The Legend of the Grail
Farrar, Straus and

In this verse translation of Perceval; or, The Story of the Grail, Ruth Harwood Cline restores to life the thematically crucial Arthurian tale of the education of a knight in his search for the Holy Grail. Cline's translation, faithful to the highly synthetic, deliberately ornate nature of medieval French, follows Perceval from his home in Wales, through his rich and raucous adventures as a member of the fraternity of knights, to his climactic meeting with the Fisher King. Paralyzed by his first glimpse of the Grail, Perceval fails to save the ailing king. Distraught, the knight

begins a new quest for the Grail, a journey on the road of penitence and faith. Perceval's venture, the true test of his knighthood, ends without conclusion; the death of author Chrétien de Troyes left unsaid and undetermined the success of Perceval's quest.

"[A]n eminently readable text, done clearly and accurately . . . it gives as good an idea as a translation can of the complexity and subtlety of Chrétien's originals. . . . The text is provided by a translator who

understands the spirit as well as the letter of the original and renders it with style. . . . [T]his translation should attract a wide audience of students and Arthurian enthusiasts."

—Library Journal
 "These are, above all, stories of courtly love and of knights tested in their devotion to chivalric ideals (with passion and duty often at odds); but they are also thrilling wonder stories of giants, wild men, tame lions, razor-sharp bridges and visits to the Other World." —Washington Post Book World "This tastefully produced book will be the standard general

translation for many years to come."

—Choice This new translation brings to life for a new generation of readers the stories of King Arthur, Lancelot, Guinevere, Gawain, Perceval, Yvain, and the other "knights and ladies" of Chrétien de Troyes' famous romances.

 "My good sir, is she your daughter then?' 'Yes, but don't pay any attention to what she says,' said the lord. 'She's a child - a silly, foolish thing.' 'Indeed,' said my lord Gawain, 'then I'd be very ill-mannered not to do what she wants.'" - Chrétien de Troyes, Arthurian Romances

An Anthology of Medieval Texts in Translation DS

Brewer
The mysterious and haunting Grail makes its first appearance in literature in Chrétien de Troyes' *Perceval* at the end of the twelfth century. But Chrétien never finished his poem, leaving an unresolved story and an incomplete picture of the Grail. It was, however, far too attractive an idea to

leave. Not only did it inspire quite separate works; his own unfinished poem was continued and finally completed by no fewer than four other writers. I>The Complete Story of the Grail is the first ever translation of the whole of the rich and compelling body of tales contained in Chrétien's poem and its four Continuations, which are finally attracting the scholarly attention they deserve. Besides Chrétien's original text, there are the anonymous First Continuation (translated here in its fullest version), the Second Continuation attributed to Wauchier de Denain, and the intriguing Third and Fourth Continuations - probably written simultaneously, with no knowledge of each

other's work - by Manessier and Gerbert de Montreuil. Two other poets were drawn to create preludes explaining the background to Chrétien's story, and translated here also are their works: The Elucidation Prologue and Bliocadran. Only in this, The Story of the Grail's complete form, can the reader appreciate the narrative skill and invention of the medieval poets and their surprising responses to Chrétien's theme - not least their crucial focus on the knight as a crusader. Equally, Chrétien's original poem was almost always copied in conjunction with one or more of the Continuations, so this translation represents

how most medieval readers would have encountered it. Nigel Bryant's previous translations from Medieval French include *Perlesvaus* - the High Book of the Grail, Robert de Boron's trilogy *Merlin and the Grail*, the Medieval Romance of Alexander, *The True Chronicles of Jean le Bel* and *Perceforest*.

The Natural D. S. Brewer

An uncanny literary thriller addressing the painful legacy of lynching in the US, by the author of *Telephone Percival* Everett's *The Trees* is a page-turner that opens with a series of brutal murders in the rural town of Money, Mississippi. When a pair of detectives from the Mississippi Bureau of Investigation arrive,

they meet expected resistance from the local sheriff, his deputy, the coroner, and a string of racist White townsfolk. The murders present a puzzle, for at each crime scene there is a second dead body: that of a man who resembles Emmett Till. The detectives suspect that these are killings of retribution, but soon discover that eerily similar murders are taking place all over the country. Something truly strange is afoot. As the bodies pile up, the MBI detectives seek answers from a local root doctor who has been documenting every lynching in the country for years, uncovering a history that refuses to be buried. In this bold, provocative book, Everett takes direct

aim at racism and police violence, and does so in a fast-paced style that ensures the reader can't look away. *The Trees* is an enormously powerful novel of lasting importance from an author with his finger on America's pulse.
