Publications

Crystal skulls are human-skull hardstone carvings often made of clear or milky white quartz known as "rock crystal." They are allegedly pre-Columbian Mesoamerican artifacts and can be found in the permanent collections of a number of world-class museums, including the Smithsonian and the British Museum. In

occult and metaphysical circles, the skulls have magical and healing qualities: Anna Mitchell-Hedges (owner of a particularly famous skull) claimed that the skull could cause visions and cure cancer and that its magical properties could be used to kill. Drunvalo Melchizedek claims in *Serpent of Light* that he stumbled upon descendants of the ancient Mayans who possess crystal skulls for use in religious ceremonies in Yucatan temples. Jamie Sams writes of the skulls' association with Native American mythology. In this book, best-selling occultist and crystal expert Judy Hall

provides a basic primer on crystal skulls: What they are Where they are found Their role in legend and lore around the world Their uses for physical and psychic healing Also included here in this stunning introductory text is an examination of the prominent "skull keepers" of the past 100 years and examination of how to use and communicate with a crystal skull. This is a terrific introductory text for those interested in occult and ancient mysteries and/or the power of gems and crystals.  
*The Crystal Bible Volume 1* Red Wheel/Weiser

• 2021 Coalition of Visionary Resources Gold Award • Reveals that those who love and work with crystals and stones have been intuitively following the path of spiritual alchemy • Provides meditative practices with specific stones to go with each stage of the alchemical transformation process as well as other tools and techniques • Includes an illustrated dictionary summarizing the spiritual qualities of more than 375 different minerals, crystals, and gemstones The Alchemy of Stones presents an inspired breakthrough in Robert Simmons' thirty-five year career of exploring and revealing the spiritual qualities and potentials of minerals, crystals, and gemstones. This holistic, Earth-based framework for understanding stones and their energies initiates readers into an alchemical worldview that leads to spiritual healing, transformation, and transcendence. Engaging readers step by step, Simmons provides guidance on discovering and harnessing the three human powers of intention, attention, and imagination, each a crucial component for meeting and working in harmony with the energies of the Stone Beings. Simmons

also introduces us to the Divine Feminine intelligence known as Sophia, or Wisdom. The Stone Beings are her emissaries, and through relating and co-creating with them, the healing and redemption of ourselves and the Earth becomes a reality. Offering an illustrated dictionary of the spiritual qualities of more than 375 different minerals, crystals, and gemstones, Simmons also explores in depth what he calls the Four Cornerstones of the Alchemy of Stones: Moldavite, Phenacite, Azeztulite, and Rosophia. He discusses the stages of alchemical transformation and provides meditative practices with specific stones to go with each stage. He also explores how to work with stone mandalas, crystal body layouts, gemstone elixirs, and Orgonite energy devices and details powerful techniques for working with stones. Woven throughout are Simmons' personal stories of the pivotal mystical experiences that triggered his capacity to feel stone energies and led him to develop his relationship with the stones, revealing how this work can open minds and awaken hearts. Lavishly illustrated, The Alchemy of Stones is an invitation to a journey of

enlightenment, transformation, and spiritual metamorphosis aligned with the path of our living, conscious Earth. Crystal Prescriptions Hay House, Inc From crystal expert Judy Hall comes a fascinating book that gives you a personalized, practical and direct experience of the thought-provoking wisdom that crystal exploration has conveyed to thousands throughout the world. Going far beyond a reference guide, Judy Hall's Complete Crystal Workshop is a personal tutor, leading you through the key ideas and concepts of using crystals via inspirational and holistic hands-on exercises and rituals. Features include: - Interactive exercises that will lead you toward a deeper understanding of crystals and help you to develop your relaxation, visualization and intuition skills - Journaling sections that allow you to write your own experiences directly into the book - A step-by-step learning programme that guides you on revision work and more advanced exercises - A CD featuring meditations and inspirational music that will bring you into a receptive state for deeper work Perfect for novice and practised crystal users alike, this holistic,

integrated and practical guide is your own personal crystal workshop in a book. *The Crystal Bible 3* Hachette UK  
 Featured in Kindred Spiritmagazine, this third volume of the best-selling Crystal Bible books presents more than 250 new generation, high-vibration stones for healing and transformation. [The Crystal Fix](#) Godsfield Press  
 • New York Times bestseller • The 100 most substantive solutions to reverse

global warming, based on meticulous research by leading scientists and policymakers around the world “At this point in time, the Drawdown book is exactly what is needed; a credible, conservative solution-by-solution narrative that we can do it. Reading it is an effective inoculation against the widespread perception of doom that humanity cannot and will not solve the climate crisis. Reported by-effects include increased determination and a sense of grounded hope.” —Per Espen Stoknes, Author, *What We Think About When We Try Not To Think About Global Warming* “There’s been no real way for ordinary people to get an understanding of what they can do and what impact it can have. There remains no single, comprehensive, reliable compendium of carbon-reduction solutions across sectors. At least until now. . . . The public is hungry for this kind of practical wisdom.” —David Roberts, *Vox* “This is the ideal environmental sciences textbook—only it is too interesting and inspiring to be called a textbook.” —Peter Kareiva, Director of the Institute of the Environment and Sustainability, UCLA In the face of widespread fear and apathy, an

international coalition of researchers, professionals, and scientists have come together to offer a set of realistic and bold solutions to climate change. One hundred techniques and practices are described here—some are well known; some you may have never heard of. They range from clean energy to educating girls in lower-income countries to land use practices that pull carbon out of the air. The solutions exist, are economically viable, and communities throughout the world are currently enacting them with skill and determination. If deployed collectively on a global scale over the next thirty years, they represent a credible path forward, not just to slow the earth’s warming but to reach drawdown, that point in time when greenhouse gases in the atmosphere peak and begin to decline. These measures promise cascading benefits to human health, security, prosperity, and well-being—giving us every reason to see this planetary crisis as an opportunity to create a just and livable world.

**Judy Hall's Complete Crystal Workshop** Penguin

With more than 45 years of experience in crystal healing, expert author Judy Hall is a

leading authority on the use of crystals for personal and spiritual development. In this stunning book, she presents a curated collection of powerful crystals and beautifully communicates how these extraordinary entities can be employed to enhance our lives. With chapters on the body, heart, mind, spirit, children, karmic clearing, ancestral healing, grounding and protection, and home and environment, and with in-depth descriptions of both the practical and esoteric properties of each stone, Judy Hall's *Crystal Companion* is essential reading for crystal lovers everywhere. Featuring fresh, new photography and a clean, modern design, this book truly captures the striking beauty of the featured stones. Inside you will find that the colour-coded design ensures the ease of identification and navigation, making the guide suitable for entry-level and experienced crystal workers alike.

[The Crystal Bible](#) Godsfield Press

A world-renowned crystal guru reveals how introducing crystals to your daily mindfulness practice can help you improve focus-awareness and stay in the present moment. Are you looking for a better way to practice mindfulness? Crystals can help in so many ways. They have been around for millions of years—and in their terms, the passing of decades is merely the blink of an eye—so they offer new ways of perceiving your life. Gazing into the depths of a crystal offers you: • instant clarity and stillness of mind • a point of soft focus—so you can stay in the present

moment without judging it or needing it to change • peace from your mind's chatter • relief from anxieties and anger, both past and present • guidance, so you can make a decisive move (when it's appropriate) • a deeper connection with yourself In *Crystal Mindfulness*, #1 bestselling crystal expert Judy Hall covers what mindfulness is, how it works, its benefits, and how crystals can aid you in your everyday mindfulness practice. She also examines topics that are relevant to your mindfulness practice, such as staying grounded, becoming centered, shutting off the chattering mind, and accepting yourself. The second half of the book is a comprehensive crystal mindfulness directory featuring 24 beautifully photographed crystals. Each description of the crystal and its benefits is accompanied by a mindfulness exercise, as well as other features such as keywords and a Crystal Reflection to use for instant access to inner calm. Flick through the pages until a picture catches your eye and work with the crystal as suggested—or target your crystal mindfulness practice more specifically using the book's headings. When you tune into the crystal you need,

the magic will happen.

*Holy Bible (NIV)* Simon and Schuster  
'Author of the excellent *The Crystal Bible*, Judy Hall is truly a master of her subject and the book is a clever idea well executed.' Paradigm Shift Listing over 1,200 symptoms, this is a practical first-aid guide based on sound crystal-healing principles that have been practiced for millennia. Crystals are a gentle, non-invasive system of holistic healing with no side effects. Suitable for children and animals, they can also benefit your environment and your home.

### **The Crystal Bible for Beginners**

*The Crystal Experience* Carlton Publishing Group

Crystal therapy has long been used as a gentle system of holistic healing. By drawing on the unique qualities of crystals such as quartz and amethyst, you can balance the energy fields around your body, home and office to bring well-being, and gain health benefits. Crystals can help soothe emotional problems such as anxiety, mood swings, or shyness, as well as physical symptoms such as migraines and allergies. In addition, crystals can act as natural energy boosters and aid in detoxifying our systems. With crystal remedies for more than 250 common ailments and a directory of 250 crystals,

as well as detailed explanations of the most effective healing methods, this book is the ultimate guide to healing with crystals. Illustrated with colour photographs, and supplemented with practical exercises and case studies, *The Crystal Healer* is the ultimate practical reference from a highly respected healer and teacher. Philip Permutt discovered crystals fifteen or so years ago after a severe illness. He has been practising as a crystal healer and teacher ever since. He owns and runs iSiS Crystals, the largest and most successful crystal shop in the UK, and its integral healing centre. Philip is a dowser and uses this ability, together with the magic of crystals, to change the energies in people's homes, offices and shops. Philip has lectured at the University of Hertfordshire on crystals and crystal healing and has a degree in Applied Biology from London University; his articles have been published electronically and in journals.

*The Crystal Bible, Volume 3* Apple Press
