Tangerine, Spark, and Rainbow's Story Simon and Schuster

From the bestselling author of *Tangerine*, a "taut and mesmerizing follow up...voluptuously atmospheric and surefooted at every turn" (Paula McLain, author of *The Paris Wife* and *When the Stars Go Dark*). It's 1966 and Frankie Croy retreats to her friend's vacant palazzo in Venice. Years have passed since the initial success of Frankie's debut novel and she has spent her career trying to live up to the expectations. Now, after a particularly scathing review of her most recent work, alongside a very public breakdown, she needs to recharge and get re-inspired. Then Gilly appears. A precocious young admirer eager to make friends, Gilly seems determined to insinuate herself into Frankie's solitary life. But there's something about the young woman that gives Frankie pause. How much of what Gilly tells her is the truth? As a series of lies and revelations emerge, the lives of these two women will be tragically altered as the catastrophic 1966 flooding of Venice ravages the city. Suspenseful and transporting, Christine Mangan's *Palace of the Drowned* brings the mystery of Venice to life while delivering a twisted tale of ambition and human nature.

Bienvenido a Tangerine. Este lugar es más raro de lo que parece.Paul Fisher ve el mundo a través de anteojos tan gruesos que parece un insecto del

espacio exterior. Pero no está tan ciego como para no ver que hay algunas cosas muy poco normales en la nueva casa de su familia, en el condado de Tangerine, Florida. ¿En dónde más un socavón se traga la escuela de la localidad, el fuego arde debajo de la tierra por años y caen rayos a la misma hora todos los días? Con todo este caos, mezclado con el acoso constante de su hermano —quien es una estrella del fútbol americano—, acoplarse a la vida en Tangerine no es fácil para Paul. Hasta que se une al equipo de fútbol de la escuela media donde estudia. Con la ayuda de sus nuevos compañeros de equipo, Paul descubre lo que se esconde bajo la extraña superficie de su nuevo lugar de residencia. Y también obtiene el coraje para enfrentar algunos de los secretos que su familia le ha estado ocultando por demasiado tiempo. En Tangerine, tal parece, cualquier cosa es posible.

Ibn Battutah set out in 1325 from his native Tangier on the pilgrimage to Mecca. By the time he returned twenty-nine years later, he had visited most of the known world, travelling three times the distance Marco Polo covered. Spiritual backpacker, social climber, temporary hermit and failed ambassador, he braved brigands, blisters and his own prejudices. The outcome was a monumental travel classic. Captivated by this indefatigable man, award-winning travel writer Tim Mackintosh-Smith set out on his own eventful journey, retracing the Moroccan's eccentric trip from Tangier to Constantinople. Tim proves himself a perfect companion to this distant traveller, and the result is an amazing blend of personalities, history and contemporary observation.

The Edgar Award–winning debut of the bestselling Max Freeman mystery series: A tormented ex-cop’s mission to solve a grisly murder and earn redemption for his dark past After a shootout during a convenience store holdup led to the accidental death of a twelve-year-old, Max Freeman left behind the Philadelphia police department for a life in exile in the Florida Everglades. Since then, he has lived in seclusion, haunted by guilt, with the humid night and the nocturnal predators of the swamp as his only company. But everything changes when Freeman discovers a young girl’s body floating in the muddy waters and becomes the prime suspect for her murder. To prove his innocence, Freeman must uncover the real murderer—and confront his own tortured soul—before it’s too late. This ebook contains an illustrated biography of the author featuring never-before-seen photos.

Martin Conway comes from a family filled with heroes and disgraces. His grandfather was a statesman who worked at the US Embassy in London during WWII. His father is an alcoholic who left his family. His sister is an overachieving Ivy League graduate. And Martin? Martin is stuck in between--floundering. But during the summer after 7th grade, Martin meets a boy who will change his life forever. Jimmy Harker appears one night with a deceptively simple question: Will you help? Where did this boy come from, with his strange accent and urgent request? Is he a dream? It's the most vivid dream Martin's ever had. And he meets Jimmy again and again--but how can his dreams be set in London during the Blitz? How can he see his own grandather, standing outside the Embassy? How can he wake up with a head full of people and facts and events that he certainly didn't know when he went to sleep--but which turn out to be verifiably real? The people and the scenes Martin witnesses have a profound effect on him. They become almost more real to him than his waking companions. And he begins to believe that maybe he can help Jimmy. Or maybe that he must help Jimmy, precisely because all logic and reason argue against it. This is a truly remarkable and deeply affecting novel about fathers and sons, heroes and scapegoats. About finding a way to live with faith and honor and integrity. And about having an answer to the question: What did you do to help?

NATIONAL BESTSELLER “A juicy melodrama cast against the sultry, stylish imagery of North Africa in the fifties.” —The New Yorker The last person Alice Shipley expected to see since arriving in Tangier with her new husband was Lucy Mason. After the accident at Bennington, the two friends—once inseparable roommates—haven’t spoken in over a year. But there Lucy was, trying to make things right and return to their old rhythms. Perhaps Alice should be happy. She has not adjusted to life in Morocco, too afraid to venture out into the bustling medinas and oppressive heat. Lucy—always fearless and independent—helps Alice emerge from her flat and explore the country. But soon a familiar feeling starts to overtake Alice—she feels controlled and stifled by Lucy at every turn. Then Alice’s husband, John, goes missing, and Alice starts to question everything around her: her relationship with her enigmatic friend, her decision to ever come to Tangier, and her very own state of mind. *Tangerine* is a sharp dagger of a book—a debut so tightly wound, so replete with exotic imagery and charm, so full of precise details and extraordinary craftsmanship, it will leave you absolutely breathless. Optioned for film by George Clooney’s Smokehouse Pictures, with Scarlett Johansson to star

come of age in a complex and often frustrating society. Pushed by a bully to fight and nagged by his principal, Jamal is having a difficult time staying in school. His home life is not much better, with his mother working her fingers to the bone to try to earn the money for an appeal for Jamal's jailed older brother, Randy. Jamal wants to do the right thing and help earn the money to free his brother by working, but he's afraid to go against the Scorpions. Jamal eventually pulls free of the gang's bad influence, but only through the narrowest of escapes. Walter Dean Myers, five-time winner of the Coretta Scott King Award, sensitively explores the loyalty and love between friends faced with hard choices. *Scorpions* is 25 years old, but the issues of poverty and violence make it a timeless powerful read—sadly as relevant as ever.

"An excellent book by a genius," said Kurt Vonnegut, Jr., of this now classic exploration of the 1960s from the founder of new journalism. "This is a book that will be a sharp pleasure to reread years from now, when it will bring back, like a falcon in the sky of memory, a whole world that is currently jetting and jazzing its way somewhere or other."--Newsweek In his first book, *The Kandy-Kolored Tangerine-Flake Streamline Baby* (1965) Wolfe introduces us to the sixties, to extravagant new styles of life that had nothing to do with the "elite" culture of the past.

Syrian immigrant Khadra Shamy is growing up in a devout, tightly knit Muslim family in 1970s Indiana, at the crossroads of bad polyester and Islamic dress codes. Along with her brother Eyad and her African-American friends, Hakim and Hanifa, she bikes the Indianapolis streets exploring the fault-lines between "Muslim" and "American." When her picture-perfect marriage goes sour, Khadra flees to Syria and learns how to pray again. On returning to America she works in an eastern state -- taking care to stay away from Indiana, where the murder of her friend Tayiba's sister by Klan violence years before still haunts her. But when her job sends her to cover a national Islamic conference in Indianapolis, she's back on familiar ground: Attending a concert by her brother's interfaith band *The Clash of Civilizations*, dodging questions from the "aunties" and "uncles," and running into the recently divorced Hakim everywhere. Beautifully written and featuring an exuberant cast of characters, *The Girl in the Tangerine Scarf* charts the spiritual and social landscape of Muslims in middle America, from five daily prayers to the Indy 500 car race. It is a riveting debut from an important new voice.

There was a deafening silence in the world. No babies had been born for three long years. But just when humanity is about to give up hope, a baby boy is born to Doris and Tom Daley. The Press christens him Miracle. Overnight, the simple Daleys turn into celebrities and Miracle Daley becomes a walking headline. Although Doris and Tom do not allow the popularity to go to their heads, Tom’s mother, a fiercely ambitious woman, uses every opportunity to milk their good fortune. And with his Granny’s support, Miracle grows up believing love and stardom are his birthright. From magazine covers to people’s hearts, Miracle rules for eleven uninterrupted years. But because of his spoilt ways, his popularity fades. Then the inevitable happensÉ the baby drought ends and Miracle becomes a Óhas-beenÓ. When teachers stop home-schooling Miracle, he is forced to attend regular school and Joka Pack, the school bully, becomes his nemesis. One day, chased by Joka’s gang, Miracle escapes into the woods. There, he meets and befriends a dolhorina Ð Vibgyor, who tells him that instead of creating problems, he should solve them. The deer guides Miracle on tackling the bully and gaining acceptance in school. As Miracle wonders if Vibgyor is real or just a figment of his imagination, he realizes it is time to get off his high horse and earn the adoration he so desperately misses. But can he do anything to win back the affection once showered upon him or will he need a miracle?
