College Brigham/Houston: A Classic, redefined...be cause a classic never goes out of style. The market leader, Brigham/Houston, continues to grow in reputation and amount of users as the most effective approach for teaching the first undergraduate corporate finance course. This Concise version of the extremely successful, Brigham/Houston-Fundamentals of Financial Management,

contains the same level of topical rigor while also reflecting the latest in theory, research, real-world examples, and use of technology as Fundamentals. The seamless, integrated ancillary package, still painstakingly prepared by the authors, is a hallmark of the Brigham/Houston package which reduces course preparation time for instructors and makes the subject more

accessible for learners. New for this edition is the addition of iLrn Finance, an online student assessment and tutorial resource to help improve student performance. Additionally, access to Thomson ONE - Business School Edition, an online financial database that students can use to complete projects or select end of chapter exercises, is included with each new text.
