"The Science of Getting Rich" is a 1910 self-help book by American writer Wallace D. Wattles that concentrates on money and material wealth, exploring what it means, how it can be achieved, and its effect on one's life and happiness. Contents include: "The Right to be Rich", "There is a Science of Getting Rich", "Is Opportunity Monopolised?", "The First Principle in the Science of Getting Rich", "Increasing Life", "How Riches Come to You", "Gratitude", "Thinking in a Certain Way", etc. Wallace Delois Wattles (1860-1911) was an American writer famous for his work based on New Thought and contributions to the self-help movement. His most famous book is "The Science of Getting Rich", which offers guidance on how to become wealthy. Other

notable works by this author include “Hellfire Harrison” (1910) and “A New Christ” (1903). Many vintage books such as this are becoming increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with an essay from “The Art of Money Getting” by P. T. Barnum.

Is there really "a secret" that will unlock our happiness? If we wish for something very hard and express enough gratitude, will it actually become ours? Millions of people think so. But there is an even deeper truth than the "law of attraction" covered in the best-selling *The Secret*: there are TWELVE laws of creation. This passionately persuasive book explains exactly what these twelve laws are, how we can harness them, and how we can use our own powerful system of creation to create miracles of joy and fulfillment every day. Annemarie Postma proves to be a true healer of our inner anguish who can provide us with the tools and skills to awaken our precious life force.

Most of us live our lives by accident - we live as it happens. Fulfilment comes when we live our lives on purpose. 'What are you going to do with your life? What are you doing with your life now?' 'Do you have goals? A vision? A clear sense of why you do what you do?' Almost everyone knows someone who has grappled with at least one of these questions. The answers can often seem elusive or uncertain. Though there are many paths to follow into the unknown future, there is one way that dramatically increases the chances we will enjoy the journey. To travel with someone we trust. We can try to build a successful career or a happy life alone, but why would we? Together is better. This unique and delightful little book makes the point that together is better in a quite unexpected way. Simon Sinek, bestselling author of *Start With Why* and *Leaders Eat Last*, blends the wisdom he has gathered from around the world with a heartwarming, richly illustrated original fable. Working hard for something we don't care about is called stress. Working hard for something we love is called passion.

With this book, readers will become a student of Bob Proctor's as he teaches lessons and presents jewels of wisdom on living an extraordinary life. Readers will marvel at Proctor's miraculous way of disseminating his decades of business wisdom into easy-to-understand parables and learn lessons on what our creative faculties are and how to use them, why we need to unlearn most of the false beliefs we've been indoctrinated with our whole lives, and how our intellects have the ability not only to put us ahead in life, but also to be our biggest detriment. Among many other invaluable lessons contained herein, as a new student of Bob's, readers will learn: - How to obtain whatever it is that's desired in life -How to erase negative thought patterns and retrain the brain for success -How to arrange work for maximum effectiveness

The Secret Simon and Schuster

"There is star quality in this writer!" raves the *Romantic Times* about gifted author Gaelen Foley. Her love stories are filled with glorious settings, stunning characters, and unforgettable passion.

Destiny casts its hand one perfect moonlit night when Ascencion's most elusive highwayman, the Masked Rider, chooses the wrong coach to rob. For inside is Rafael, the prince of the kingdom, renowned for his hot-blooded pursuits of women and other decadent pleasures. The failed raid leaves the equally notorious Masked Rider wounded and facing a hangman's noose. Then Rafe realizes his captive criminal is Lady Daniela Chiaramonte, a defiant beauty who torments him, awakening his senses and his heart as no woman has before. Dani can only wonder if she's been delivered to heaven or hell once she agrees to marry the most desirable man in the Mediterranean--until forces of treachery threaten to destroy their tenuous alliance and bring down the throne itself. . . .

Slumberland The Secret

With a new introduction by Karen Russell, the 40th anniversary edition of *The Changeling* is a visionary fairy tale and a work of mythic genius by one of our best writers. Forty years later, *The Changeling* is no less haunting and no less visionary than the day it was published, but it has only become clearer that Joy Williams is a virtuosic stylist and a singular thinker—a genius in every sense of the word. When we first meet Pearl—young in years but advanced in her drinking—she's on the lam, sitting at a hotel bar in Florida, throwing back gin and tonics with her infant son cradled in the crook of her arm. But her escape is brief, and the relief she feels at having fled her abusive husband, and the Northeastern island his family calls home, doesn't last for long. Soon she's being shepherded back. The island, for Pearl, is a place of madness and pain, and her round-the-clock drinking spurs on the former even if it dulls the latter. And through this

lens—Pearl's fragile consciousness—readers encounter the horror and triumph of both childhood and motherhood in a new light. With language that flits between exuberance and elegy, the plainspoken and the poetic, Joy Williams has blended, as Rick Moody writes, “the arresting improbabilities of magic realism, with the surrealism of the folkloric revival . . . and with the modernist foreboding of *Under the Volcano*,” and created something entirely original and entirely consuming.
