Eirene or a woman's right Oxford University Press

But the Bible, more than any other book, is also the most maligned on the market. Many of the cities of our culture dismiss the Word of God. In *What If the Bible Had Never Been Written?*, D. James Kennedy and Jerry Newcombe show that this collection of books was indeed the inspiration for almost all of the great explorers, scientists, writers, artists, politicians, and educators the world has ever known. That such a book, which has influenced so many and stood the test of time for so long, is dismissed as folklore or myth, just goes to show what extremes nonbelievers will go to rationalize their behavior. From the Ten Commandments, which many of our laws and government are based upon, to the Golden Rule, a verse taken straight out of the New Testament, to many of today's most common phrases and expressions...there is no doubt as to the influence the Bible has on everyone, in some degree, every day. *What If the Bible Had Never Been Written?* provides a well-documented and in-depth look at the impact the Book of Books has had on humanity, pointing to specific areas in today's society that would not be as they are now, if it were not for the Bible.

Ainslee's Candlewick Press

#1 New York Times Bestseller "Funny and smart as hell" (Bill Gates), Allie Brosh's *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, "The God of Cake," "Dogs Don't Understand Basic Concepts Like Moving," and her astonishing, "Adventures in Depression," and "Depression Part Two," which have been hailed as some of the most insightful meditations on the disease ever written. Brosh's debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn't me wrote it—but I soon discovered that I'm not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness* *These are lies. Perhaps I have underestimated my sneakiness!

If I Never Met You Motorbooks

Arguably the world's all-time greatest motorcycle road racing champion, Valentino Rossi is without a doubt the best--and the best-loved--in modern times. In *What If I Had Never Tried It* he tells his remarkable story for the first time. And as might be expected, the story he tells is fast-paced, full of surprises, action-packed, and always entertaining. The son of 1970s racer Graziano Rossi (whose number, 46, he wears when racing), Valentino was born in Urbino, Italy in 1979. Here he relates how he started racing as a teenager, first with karts and minimotos (minibikes). He then traces his rapid and seemingly inexorable progress--from the 125 class to the 250 class to the 500s and finally on to 990 cc four-stroke, now known as MotoGP--to become a seven-time World Champion in Grand Prix racing by the time he was twenty-six. As he describes starting his career as a clownish upstart, only to emerge as "The Doctor" so famed for his precision, Rossi's crowd-pleasing character comes through in abundance. One moment a charismatic jokester, the next an insightful analyst, he is finally the single-minded, focused, strategic racer with split-second skills the rest of us can only dream of, giving us a glimpse of how one man has forever changed the face of motorcycle road racing.

Whitefire Julie Patra Publishing

One powerful truth is undeniable: if Christ had never been born, nearly every facet of human life would be worse. Discover what the world would have been like without Jesus, and how some of the world's greatest accomplishments exist only because he lived. We live in a cynical age in which only one prejudice is tolerated: anti-Christian bigotry. Yet despite the near constant and attacks against the faith, one powerful truth is undeniable: if Christ had never been born, nearly every aspect of human life would be much more miserable than it is today. In *What if Jesus Had Never Been Born?*, discover: Christianity's impact on the value of human life, helping the poor, and education Christianity's impact on world history and the founding of America Christianity's contribution to civil liberties, science, medicine, and economics Lives changed by Jesus Christ The author also examines what happens in a world without Christianity, as well as fulfilling the purpose of believers as we move forward. Arranged topically and presenting compelling, little-known historical facts, *What If Jesus Had Never Been Born?* clearly demonstrates that an enormous benefits to humankind—from economics to art to government, science to civil liberties, morality to health, and beyond—would never have occurred had Jesus Christ not lived.

The Distance Between Us Sourcebooks, Inc.

Janie's two families appear to have made peace. Life seems almost normal. Janie has even decided to speak to her former boyfriend, Reeve, again. But then Janie's Connecticut father suffers a sudden stroke, and this tragedy leaves her mother reeling. Janie must step in to manage family finances and to support her mother emotionally. While handling her father's business matters, Janie discovers the one undeniable fact that could destroy both of her beloved families. And she alone must decide what to do.

In the far-distant future, a long and brutal war of independence between Ptolem and its colonial planet, Osiron, has ended. Their civilizations are building a new future and are a still-fragile alliance. Two former enemy warriors, the Ptolemii High Commander Pyke and the Osiron Prince Vin-Chay, whose unexpected passion and sacrifice were the cornerstones to the final peace, live in serenity with their families. Integral to both civilizations, the men have spent years helping to socially and politically redefine their worlds. They are unaware that hidden enemies-fueled by personal hatred and secret agendas with a longtime thirst for power and revenge-have targeted them for destruction. Their enemies conceived a devious, deadly plan that has both personal and societal ramifications that will destroy the fragile alliance and any hope for the future. The evil that stalks these men and their loved ones has no concept of the true strength and determination of these warriors who will let nothing stand in the way of reclaiming their families and ending the pernicious threat. The final showdown between good and evil explodes in a fiery confrontation that will seal their fates for millennia to come.

If I Never Forever Endeavor HarperChristian + ORM

The true story of Guatemala's political turmoil of the 1950s as only a master of fiction can tell it Guatemala, 1954. The military coup perpetrated by Carlos Castillo Armas and supported by the CIA topples the government of Jacobo Árbenz. Behind this violent act is a lie passed off as truth, which forever changes the development of Latin America: the accusation by the Eisenhower administration that Árbenz encouraged the spread of Soviet Communism in the Americas. *Harsh Times* is a story of international conspiracies and conflicting interests in the time of the Cold War, the echoes of which are still felt today. In this thrilling novel, Mario Vargas Llosa fuses reality with two fictions: that of the narrator, who freely re-creates characters and situations, and the one designed by those who would control the politics and the economy of a continent by manipulating its history. *Harsh Times* is a gripping, revealing novel that directly confronts recent history. No one is better suited to tell this riveting story than Vargas Llosa, and there is no form better for it than his deeply textured fiction. Not since *The Feast of the Goat*, his classic novel of the downfall of Trujillo's regime in the

Dominican Republic, has Vargas Llosa combined politics, characters, and suspense so unforgettably.

A Whole New World Disney Electronic Content

A young bird, safe in its nest, debates whether or not to risk trying its wings.

The Academician e-artnow

What if Aladdin had never found the lamp? This first book in the A Twisted Tale line will explore a dark and daring version of Disney's Aladdin. When Jafar steals the Genie's lamp, he uses his first two wishes to become sultan and the most powerful sorcerer in the world. Agrabah lives in fear, waiting for his third and final wish. To stop the power-mad ruler, Aladdin and the deposed princess Jasmine must unite the people of Agrabah in rebellion. But soon their fight for freedom threatens to tear the kingdom apart in a costly civil war. What happens next? A Street Rat becomes a leader. A princess becomes a revolutionary. And readers will never look at the story of Aladdin in the same way again.

Better Never to Have Been e-artnow

A necklace delivered to the wrong Allison: me. I'm the wrong Allison. That misplaced gift places a man in my path. A man who instantly consumes me and leads me down a path of dark secrets and intense passion. Dash Black is a famous, bestselling author, but also a man born into wealth and power. He owns everything around him, every room he enters. He owns me the moment I meet him. He seduces me oh so easily and reveals another side of myself I dared not expose. Until him. Until this intense, wonderful, tormented man shows me another way to live and love. I melt when he kisses me. I shiver when he touches me. And I like when he's in control, especially when I thought I'd never allow anyone that much power over me ever again. We are two broken people who are somehow whole when we are together, but those secrets—his, and yes, I have mine as well—threaten to shatter all that is right and make it wrong. *What If I Never* is the first book in the *Necklace Trilogy*.

We Have Never Been Middle Class Seven Stories Press

By the time they reach eighteen, Joni and Caycee have been best friends their entire lives—growing up at each other's houses, as close as sisters. But everything changes when Joni's grandmother, who raised her, dies, and Lewis comes to town. Within a few months, Joni has left to go to college hundreds of miles away without even saying goodbye to Caycee, who is left behind, bewildered, hurt, and aching with loneliness. Not even being married to Lewis and carrying his child can fill the hole left by Joni's mysterious departure and subsequent silence. When their premature baby dies, Lewis's lack of love for Caycee and their very different reactions become clear—and finding an infant girl named Madisin left on their doorstep only complicates matters further. In the same marriage and under the same roof, they live vastly different emotional lives. Only years later, when tragedy strikes Caycee and Lewis again and Joni is persuaded to return, is the truth about Joni's disappearance brought to light. She and Caycee are finally reconciled, but with consequences far greater than anyone could have imagined. This novel, woven together in the voices of its five main characters, reveals the complexity of human nature in its portrayal of fierce love, searing grief, self-hatred, surprising tenderness, and attraction that survives even while it destroys. In the end, one question remains: in a world where intentions don't always have the expected outcomes, should the truth prevail in every situation, regardless of the cost?

The Puritan Farrar, Straus and Giroux

Bestselling author Mhairi McFarlane returns with another heartfelt romantic comedy perfect for fans of Josie Silver, Sophie Kinsella, or Sally Thorne. One of Shondaland's 5 Must-Read Books for March and a Best Romance of 2020 by Amazon, OprahMag, Insider, BuzzFeed, Bustle, Cosmo, PopSugar, and BookPage. If faking love is this easy... how do you know when it's real? When her partner of over a decade suddenly ends things, Laurie is left reeling—not only because they work at the same law firm and she has to see him every day. Her once perfect life is in shambles and the thought of dating again in the age of Tinder is nothing short of horrifying. When news of her ex's pregnant girlfriend hits the office grapevine, taking the humiliation lying down is not an option. Then a chance encounter in a broken-down elevator with the office playboy opens up a new possibility. Jamie Carter doesn't believe in love, but he needs a respectable, steady girlfriend to impress their bosses. Laurie wants a hot new man to give the rumor mill something else to talk about. It's the perfect proposition: a fauxmance played out on social media, with strategically staged photographs and a specific end date in mind. With the plan hatched, Laurie and Jamie begin to flaunt their new couple status, to the astonishment—and jealousy—of their friends and colleagues. But there's a fine line between pretending to be in love and actually falling for your charming, handsome fake boyfriend... [Satisfaction](#) Flatiron Books

In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this “compelling...unvarnished, resonant” (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to “El Otro Lado” (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to “El Otro Lado” to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, *The Distance Between Us* poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as *La distancia entre nosotros*.

If Morning Never Comes BoD – Books on Demand

Taking apart the ideology of the "middle class" Tidings of a shrinking middle class in one part of the

world and its expansion in another absorb our attention, but seldom do we question the category itself. *We Have Never Been Middle Class* proposes that the middle class is an ideology. Tracing this ideology up to the age of financialization, it exposes the fallacy in the belief that we can all ascend or descend as a result of our aspirational and precautionary investments in property and education. Ethnographic accounts from Germany, Israel, the USA and elsewhere illustrate how this belief orients us, in our private lives as much as in our politics, toward accumulation-enhancing yet self-undermining goals. This original meshing of anthropology and critical theory elucidates capitalism by way of its archetypal actors.

The Bertrams Darling Press

Most people believe that they were either benefited or at least not harmed by being brought into existence. David Benatar presents a startling challenge to these assumptions. He argues that people systematically overestimate the quality of their life, and suffer quite serious harms by coming into existence.

What If I Had Never Tried It St. Martin's Griffin

Bill's Vandenburg's account of overcoming tremendous odds during the Vietnam War and near-death experiences which led to his spiritual awakening and a purpose in life.

Harsh Times Laurel Leaf

Whose truth is the lie? Stay up all night reading the sensational psychological thriller that has readers obsessed, from the #1 New York Times bestselling author of *Too Late* and *It Ends With Us*. #1 New York Times Bestseller · USA Today Bestseller · Globe and Mail Bestseller · Publishers Weekly Bestseller Lowen Ashleigh is a struggling writer on the brink of financial ruin when she accepts the job offer of a lifetime. Jeremy Crawford, husband of bestselling author Verity Crawford, has hired Lowen to complete the remaining books in a successful series his injured wife is unable to finish. Lowen arrives at the Crawford home, ready to sort through years of Verity's notes and outlines, hoping to find enough material to get her started. What Lowen doesn't expect to uncover in the chaotic office is an unfinished autobiography Verity never intended for anyone to read. Page after page of bone-chilling admissions, including Verity's recollection of the night her family was forever altered. Lowen decides to keep the manuscript hidden from Jeremy, knowing its contents could devastate the already grieving father. But as Lowen's feelings for Jeremy begin to intensify, she recognizes all the ways she could benefit if he were to read his wife's words. After all, no matter how devoted Jeremy is to his injured wife, a truth this horrifying would make it impossible for him to continue loving her.
