Love, Lust & Heartbreak: 50 Romance Classics in One Collection Macmillan + ORM

Our past was painful and a lot of mistakes were made, but that was then - this is now. Mia wants a fight? I'll give her one. She wants to leave me? I'll make her stay. This is our future. She belongs to me. Our past wasn't just painful, it was soul-shattering, and no amount of time

will change that. Adam wants a fight? Bring it. He won't let me leave? I'll make him pay. This is my future. I don't belong to him. Follow Adam and Mia's journey through the deliciously dysfunctional madness they like to call...marriage. Author's note: This is the third book in the This Can't be Happening Series, but it can be read as a stand-alone. Author's warning: Mature content, lots of cussing (as in, A LOT), a five-foot-three, redheaded, terror of a woman and a sexy, possessive, crazy, hot alpha cop.

The Karma Hotel Oscar Relentos Connor Major's summer break is turning into a nightmare. When he comes out to his religious zealot mother, she has him kidnapped and shipped off to a conversion therapy camp that will be his new home until he “changes.” Connor plans to escape, but first, he’s exposing the camp’s horrible truths for what they are—and taking the place down.

The Off Limits Rule Random House Samantha Rhodes has competition on the Apocalypse Network rankings. Krista Daniels, the amoral producer of Samantha's ruined regions show, secretly produces a separate show with a scarred beauty named Eve Desislava and her robotic dragon-genie. Scorching the ruined regions in her wake, Eve unknowingly challenges The Colossus of

Rhodes nightly for ratings. Haunted by the fake ghosts of dead loved ones, Eve stops at nothing to avenge their restless, holographic spirits. Samantha strives to liberate afflicted villagers in the ruined regions, until the inevitable moment where Krista elects for her two creations to clash in an inferno of fire and wonder, for the entertainment of so many sadistic viewers in Krista's unruined society. In the chaos of Eve's misguided fury, Samantha rediscovers the true enemy of her world in so many glassy eyed lizards and stars above glowing with wonder. And in that moment of epiphany, thousands of man-made stars may fall from their midnight skies, when Samantha reveals the reality of her world to the ones she loves.

A new collection of short stories from the woman Rick Moody has called "the best prose stylist in America" Her stories may be literal one-liners: the entirety of "Bloomington" reads, "Now that I have been here for a little while, I can say with confidence that I have never been here

before." Or they may be lengthier investigations of the havoc wreaked by the most mundane disruptions to routine: in "A Small Story About a Small Box of Chocolates," a professor receives a gift of thirty-two small chocolates and is paralyzed by the multitude of options she imagines for their consumption. The stories may appear in the form of letters of complaint; they may be extracted from Flaubert's correspondence; or they may be inspired by the author's own dreams, or the dreams of friends. What does not vary throughout *Can't and Won't*, Lydia Davis's fifth collection of stories, is the power of her finely honed prose. Davis is sharply observant; she is wry or witty or poignant. Above all, she is refreshing. Davis writes with bracing candor and sly humor about the

quotidian, revealing the mysterious, the foreign, the alienating, and the pleasurable within the predictable patterns of daily life.

Money has great power in our lives. Used wisely, it is one key to accomplishing our goals, providing for our needs, and fulfilling our life purpose. In recent years, many of us ignored the wisdom of the past when it came to managing and spending our money. Credit card debt soared, savings rates plummeted, and our home equity became something to be tapped into and spent rather than a source of security in retirement. We felt an insatiable desire for more. And we found ourselves spending tomorrow's money today in order to have what we hoped would satisfy. The result of all of

this was not greater happiness and satisfaction, but greater stress and anxiety. Enough is an invitation to rediscover the Bible's wisdom when it comes to prudent financial practices. In these pages are found the keys to experiencing contentment, overcoming fear, and discovering joy through simplicity and generosity. This book could change your life, by changing your relationship with money. "We Americans love our stuff. We're living in a fast-paced, me-first, instant-gratification world, and it's finally catching up to us. Debt is out of control, homes are in foreclosure ... even banks are going out of business. What the world needs today is the message of contentment and simplicity, and that's exactly what Pastor Adam Hamilton delivers in "Enough."

Dave Ramsey, New York Times Best-Selling Author and Nationally Syndicated Radio Talk Show Host "Once again, Adam Hamilton is leading the church; 'Enough is enough' was once a Wesleyan watchword. Adam breathes new life into the Wesleyan commitment to simplicity. Amid a culture of greed and conspicuous consumption Adam calls us to a biblically based, evangelical joy of having the faith to say 'enough is enough.'" Bishop Will Willimon United Methodist Church, Birmingham Area "I pay close attention to whatever Adam Hamilton writes. His books are marked by extraordinary pastoral insight, biblical and theological depth, courage to speak the truth, and down-to-earth practicality. Enough comes like an antidote in the middle of a pandemic. I hope that classes, groups,

couples, and individuals will use this book--and the economic crisis it addresses--as a challenge to get healthy again by deepening our discipleship in the vital area of money and possessions." Brian McLaren, Author/Networker (brianmclaren.net)

Adam Bede was George Eliot's first full-length novel. Set in the English Midlands of farmers and village craftsmen at the turn of the eighteenth century, the book tells a story of seduction, and is also a pioneering record of a long lost rural world. Middlemarch is a complex tale of idealism, disillusion, profligacy, loyalty and frustrated love. This penetrating analysis of the life of an English provincial town is told through the lives of Dorothea Brooke and Dr Tertius Lydgate, illuminating the condition of English life in the mid-nineteenth century. The Mill on the Floss is a masterpiece of ambiguity in which moral choice is subjected to the hypocrisy of the Victorian age. Maggie Tulliver's love for her brother Tom turns to conflict. His bourgeois standards contrasting with her

own lively intelligence, and the result, is tragedy. Silas Marner tells the tender and moving story of the unjustly exiled linen weaver, Silas Marner of Raveloe in the agricultural heartland of England. It tells of how he is restored to life and his sadness ended by the unlikely means of the orphan child Eppie.

I have found rock bottom. It's here, moving in with my older brother because I'm too broke to afford to live on my own. It's okay though, because we've always been close and I think I'm going to have fun living with him again. That is until I meet Cooper... Turns out, my brother has very strong opinions on the idea of me dating his best friend and is dead set against it. According to him, Cooper is everything I should stay away

from: flirtatious, adventurous, non-committal, and freaking hot. (I added that last part because I feel like you need the whole picture.) My brother is right-I should stay away from Cooper James and his pretty blue eyes. He's the opposite of what I need right now. Nah-who am I kidding? I'm going for it. The Off Limits Rule is a closed door romance, perfect for readers who love lots of sizzle but no explicit content.

A new edition with expanded content is available now, "The Go-Giver, Expanded Edition: A Little Story About a Powerful Business Idea" An engaging book that brings new relevance to the old proverb "Give and you shall receive" The Go-Giver tells the story of an ambitious young man named Joe who yearns for success. Joe is a true go-getter, though sometimes he feels as if the harder and faster he works, the further away his goals seem to be. And so one day, desperate to land a key sale at the end of a bad quarter, he seeks advice from

the enigmatic Pindar, a legendary consultant referred to by his many devotees simply as the Chairman. Over the next week, Pindar introduces Joe to a series of "go-givers:" a restaurateur, a CEO, a financial adviser, a real estate broker, and the "Connector," who brought them all together. Pindar's friends share with Joe the Five Laws of Stratospheric Success and teach him how to open himself up to the power of giving. Joe learns that changing his focus from getting to giving—putting others' interests first and continually adding value to their lives—ultimately leads to unexpected returns. Imparted with wit and grace, The Go-Giver is a heartwarming and inspiring tale that brings new relevance to the old proverb "Give and you shall receive." From the

Hardcover edition.

What Your Eyes Have Not Seen Biblio & Tannen Publishers

Dale Van Every's soaring adventure saga of the untamed Kentucky wilderness, a savage woman and the young frontiersman who set out to conquer them both... They weathered the brutal winter of '79 in an isolated cave deep in the Kentucky wilderness: Adam Frane, backwoodsman, rifleman, soldier; and Nita, the proud, passionate woman who had rejected her civilized past for the life of a Cherokee squaw. They shred that cruel season knowing that, when the thaws came, Adam would return to Trace's Landing and to Cynthia, the faithful young widow who waited for him there; knowing, too, that Nita would try to keep him—with all the savage passion

that had earned her the name... One of Dale Van Every's most exciting historical novels...filled with the raw emotions and rich adventures of America's untamed past... "Fascinating, vivid, real!"—The New York Times
