Recipes from America's Favorite Panini Bar Terry Heath  
From George Foreman, two-time heavy-weight champion of the

world and one of the greatest salesmen of all time, his cookbook written specifically for his fabulous, indoor grills. From dorm rooms and first apartments to suburban homes and four-star restaurants, the George Foreman grill is one of America's most popular small kitchen appliances. As a world-class athlete and father of ten, George Foreman is focused on fresh, healthy foods that keep him and his family strong. Between kids, careers, and a heavyweight training schedule, the Foremans are a big, constantly-in-motion family. Getting dinner on the table could be an endurance event, but instead of going ten rounds in the kitchen, George Foreman has perfected fast and easy, and he passes on his strategy in *George Foreman's Indoor Grilling Made Easy*. Here are more than 100 recipes that speak to the reason everyone buys the indoor grill in the first place: easy dishes filled with big, bold flavor for healthy food fast. From breakfast foods to snacks, entrées, side dishes, and even desserts made on the grill, this is food to satisfy the young, the not-so-young, and everyone in between. Most recipes are naturally lower in carbohydrates (after all, George is a carnivore of some note), but some have choice carbs to fuel heavy training days. In addition to the recipes, there are plenty of flavor-enhancing ideas—marinades, spice rubs, and sauces—for simple cuts of fish, beef, pork, and chicken. You'll also find insider info on how to make perfect grilled veggies every time. *George Foreman's Indoor Grilling Made Easy* even includes finger foods for a party and a Thanksgiving dinner made on the grill. Portions feed a family of four but can easily be downsized for those living on their own (or doubled for Foreman-sized families).

**100 Creative and Classic Recipes** Harvard Common Press Your panini press will become your most versatile friend in the kitchen with *The Ultimate Panini Press Cookbook*, a compendium of Kathy Strahs's best 100 panini press recipes, beautifully illustrated with new color photos. Who knew this simple and easy-to-use kitchen appliance could do so much? Kathy Strahs, for one, did. Creator of the multiple-award-winning food blog *Panini Happy*, the web's go-to destination for panini-press wisdom, Strahs does wonderful things with a panini press, from crafting perfect Italian-style panini to building scrumptious and creative grilled cheese sandwiches to making things you never thought you could make on a countertop grill or griddle. Dig into these recipes to discover your panini press's impressive range—including breakfasts, lunches, snacks, and dinners, for the weekday whirl and for relaxing times on weekends. About half the recipes in this book—a collection of the 100 best recipes from Strahs's earlier book, *The Ultimate Panini Press Cookbook*—are for panini, such as a robust Cheddar, Apple, and Whole-Grain Mustard Panini or a zesty Chimichurri Steak Panini. The remaining recipes are for dishes you will be amazed to learn you can make on a countertop grill, including quesadillas, croques monsieurs, brats, burgers, salads topped with crisply grilled meats, and even grilled desserts. This beautiful volume will inspire great cooking and fun meals, without the fuss or effort.

Her tantalizing pairings range from hearty Sage Sausage and Jack Cheese with Preserved Lemon to Melted Alpengel, Emmentaler, Pear, and Cumin.
