#1 Frostborn: The Gray Knight - Jonathan Moeller, Pulp Writer
 Grey Knights The Omnibus 1
 Grey Knights is an alright read (I only finished the first of the three novels contained in this omnibus). The characters are nothing special, but they're not unforgivingly flawed either. The minor characters are actually the most interesting; ones that only pop up I see so much potential in the Warhammer 40,000 universe that I just want the novels to be good.
 Grey Knights: The Omnibus (Grey Knights #1-3) by Ben Counter
 The Grey Knights are the greatest of the Astartes and the three books contained in this omnibus do a good job of demonstrating why that is, and how differently they operate from the other Chapters. That said, they take a bit of time to get into - a bit more than books from Abnett.
 Grey Knights: The Omnibus (Warhammer 40, 000): Counter ...
 The Grey Knights are the legendary Chapter 666 - and although nominally a Chapter of the Astartes, they are in the Chamber Militant of the Inquisition. Each member of the chapter undergoes a gruelling and torturous selection process, and even once inducted, their harsh training regime is without equal.
 Grey Knights - Warhammer 40k - Lexicanum
 The Grey Knights Omnibus (Warhammer 40, 000) - Kindle edition by Counter, Ben. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading The Grey Knights Omnibus

(Warhammer 40, 000).
 Amazon.com: The Grey Knights Omnibus (Warhammer 40,000 ...
 Dark Adeptus is the second novel of this series and was published in 2006. The book once again features Justicar Alaric, the Grey Knight who banished Garguloth back into the warp in Grey Knights. This time the story goes to Chaeronia, a forge world that has disappeared for a century, only to come out of the warp in the middle of a new system disrupting the planetary alignments.

 Click here to read an excerpt from FROSTBORN: THE GRAY KNIGHT. From the author of DEMONSOULED and THE GHOSTS, here is a new epic fantasy of high adventure, heroism, and daring deeds. A thousand years ago, the last grandson of Arthur Pendragon led the survivors of Britain through a magical gate to a new world, a world of magic and high elves, of orcs and kobolds and stranger, darker creatures.
