Different Escaping The Competitive Herd Description. A cutting horse is said to possess an innate ability to anticipate or read a cow's intended moves; an ability commonly referred to as having cow sense or cow smarts. Competitive cutting horses are well-

trained and conditioned athletes with skills honed to constrain the movement of a cow and prevent it from returning to the herd. Cutting (sport) - Wikipedia Border Collies are known to be intelligent and energetic. Find out more about this breed's temperament and personality.
