Sphere

A woman digs up a buried treasure—and a buried body—in the Scottish Highlands: “There are few other crime writers in the same league.”—Maureen Corrigan, *The Washington*

Post Six feet under in a Highland peat bog lies Alice Somerville’s inheritance, buried by her grandfather at the end of World War II. But when Alice finally uncovers it, she finds an unwanted surprise—a body with a bullet hole between the eyes. Meanwhile, DCI Karen Pirie is dealing not only with this cold case

but with a domestic violence case, and as she gets closer to the truth, it becomes clear that not everyone shares her desire for justice. Or even the idea of what justice is. An engrossing, twisty thriller, *Broken Ground* is an outstanding entry in this Diamond Dagger-winning author’s “superior series” (*The*

New York Times Book Review). “As always, McDermid’s story lines are as richly layered as her protagonist.”—Publishers Weekly “One of the best things about this series is the details of Karen's working life, the obstacles as well as the satisfactions, and the small pleasures of her off hours.”—Kirkus Reviews *A Novel* Macmillan Bestselling, award-winning author Val McDermid delivers her most stunning story yet in *The Distant Echo*—an

intricate, thought-provoking tale of murder and revenge Four in the morning, mid-December, and snow blankets St. Andrews School. Student Alex Gilbery and his three best friends are staggering home from a party when they stumble upon the body of a young woman. Rosie Duff has been raped, stabbed and left for dead in the ancient Pictish cemetery. The only suspects are the four young students stained with her blood. Twenty-five years later, police mount a cold case

review. Among the unsolved murders they're examining is that of Rosie Duff. But someone else has his own idea of justice. One of the original quartet dies in a suspicious house fire and soon after, a second is killed. Alex fears the worst. Someone is taking revenge for Rosie Duff. And it might just save his life if he can uncover who really killed Rosie all those years ago. *Val Mcdermid Seven-Book Bundle* Minotaur Books He was a clinical psychologist who

specialized in unraveling the motivations of the twisted killers who wanted to express themselves again and again. She was the kind of detective for whom justice matters more than any other consideration... In this short story from the thrilling anthology MatchUp, bestselling authors Val McDermid and Peter James—along with their popular series characters Tony Hill and Roy Grace—team up for the first time ever. [A Place of Execution](#)
Hachette UK

The New York Times Book Review raves about author Val McDermid, calling her “as smooth a practitioner of crime fiction as anyone out there. She’s the best we’ve got.” Her newest thriller, *Beneath the Bleeding*, once again proves it to be so. Winner of the coveted CWA Gold Dagger for Best Crime Novel of the Year for *The Mermaids Singing*, McDermid reunites her popular investigating team of Dr. Tony Hill and DCI Carol Jordan in *Beneath the Bleeding*, as

they search for the truth behind a horrific act of mass murder and wholesale destruction. **A Tony Hill Novel** Harper Collins
An innovator in theoretical approaches in the social sciences, Stein Rokkan developed general models, developmental maps that specified the main variables and important relationships in European political history. In *Historical Sociology*, Arne Kommisrud tests these general hypotheses against specific historical

and regional contexts. He uses the case of Eastern Europe after the downfall of the Berlin Wall to extend the geography of the model's range, and introduces possibilities for theoretical modification through an analysis of sequential interactions. Covering a period from the Middle Ages through the 1990s, and addressing phenomena overlooked by Rokkan such as statebuilding and nationalism, this book demonstrates that Rokkan's models continue to be relevant to modern

political science and sociology. Kommisrud's study is a valuable contribution to Rokkanian approaches and the understanding of Eastern European development within the historical and geographic context of Europe as a whole.

The Last Temptation

Lexington Books

The bestselling "Queen of Crime reigns again" when a profiler and an ex-cop investigate the suspicious deaths of women targeted by Internet trolls (Independent, UK). From the international

bestselling author of *The Mermaids Singing* and *The Wire in the Blood* comes the ninth installment of her beloved series featuring psychologist Tony Hill and former DCI Carol Jordan . . . Vicious online attacks seem to be driving outspoken women to silence themselves through suicide. Yet for profiler Tony Hill, who knows a thing or two about patterns in human behavior, something doesn't add up. Carol Jordan, meanwhile, is too busy tackling her own demons to think about a

potential serial killer. But when she gets an opportunity for a second chance, it's game on. This time around, though, the stakes have never been higher. One of the Boston Globe's Best Books of 2015

A Novel HarperCollins UK
Used for centuries by Native Americans and the Chinese, and brought to Europe by Columbus, Cayenne pepper's ancient curative powers have been confirmed by modern science. This guide surveys its medicinal uses. These

include improving blood circulation, reducing the pain and inflammation of arthritis, alleviating colds and flu, and home remedies for common ailments. There is also a heat-intensity rating for different varieties of what is truly a spice of life.

Killing the Shadows

Open Road + Grove/Atlantic
Dilwale Dulhaniya Le Jayenge opened to huge popular acclaim in India in 1995. This work points out that it is a paradoxical film which affirms old-fashioned values of pre-

marital chastity and family authority, affirming the idea that Westernization need not affect an essential Indian identity.

Our Little Lies

HarperCollins Canada
When clinical psychiatrist Charlie Flint is sent a mysterious package of press cuttings about a brutal murder, it instantly grabs her attention. The murder occurred on the grounds of her old Oxford college—a groom battered to death just hours after his wedding. As Charlie delves back

into the closeted, mysterious world that is academic life at Oxford, every step she takes toward the truth is a step closer to danger.

McGraw Hill Professional

Unmarked graves are found on the grounds of an old orphanage in this “riveting” British crime thriller by an Edgar Award finalist (Publishers Weekly, starred review). With profiler Tony Hill

behind bars and Carol Jordan no longer with the police, he’s finding unexpected outlets for his talents in jail and she’s joined forces with a group of lawyers and forensics experts looking into suspected miscarriages of justice. But they’re doing it without each other; being in the same room at visiting hour is too painful to contemplate. Meanwhile, construction is suddenly halted on the redevelopment of an orphanage after dozens of skeletons are found buried at the site.

Forensic examination reveals they date from between twenty and forty years ago, when the nuns were running their repressive regime. But then a different set of skeletons is discovered in a far corner—young men from as recent as ten years ago. When newly promoted DI Paula McIntyre discovers that one of the male skeletons is that of a killer who is supposedly alive and behind bars—and the subject of one of Carol’s miscarriage investigations—it brings

Tony and Carol irresistibly into each other's orbit once again in this masterfully plotted novel by "the queen of psychological thrillers" (Irish Independent).

The Skeleton Road

Grove Press

The Quetico-Superior Wilderness: more than two million acres of forest, white-water rapids, and uncharted islands on the Canadian/American border. Somewhere in the heart of this unforgiving territory, a young woman named Shiloh -- a country-western singer at the

height of her fame -- has disappeared. Her father arrives in Aurora, Minnesota, to hire Cork O'Connor to find his daughter, and Cork joins a search party that includes an ex-con, two FBI agents, and a ten-year-old boy. Others are on her trail as well -- men hired not just to find her, but to kill her. As the expedition ventures deeper into the wilderness, strangers descend on Aurora, threatening to spill blood on the town's snowy streets. Meanwhile, out on the Boundary Waters,

winter falls hard. Cork's team of searchers loses contact with civilization, and like the brutal winds of a Minnesota blizzard, death -- violent and sudden -- stalks them.

One to Watch Open Road + Grove/Atlantic

In the first in a compelling new series from Elly Griffiths, a band of magicians who served together in WWII track a killer who's performing deadly tricks"

The Health Benefits of Cayenne Harper Collins
Confined to a hospital bed after an attack by a

mental patient, psychologist and profiler Dr. Tony Hill struggles to make sense of the fragmentary information that reaches him in the aftermath of two staggering crimes. A star soccer player has been poisoned and, shortly afterward, the local stadium is rocked by a bomb blast, leaving dozens dead and more injured. Meanwhile, his customary ally, Detective Chief Inspector Carol Jordan, is being pushed out of the investigation by government intelligence

sources. Is it homegrown terrorism or could money—or something else—be involved? Bringing together two of crime fiction's richest characters, *Beneath the Bleeding* is a terrifying and absorbing addition to a bestselling series. Val McDermid's Tony Hill and Carol Jordan books—the basis for the acclaimed television show *Wire in the Blood*—have made her a favorite of readers in Canada and around the world, and confirm her status as a master of psychological suspense.

Out of Bounds PI Kate Brannigan

'I love stories. My life has been book-ended and bookmarked by hearing them, reading them and telling them. In my mind's eye, I can see where each of these stories unfolds . .

. ' _____ In MY SCOTLAND, Sunday Times bestselling author Val McDermid takes readers to the landscapes she has known all her life, and the places where her stories and characters reside. Accompanied by over 100 stunning photographs, this remarkable book

uncovers Val's own Scotland in all its glory - from the iconic Isle of Skye to the majestic streets of Edinburgh; from the undiscovered hideaways of the Highlands to the wild and untamed Jura. _____ Featuring excerpts from Val McDermid's bestselling novels and charting Karen Pirie's Fife to Lindsay Gordon's Glasgow, MY SCOTLAND is an unforgettable and uniquely personal journey. **Trick of the Dark** Simon and Schuster
Psychologist Tony Hill and

ex-DCI Carol Jordan—the UK crime fighting partners from the TV series Wire in the Blood—face down a serial killer. International bestselling crime writer Val McDermid's work speaks for itself: her books have sold millions of copies worldwide, won numerous accolades, and attracted a devoted following of readers around the globe. Cross and Burn picks up where The Retribution left off: following the best crime-fighting team in the UK—clinical psychologist Tony Hill and police

detective Carol Jordan—who when we last saw them were barely speaking, and whose relationship will now be challenged even further. But just because they're not talking doesn't mean the killing stops. Women are being murdered—ones who bear an unsettling resemblance to Carol Jordan. And when the evidence begins to point in a disturbing direction, thinking the unthinkable seems the only possible answer. Cornered by events, Tony and Carol are forced to

fight for themselves and each other as never before. “McDermid is as smooth a practitioner of crime fiction as anyone out there . . . She’s the best we’ve got.” —The New York Times Book Review

The Torment of Others

Houghton Mifflin Harcourt
Read the first three books in Val McDermid’s No. 1 bestselling crime series featuring clinical psychologist Dr Tony Hill, hero of TV’s much loved WIRE IN THE BLOOD.

A Novel Open Road + Grove/Atlantic

A thrilling new novel from one of the world’s most celebrated crime writers proves that the past can never stay buried... Val McDermid is the queen of psychological suspense and the #1 bestselling author of The Retribution, Cross and Burn and The Vanishing Point, among many others. Her newest masterpiece of suspense begins in Edinburgh with the discovery of a skeleton. Investigators are shocked to find this is not the result of a recent crime but in fact a death that has remained hidden

and unknown for several decades. The stakes rise when unexpected connections to the Croatian military are uncovered. When evil has no borders and the past refuses to stay in the past, everyone involved is placed into new and unforeseen danger. Told with Val McDermid’s signature brilliance and panache, The Skeleton Road is sure to have readers on the edge of their seats and glued to the pages long into the night. Praise for Val McDermid “She’s the best

we've got." —New York Times "Val McDermid has become our leading pathologist of everyday evil. . . . The subtle orchestration of terror is masterful." —The Guardian "One of the world's leading mystery writers . . . Thomas Harris crossed with Agatha Christie, if you will... a great read." —Observer *How the Dead Speak* Harper Collins Winter 1963: two children have disappeared off the streets of Manchester; the murderous careers of Myra Hindley and Ian

Brady have begun. On a freezing day in December, another child goes missing: thirteen-year-old Alison Carter vanishes from her town, an insular community that distrusts the outside world. For the young George Bennett, a newly promoted inspector, it is the beginning of his most difficult and harrowing case: a murder with no body, an investigation with more dead ends and closed faces than he'd have found in the anonymity of the inner city, and an outcome

which reverberates through the years. Decades later he finally tells his story to journalist Catherine Heathcote, but just when the book is poised for publication, Bennett unaccountably tries to pull the plug. He has new information which he refuses to divulge, new information that threatens the very foundations of his existence. Catherine is forced to re-investigate the past, with results that turn the world upside down. A Greek tragedy in modern England, Val

McDermid's *A Place of Execution* is a taut psychological thriller that explores, exposes and explodes the border between reality and illusion in a multi-layered narrative that turns expectations on their head and reminds us that what we know is what we do not know. *A Place of Execution* is winner of the 2000 Los Angeles Times Book Prize and a 2001 Edgar Award Nominee for Best Novel.

Fever of the Bone

Minotaur Books

“McDermid is as smooth a practitioner of crime fiction as anyone out there....She’s the best we’ve got.” —New York Times Book Review
 Scottish writer Val McDermid is one of the most respected authors at the scene of the crime, and *Fever of the Bone* offers a bravura display of her exceptional storytelling talents. Criminal profiler Tony Hill and his ally Detective Chief Inspector Carol Jordan are back in this terrifying psychological

thriller, tracking down a brutal killer who’s targeting a group of young people through a social networking site. A winner of the Gold Dagger Award, a Los Angeles Times Book Prize, and an Edgar® Award nominee—a New York Times Notable author whose writing *Entertainment Weekly* calls, “smooth, confident, deeply satisfying,”—Val McDermid is a crime fiction force of nature. And *Fever of the Bone* is among her best.
