Ruthless People is a romantic crime fiction set in modern day Chicago and follows the life and marriage of Melody Giovanni and Liam Callahan - rivals by blood and leaders through fear. Theirs is an arranged marriage with the goal of ending years of bloodshed between the Irish and the Italians. Liam assumes he's

getting a simple-minded wife, one he can control, one who bends to his every need...he'll soon find out that his wife to be does not fit that mold. Melody knows exactly what type of man Liam is and would rather die than give up the power she has spent her life earning. **Dirty Pool** Ruthless Romance

The Viking king Authun leads his men on a raid against an Anglo-Saxon village. Men and women are killed indiscriminately, but Authun demands that no child be touched. He is acting on prophecy—a prophecy which tells him that the Saxons have stolen a child from the gods. If Authun, in turn, takes the child and raises him as an heir, the child will lead his people to glory. But Authun discovers not one child, but twin baby boys. After ensuring that his faithful warriors, witnesses to what has happened, die during the raid, Authun takes the children and their mother home, back to the witches who live on the troll wall. And he places his destiny in their hands. So begins a stunning multivolume fantasy epic that will take a werewolf from his beginnings as the heir to a brutal Viking king down through the ages. It is a journey that will see him hunt for his lost love through centuries and lives, and see the endless battle between the wolf, Odin, and Loki, the eternal trickster, spill over into countless bloody conflicts from our history and our lives. This is the myth of the werewolf as it has never been told before and marks the beginning of an extraordinary new fantasy series. From the Trade Paperback edition.

*Vicious Minds: Part 1* Penguin

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone

interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Turns out, infiltrating the Irish mafia isn't exactly what I thought it would be. I just wanted a soldier. Someone I could flirt with to get me in the door. That's when Lachlan Crow noticed me. Problem was, he wasn't a soldier. No, he was next in line for the throne of the Irish underworld. And he was determined to hate me from the outset. My sob story about needing a job? #1 New York Times Bestseller \* An Amazon Best Book of the Year  
There's no such thing as safe in a city at war, a city overrun with monsters. In this dark urban fantasy from acclaimed author Victoria Schwab, a young woman and a young man must choose whether to become heroes or villains—and friends or

enemies—with the future of their home at stake. The first of two books, *This Savage Song* is a must-have for fans of Holly Black, Maggie Stiefvater, and Laini Taylor. Kate Harker and August Flynn are the heirs to a divided city—a city where the violence has begun to breed actual monsters. All Kate wants is to be as ruthless as her father, who lets the monsters roam free and makes the humans pay for his protection. All August wants is to be human, as good-hearted as his own father, to play a bigger role in protecting the innocent—but he’s one of the monsters. One who can steal a soul with a simple strain of music. When the chance arises to keep an eye on Kate, who’s just been kicked out of her sixth boarding school and returned home, August jumps at it. But Kate discovers August’s secret, and after a failed assassination attempt the pair must flee for their lives. In *This Savage Song*, Victoria Schwab creates a gritty, seething metropolis, one worthy of being compared to Gotham and to the four versions of London in her critically acclaimed fantasy for adults, *A Darker Shade of Magic*. Her heroes will face monsters intent on destroying them from every side—including the monsters within.
