Welcome to this latest collection of fiction produced by the writers and staff at Write On E-Publishing. We've compiled tales of drama,

action and intrigue all centered in the most exotic state in the union! No, not Hawaii, Louisiana! With its unique collection of cultures, people and histories; the Bayou State still holds the romance and adventure of the past in the everyday lives of its people. In New Orleans family comes first. Corrine had always accepted her portion of responsibility for the care of her eighty-three year old twin aunts. They were the sweetest little old ladies imaginable. But, it would only take one fateful

question to unravel the dark family secret of The Solomon Rose. Hidden below the prevailing atmosphere of Mardi Gras, the world class restaurants and the multitude of festivals is another culture which in many cases is enjoyed solely by the original inhabitants of the city. Through the tales offered in this volume, you have been given the rare opportunity to share in this second, lesser publicized culture and the stories of its past and present. From the bayous

and small towns to the City of New Orleans, the Jewel of the Mississippi; we want you to get a good taste of the literary étouffée we've cooked up for you. Bon appetite, chère!

The Exodus Story in the Wisdom of

Solomon Rowman & Littlefield

The three books that

make up the Leadership Series were written after my friend and co-laborer in the Gospel, Jeannette Haley, pointed out that there seemed to be much confusion surrounding godly leadership in the kingdom of God. The main reason for this confusion is that many Christians consider leadership according to the world's standards. Jesus even warned His followers in Matthew 20:24-27 that there is a vast difference between what the world considers to be greatness in leadership, and how the

kingdom of God regards leadership that is marked with the excellence of greatness. As this book illustrates, true leaders in God's kingdom are not born; rather, they are forged. In order to effectively bring forth a leader, such individuals must learn to recognize that which hinders them and overcome these enemies. Obviously, a leader cannot lead others where he or she has not yet walked. The first book, *Overcoming*, addresses the true enemies of the cross of Christ, and

reveals that they do not always come from without. Many such hindrances prove to be nothing more than moral deviations that are present in our character. Therefore, the first book identifies the true enemies of the Christian life and brings insight into what it takes to overcome each enemy. Great leaders also understand how authority and power are to influence and work in their lives. The second book, *A Matter of Authority and Power* reveals that real leaders

recognize true authority and understand how power is to be used to carry out their responsibilities. This book will undo any misconceptions about these two subjects and will produce the sobriety that must be present when it comes to possessing the quality of true leadership in the kingdom of God. The final book, *The Dynamics of True Leadership*, follows the lives of the great leaders of the Bible. This book reveals the type of soul each leader

possessed. It explains the choices these leaders made and how it impacted the kingdom of God.
The Gospels and Acts Book 2 CreateSpace
What is a jealousy, you might ask? The term jealous means very watchful or careful in guarding or keeping, resentfully suspicious of a rival or a rival's influence, resentfully envious, resulting from such feelings, requiring exclusive loyalty. An "ite" is a native inhabitant, or citizen of; a descendent

from or offspring of; an adherent of, believer in, or member of. A jealousy is anyone that God wants to deal with who is in need of cleansing from jealousy and envy in your territory and life, even if it's yourself. So, you've fallen into the pit of sin and jealousy and envy has a hold on you. Is it too late for you or those in your territory or life who may be struggling with this sin? The answer is no. So many are stuck or at a stand still in life, while others are watching enviously at those who

are pursuing ahead. We can no longer ignore this crisis for it affects our relationships on all levels. Whether it be in your home, in the workplace, in your school, in your church, in your family, in your friendships or in your nation. Jealousy and envy is lurking through the eyes and hearts of those who are in need of a God-sized transformation. If you are tired of living an average, defeated, self-consumed and insecure life, this book was designed with you in mind. You don't have to

sit back and watch others get to the finish line. You can get in the race and finish your course also. No longer do you have to compare yourself to others but you can find peace with God and others by accepting your value and worth. You, yes you, are called to make a difference and a contribution in the lives of others. This book's message is a beckoning call for healing, deliverance, restoration and forgiveness to the broken hearted. If you've been desiring to get

ahead in life, to advance beyond the pain, sufferings and struggles you've been experiencing, this is your time.

The European Union and the Middle East presents a concise but thorough historical analysis of the relationship between the European Union and its predecessors and the Middle East, from the early 1950s to the present day. The authors provide a survey of the evolution of the foreign policy

mechanisms of the EU and an outline of the relevant aspects of modern Middle East history. They examine the relationship between the two regions from 1950 to the end of the Cold War, with special emphasis on the period following the 1973/4 oil crisis. They go on to look at the post-Cold War era discussing the conflict with Iraq and examining the EU's continuing involvement in the Middle East peace process.

It is my hope that through reading the nuggets of wisdom and inspiration contained in this book, that the reader will be motivated to move forward in the plan God has for them and to achieve success.

The Serving Leader
Zondervan Academic
Seeking to be a leader is an honorable ambition

and a noble duty (1Timothy 3: 1). However; to lead requires wisdom, discernment, understanding, knowledge, counsel and delight in the LORD. King Solomon realized the need for godly wisdom for leadership despite his physical attributes and family heritage when he asked God for wisdom, knowledge and discerning heart to lead the nation of Israel (1 Kings 3: 7-9; 2 Chronicles 1: 10-12). Leadership wisdom deals with the special insights and inspiration for leading

wisely, morally, courageously and compassionately. Leadership wisdom teaches the secrets for supernatural leadership, which is my cry and call for leaders of today. Chima Kingston Ekeke, Ph.D., was born at Akwete, Nigeria. He came to the United States to pursue an MBA degree. Sensing a call of God in his life, he decided to study Theology at Luther Rice Seminary & University where he obtained a Bachelor (B.A) of Biblical Studies, Master

(M.A) Theology and Master of Divinity (M.Div.) degrees respectively. Rev. Ekeke holds several other degrees in business and economics including a doctorate in leadership. Rev. Ekeke is multi-tasked. He is a theologian, technologist, thinker and a motivational speaker. The central theme of his message is supernatural leadership - God empowered leadership. Dr. Ekeke is the founder and spiritual leader of Ramah Chapel, a place of praise, prayer, prophecy and biblical preaching and

center for supernatural leadership designed to teach, train, mentor and develop young people to become Spirit-filled leaders. He is married to Mrs. Nnenna Kingston Ekeke and they have two sons - Chiedozie and Chisom. Dr. Ekeke is an ordained minister, a godly husband and a devoted father. *Encounter* Berrett-Koehler Publishers
King Solomon transformed the tiny tribal nation of Israel into an economic and military superpower. His brilliance as an

international financier made Israel the wealthiest nation of the ancient world. He led Israel into its Golden Age. And he did it with integrity. King Solomon left us twenty-eight profound leadership strategies--as valid today as when the proverbs were written. The same extraordinary wisdom that transformed Solomon's world can revolutionize every aspect of leadership for any CEO, manager, pastor, coach, military strategist, or government leader. In *The Leadership Wisdom of Solomon*, Pat

Williams, senior vice president of the NBA's Orlando Magic, applies Solomon's ancient insights to the high-speed world in which we live. The study sections promote discussion and prompt immediate action. [Practical Lessons for Today](#) Berrett-Koehler Publishers
This book is a story that delineates seven qualities, according to Solomon, that successful, wise leaders possess. **The European Union and the Middle East** Lulu.com

As a young urban youth worker, Ted Travis was captivated by a question posed by Christian community development pioneer Dr. John Perkins: "How do we build incentive in inner-city youth, motivating them toward Christ and a life of meaning and purpose?" Over the next 30 years, Ted wrestled with this question as he and his wife Shelly ministered to hundreds of teens in Denver's Five Points neighborhood- an inner-city community facing the daunting challenges of

poverty, gangs, crime, and unemployment. Along the way, Ted pressed biblical principles and tried-in the-trenches strategies into a philosophy of youth leadership development he calls "transformational discipleship." In *Building Cathedrals*, Ted shares his blueprint for transformational discipleship (as well as accounts of its profound impact on young people) and exhorts today's youth workers to reimagine their ministries and raise up a new generation of

visionary urban leaders. This book has been revised and expanded, including the addition of a index.
