Library of Alexandria
The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within

Dr. Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. 'The Strange Case of Dr. Jekyll and Mr. Hyde' is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter

with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary.

This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties,

Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone.

Baby Teeth Penguin
The #1 New York Times bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the

tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex

topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have

used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits-- whether you are a team

looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Identities to Transform Your Life
Although the great French novelists of the last two centuries are widely read in America, there is a widespread notion that little of importance has happened in French literature since the heyday of Sartre, Camus, and the nouveau roman. Some might argue that even well read Americans are ignorant about what is happening in European literature generally. Certainly, there has never been so few translations of foreign books in the

United States, or so little coverage of foreign writers. Curious American readers need new, up-to-date information and analyses about what is happening elsewhere. *Paths to Contemporary French Literature* is a stimulating and much-needed guide to the major currents of one of the world's great literatures. This critical panorama of contemporary French literature introduces English-language readers to over fifty important writers and poets, many of whom are still little

known outside of France. Emphasizing authors who are admired by their peers (as opposed to those with overnight reputations), John Taylor offers a compelling insider's view. The pioneering essays included in this book offer incisive analyses of the ideas motivating current writing and delve into a writer's or poet's entire output. Although some names may be familiar (Marguerite Duras, Hélène Cixous, Philippe Jaccottet, Henri Michaux), the reader obtains fresh

reappraisals of their seminal work. Especially noteworthy, however, are Taylor's lively introductions to many other key writers who either have not yet crossed the English Channel, let alone the Atlantic. Combating the notion that French literature is overtly intellectual, inaccessible, or interested only in formal experimentation, Taylor shows that many French writers are instead acutely inquisitive about the outside world, shrewd observers of reality, even

very funny. Although not conceived as a reference book, the volume possesses some qualities of a reference work: a good bibliography, reliable dates and biographical facts. Paths to Contemporary French Literature will be of interest to students of French literature and culture, literary scholars, and readers of contemporary fiction and poetry.

The Counterfeiters John Beaufoy Pub
The award-winning, #1 internationally bestselling

new novel by the author of *The Perfect Nanny*, about a woman in an interracial marriage whose fierce desire for autonomy parallels her adopted country's fight for independence. The world of men is just like the world of botany. In the end, one species dominates another. One day, the orange will win out over the lemon, or vice versa, and the tree will once again produce fruit that people can eat. In her first new novel since *The Perfect Nanny* launched her onto the

world stage and won her acclaim for her "devastatingly perceptive character studies" (*The New York Times Book Review*), Leila Slimani draws on her own family's inspiring story for the first volume in a planned trilogy about race, resilience, and women's empowerment. Mathilde, a spirited young Frenchwoman, falls in love with Amine, a handsome Moroccan soldier in the French army during World War II. After the war, the couple settles in Morocco. While

Amine tries to cultivate his family farm's rocky terrain, Mathilde feels her vitality sapped by the isolation, the harsh climate, the lack of money, and the mistrust she inspires as a foreigner. Left increasingly alone to raise her two children in a world whose rules she does not understand, and with her daughter taunted at school by rich French girls for her secondhand clothes and unruly hair,

Mathilde goes from being reduced to a farmer's wife to defying the country's chauvinism and repressive social codes by offering medical services to the rural population. As tensions mount between the Moroccans and the French colonists, Amine finds himself caught in the crossfire: in solidarity with his Moroccan workers yet also a landowner, despised by the French yet married to a Frenchwoman, and proud of his wife's resolve but

ashamed by her refusal to be subjugated. All of them live in the country of others--especially the women, forced to live in the land of men--and with this novel, Leila Slimani issues the first salvo in their emancipation. [Out of Africa](#) Oxford University Press, USA Presents a collection of stories that explores the heartbreak and radiance of love as it is shaped by passion, betrayal, and the echoes of intimacy.
