Chelsey was death the unthinkable. When Her Only Surviving Parent, her

beloved father, was violently murdered days before her fourteenth birthday, Chelsey's life was forever changed. As she was forced to come to terms with a new home life, a new school . . . a new identity as an orphan, Chelsey struggled to make sense of her personal tragedy. Yet she found a way to flourish despite all the odds. "I thought of myself in a new light: a girl, newly fourteen, standing in her dead father's study, all in black, a single tear streaming down her cheek. I was alone. My family told me again and again I was not, but without him, I was. I was no longer anyone's child." Because Truth Is More Fascinating Than Fiction

Haden Lord, the disgraced prince of the Underrealm, has been sent to the mortal world to entice a girl into returning with him to the land of the dead. Posing as a student at Olympus Hills High—a haven for children of the rich and famous—Haden must single out the one girl rumored to be able to restore immortality to his race. Daphne Raines has dreams much bigger than her tiny southern Utah town, so when her rock star dad suddenly reappears, offering her full tuition to Olympus Hills High's prestigious music program, she sees an opportunity to catch the break she needs to make it as a singer. But upon moving into her estranged father's mansion in California, and attending her glamorous new school, Daphne soon realizes she isn't the only student in Olympus who doesn't quite belong. Haden and Daphne—destined for each other—know nothing of the true stakes their fated courtship entails. As war between the gods brews, the teenagers' lives collide. On a slab that's all Katrina left of her Mississippi home, Tiger tells her story, and it is as American as Horatio Alger, Schwab's *Pharmacy*, and a tent revival. She was a stripper, but is she now a performance artist and best-selling author, and it is really Barbara Walters she's narrating this tale to? We're too dazzled to know more than that this is about how a girl ends up in the backwash of decadence and sin and how out of the flotsam and jetsam she might construct a story of herself and the South to carry her to salvation. Serial killers, preachers, and prison flower-arranging classes. Bikers, bad boyfriends, and a stripper who performed as a Trans Am. Tiger has seen it all and as she sits on her slab, identifying anecdotes as they go by, we witness Selah Saterstrom at her greatest—funny, bawdy, and steeped in the landscape and all the devastation it has created and absorbed. Selah Saterstrom is the author of the novels *The Pink Institution*, *The Meat and Spirit Plan*, and *Slab*, all published by Coffee House Press. She is also the author of *Tiger Goes to the Dogs*, a limited edition letterpress project published by *Nor By Press*. Her prose, poetry, and interviews can be found in publications such as *The Black Warrior Review*, *Postroad*, *Tarpaulin Sky*, *Fourteen Hills*, and other

places. She is the director of the PhD program in creative writing at the University of Denver and teaches and lectures throughout the United States. *Slab* Carolrhoda Lab ®

"A handbook for hunting and punishing witches to assist the Inquisition and Church in exterminating undesirables. Mostly a compilation of superstition and folklore, the book was taken very seriously at the time it was written in the 15th century and became a kind of spiritual law book used by judges to determine the guilt of the accused"--From publisher description.

Fan-favorite author Bree Despain continues her modern-day romance trilogy inspired by the Greek myth of Persephone and Hades with this second book in her Into the Dark series. Haden Lord, the disgraced Prince of the Underrealm, has chosen love over honor and will do everything in his power to protect Daphne Raines, the human girl he was supposed to bring to the Underrealm. Haden's choice is put to the test as the Skylords and a figure from his past arrive in Olympus Hills with a plan that could destroy all of the realms. Embracing her destiny as the Cypher, Daphne begins to understand the immense power of her musical ability to control the elements, but she must come to terms with her feelings for Haden and what she must sacrifice in order to protect him and her friends. Believing the Key of Hades is the only thing that can stop the Underrealm Court from releasing the monstrous Keres on the mortal world, Haden, Daphne, and their friends set out to find the Key before Persephone's Gate opens again on the spring equinox.

This is a demanding book—but our times are demanding. It is an honest book—and our times demand truth.

—Matthew Fox, American priest, theologian, and author The genius of this book is the knowledge that this catastrophe is a necessary precursor to a radical transformation that we are co-creating with the divine. Radical Regeneration is an indispensable guide for what lies ahead. —Betty J. Kovács, Ph.D., author of Merchants of Light: The Consciousness That Is Changing the World This book, Radical Regeneration, is a radiant offering of the possibility of the evolution of human consciousness in the midst of extinction. It's exactly the fierce and sacred medicine we need right now. —V (formerly known as Eve Ensler), author of The Vagina Monologues and The Apology Andrew Harvey and Carolyn Baker invite us to rise to these times as a grand initiation, to be renewed in splendor, or to stand idly and be swallowed by Kali, the goddess of time and death. —Alberto Villoldo PhD, Bestselling author of One Spirit Medicine and Shaman Healer Sage If ever we needed a guidebook that truly addressed the crises of our times while inspiring us with guidance and wisdom, this is that book. —Caroline Myss, author of Anatomy of the Spirit and Intimate Conversations with the Divine What is being made crystal clear is that humanity stands at a monumentally fragile threshold with two stark choices placed before it in a situation of complete uncertainty: Those choices are: 1) To continue to worship a vision of power, totally distanced from sacred reality 2) Or to choose the path of submitting bravely to the alchemy of being transfigured by a global dark night event that shatters all illusions but reveals the greatest imaginable possibility being born out of the greatest imaginable disaster. If humanity chooses the second path, which is what is being

celebrated in this book, then it will have trained itself in the new radical unity necessary to weather the even worse crises that most certainly will quickly follow.

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, *Time*), “poignant” (*Entertainment Weekly*), “soul-nourishing” (*USA Today*) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—*Esquire* Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, *NPR*, *Esquire*, *Newsday*, and *Booklist* Trevor Noah’s unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world

where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

*The Mephisto Covenant: The Redemption of Ajax* Coffee House Press

A provocative history of men who were worshipped as gods that illuminates the connection between power and religion and the role of divinity in a secular age. Ever since 1492, when Christopher Columbus made landfall in the New World and was hailed as a heavenly being, the accidental god has haunted the modern age. From Haile Selassie, acclaimed as the Living God in Jamaica, to Britain's Prince Philip, who became the unlikely center of a new religion on a South Pacific island, men made divine—always men—have appeared on every continent. And because these deifications always emerge at moments of turbulence—civil wars, imperial conquest, revolutions—they have much to teach us. In a revelatory history spanning five centuries, a cast of surprising deities helps to shed light on the thorny questions of how our modern concept of "religion" was invented; why religion and politics are perpetually entangled in our supposedly secular age; and how the power to call someone divine has been used and abused by both oppressors and the oppressed. From nationalist uprisings in India to Nigerien spirit possession cults, Anna Della Subin explores how deification has been a means of defiance for colonized peoples. Conversely, we see how Columbus, Cortés, and other white explorers amplified stories of their godhood to justify their dominion over native peoples, setting into motion the currents of racism and exclusion that have plagued the New World ever since they touched its shores. At once deeply learned and delightfully antic, *Accidental Gods* offers an unusual keyhole through

which to observe the creation of our modern world. It is that rare thing: a lyrical, entertaining work of ideas, one that marks the debut of a remarkable literary career.

Nicomachean Ethics Aristotle - The Nicomachean Ethics is one of Aristotle's most widely read and influential works. Ideas central to ethics—that happiness is the end of human endeavor, that moral virtue is formed through action and habituation, and that good action requires prudence—found their most powerful proponent in the person medieval scholars simply called "the Philosopher." Drawing on their intimate knowledge of Aristotle's thought, Robert C. Bartlett and Susan D. Collins have produced here an English-language translation of the Ethics that is as remarkably faithful to the original as it is graceful in its rendering. Aristotle is well known for the precision with which he chooses his words, and in this elegant translation his work has found its ideal match. Bartlett and Collins provide copious notes and a glossary providing context and further explanation for students, as well as an introduction and a substantial interpretive essay that sketch central arguments of the work and the seminal place of Aristotle's Ethics in his political philosophy as a whole. The Nicomachean Ethics has engaged the serious interest of readers across centuries and civilizations—of peoples ancient, medieval, and modern; pagan, Christian, Muslim, and Jewish—and this new edition will take its place as the standard English-language translation.

In this thoroughly heartwarming novel, Elizabeth Bass-author of *Miss You Most of All*-creates an unforgettable story of friendship, compassion, and the extraordinary love that lies at the heart of every ordinary family. When Grace Oliver leaves Portland for Austin, Texas, to help her father, Lou, recuperate from a car accident, she expects to stay just a few weeks. Since her mother's divorce thirty years ago, Grace has hovered on the periphery of the Oliver family. But now she sees a chance to get closer to her half-brothers and the home she's never forgotten. But the Olivers are facing a crisis. Tests reveal that Lou, a retired college professor whose sharp tongue and tenderness Grace adores, is in the early stages of Alzheimer's disease. Grace delays her departure to

care for him, and is soon entwined in the complicated lives of her siblings-all squabbling over Lou's future-and of the family next door. . . Ray West and his three children are reeling from a recent tragedy, particularly sixteen-year-old Jordan, whose grief is heightened by guilt and anger. Amid the turmoil, Grace not only gives solace and support, but learns to receive it. And though she came to Austin to reconnect with her past, she is drawn by degrees into surprising new connections. With wit, wisdom, and unfailing insight, Elizabeth Bass tells a story of loving and letting go, of heartache and hope, and of the joy that comes in finding a place we can truly call home.

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the *Odyssey* as a hero in her own right" (Alexandra Alter, *The New York Times*). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly

draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year
