The life and times of a treasured book read by generations of Jewish families at the seder table. Every year at Passover, Jews around the world gather for the seder, a festive meal where family and friends come together to sing, pray, and enjoy traditional food while retelling the biblical story of the Exodus. The Passover Haggadah provides the script for the meal and is a religious text unlike any other. It is the only sacred book available in so many varieties—from the Maxwell House edition of the 1930s to the countercultural Freedom Seder—and it is the rare liturgical work that allows people with limited knowledge to conduct a complex religious service. The Haggadah is also the only religious book given away for free at grocery stores as a promotion. Vanessa Ochs tells the story of this beloved book, from its emergence in antiquity as an oral practice to its vibrant proliferation today. Ochs provides a lively and incisive account of how the foundational Jewish narrative of liberation is

remembered in the Haggadah. She discusses the book's origins in biblical and rabbinical literature, its flourishing in illuminated manuscripts in the medieval period, and its mass production with the advent of the printing press. She looks at Haggadot created on the kibbutz, those reflecting the Holocaust, feminist and LGBTQ-themed Haggadot, and even one featuring a popular television show, *The Marvelous Mrs. Maisel*. Ochs shows how this enduring work of liturgy that once served to transmit Jewish identity in Jewish settings continues to be reinterpreted and reimagined to share the message of freedom for all.

This book is a family Haggadah and for use at a Passover Seder.

Haggadah translates to mean, "telling." The Haggadah tells the story of the Jewish people's exodus from Egypt. The Haggadah also instructs the reader on the rules and rituals of Passover and the Passover Seder. The title, "From

Generation to Generation: A Family Haggadah", was created as a compliment to the biblical directive "and you shall explain to your children on that day, 'it is what God did for me when I went free from Egypt.'" (Ex. 12:8). The picture on the cover depicts several generations sitting together at a Passover

Seder as their ancestors watch over them. It is distinctive in many ways. It is full of original colorful cartoon-like illustrations that are captivating to both children and adults. Furthermore, it is unique as it becomes interactive for children by asking them to go on a "hunt" to find hidden matzahs throughout the book. However, the most distinctive and exceptional element of this Haggadah is that it has two variations. It can be used for an adult-centered Seder with the Exodus story closely following the biblical account or, alternately, it can be used for a child-centered Seder. The reader is given a clear map as to how to proceed with either type Seder. This Haggadah follows the specific order of a traditional Seder. In addition to the traditional parts of a Haggadah, there are ideas for new ways of celebrating the Passover holiday, a Seder checklist, a description of preparing the house for Passover, and even a charoset recipe. Finally, this Haggadah makes the Seder both fun and educational. All Hebrew prayers and songs are in Hebrew, English and are transliterated. Favorite

songs, including Da'yanu, Ayleeyahu Hanavee, Adeer Hu, Echad Mee Yoday'a and Chad Gadya are also included. Let My People Go! Kar-Ben Describes the celebration of the Jewish arbor day, Tu bi-Shevat, and explains its history. הגדה של פסח Flatiron Books This haggadah explores themes of nature and the land within the Passover seder, to help participants develop an ecological understanding of and connection with Jewish tradition. Passover marks the Jewish peoples' liberation from slavery in Egypt and the coming of spring. Yet it is also a story about land and the natural world. All our biblical holidays"→,→"Passover included"→,→"originally commemorated the agrarian and pastoral soil out of which Judaism grew. Today, we are deeply aware that our well-being and our freedom ultimately depend on the earth's well-being. If the earth and its systems are compromised, our ability to be free is compromised; life is compromised. This haggadah keeps the earth

in the forefront of our minds. It seeks to reveal the seder's ecological dimensions and awaken its environmental meaning.
