displays vast knowledge of his subject and presents his research—much of it in largely unstudied material—with theoretical sophistication. His arguments and analyses assume the centrality of the iconographic record as a complement to the textual record, and so he

has brought together a rich and rare collection of more than 170 color and black-and-white images. This emphasis on iconography and the ways in which it complements, supplements, or deconstructs textual orthodoxy is critical to a fuller comprehension of a set of medieval Japanese beliefs and practices and offers a corrective to the traditional division of the field into religious studies, which typically ignores the images, and art history, which oftentimes overlooks their ritual and

religious meaning. *Protectors and Predators* and its companion volumes should persuade readers that the gods constituted a central part of medieval Japanese religion and that the latter cannot be reduced to a simplistic confrontation, parallelism, or complementarity between some monolithic teachings known as “Buddhism” and “Shinto.” Once these reductionist labels and categories are discarded, a new and fascinating religious landscape begins to

unfold.

The Kularnava is perhaps the foremost Tantra of the Kaula School and is constantly cited as an authority in Tantric literature. It is worthy of close study by those who would understand the tenets and practice of the tradition of which it is a Sastra. The Introduction by Arthur Avalon gives a concise outline of the work. Sri M.P. Pandit who is a keen student of the

Tantras and Vedas has rendered the work in English in eleven chapters. The readings are free translations, with annotations where necessary, omitting technical details but preserving the spirit and essential import of the original in his characteristically lucid style. The Kularnava prescribes the modes of preparation for the high quest; it draws upon ethics, religion, philosophy, yoga to elevate human life gradually to the level of

godly life. It comprehends the multiple personality of man and provides for the healthy growth of his mental faculties, purification of his physical faculties through ritual, japa, mantra and upasana. Who is fit for the path of Tantra? Who is competent to guide the novice on the double-edged razor path? What is the responsibility of a Guru to a disciple? These and other relevant questions are raised and answered in a satisfying manner.
