Easter? I'm so excited!

The Grumpy Easter Bunny Skyhorse Publishing Inc.

Joshua is a curious little bunny. He lives with his mother and siblings in a garden, on a hill in Jerusalem during biblical times. When strange people come into their garden home, and curious events begin happening near a huge "den" in the hillside, Mother rabbit warns them to stay way and be safe. But a curious little bunny can't change his nature. While his family is scared, Joshua is fascinated. He just can't help himself. He must find out what is happening at that intriguing hole in the hill covered with a large stone. What he sees is scary, but not enough to cure his curiosity. When strange things begin happening he just has to go see what is going on. On resurrection morning, his curiosity leads him to become the first to see and meet the risen Lord Jesus, making him the first "Easter Bunny." Bring the story of Jesus' death and resurrection to life with touching simplicity, Judy Reinsma's children's book is an extraordinary fusing of the secular tale of the Easter Bunny and the true meaning of Easter. Imbued with the gentle, caring, and loving nature of Jesus, it is the perfect reminder to all that Easter is indeed a Christian holiday. Charming wtercolor illustrations enhance the text for a reading experience that is inspiring and engaging for parent and child alike. "The Story of the Real Easter Bunny" is a touching and uplifting spiritual story that will help teach children about the gifts He bestowed on us all that extraordinary morning.
