## NELSON NIXON

### Studies in Text Transmission Macmillan

It is estimated that only a small fraction, less than 1 per cent, of ancient literature has survived to the present day. The role of Christian authorities in the active suppression and destruction of books in Late Antiquity has received surprisingly little sustained consideration by academics. In an approach that presents evidence for the role played by Christian institutions, writers and saints, this book analyses a broad range of literary and legal sources, some of which have hitherto been little studied. Paying special attention to the problem of which genres and book types were likely to be targeted, the author argues that in addition to heretical, magical, astrological and anti-Christian books, other less obviously subversive categories of literature were also vulnerable to destruction, censorship or suppression through prohibition of the copying of manuscripts. These include texts from materialistic philosophical traditions, texts which were to become the basis for modern philosophy and science. This book examines how Christian authorities, theologians and ideologues suppressed ancient texts and associated ideas at a time of fundamental transformation in the late classical world.

### Book One of the Lunar Chronicles The Alchemy of Forever An Incarnation Novel

In *The Four Agreements*, bestselling author don Miguel Ruiz reveals the source of self-limiting beliefs that rob us of joy and create needless suffering. Based on ancient Toltec wisdom, *The Four Agreements* offer a powerful code of conduct that can rapidly transform our lives to a new experience of freedom, true happiness, and love. • A New York Times bestseller for over a decade • Translated into 46 languages worldwide "This book by don Miguel Ruiz, simple yet so powerful, has made a tremendous difference in how I think and act in every encounter." — Oprah Winfrey "Don Miguel Ruiz's book is a roadmap to enlightenment and freedom." — Deepak Chopra, Author, *The Seven Spiritual Laws of Success* "An inspiring book with many great lessons." — Wayne Dyer, Author, *Real Magic* "In the tradition of Castaneda, Ruiz distills essential Toltec wisdom, expressing with clarity and impeccability what it means for men and women to live as peaceful warriors in the modern world." — Dan Millman, Author, *Way of the Peaceful Warrior*

### In the Sixties, Signature Edition Harper Collins

A new vision of knights, dragons, and the fair maiden caught in between . . . Four decades of peace have done little to ease the mistrust between humans and dragons in the kingdom of Goredd. Folding themselves into human shape, dragons attend court as ambassadors, and lend their rational, mathematical minds to

universities as scholars and teachers. As the treaty's anniversary draws near, however, tensions are high. Seraphina has reason to fear both sides. An unusually gifted musician, she joins the court just as a member of the royal family is murdered. While a sinister plot to destroy the peace is uncovered, Seraphina struggles to protect the secret behind her musical gift, one so terrible that its discovery could mean her very life. Seraphina's tortuous journey to self-acceptance will make a magical, indelible impression on its readers.

### Alchemy of Personal Transformation Scepter Publishers

Here, the author assesses our modern book culture by focusing on five key elements including the explosion of retail bookstores like Barnes & Noble and Borders, and the formation of the Oprah Book Club.

### The Great Gatsby St. Martin's Griffin

In the first novel of the Incarnation series, the immortal Seraphina grapples with a wrenching truth: Falling in love might mean succumbing to death. People say "love never dies"...but love might be the death of Seraphina. Seraphina has been alive since the Middle Ages, when her boyfriend, Cyrus, managed to perfect a method of alchemy that lets them swap bodies with any human being. Sera ran away from Cyrus years ago, when she realized that what they were doing—taking the lives of innocent people—was wrong. Yet she doesn't want to die, so she finds young people who are on the brink of death, and inhabits their bodies. Sera has just landed in the body of a girl named Kailey who was about to die in a car accident. For the first time, Sera falls in love with the life of the person she's inhabiting. Sera also falls for the boy next door, Noah. And soon it's clear the feelings are returned. But she can never kiss Noah, because for her to touch lips with a human would mean the human's death. And she has even more to worry about: Cyrus is chasing her. If she stays in one place for long, she puts herself—and the people she's grown to care for—in great danger. Will Sera have to give up the one thing that's eluded her for centuries: true love? This paperback includes a teaser of *The Impossibility of Tomorrow*, the next book in the Incarnation series, as well as exclusive content that reveals Seraphina's back story.

### The Four Agreements Usborne Publishing Ltd

Love, poetry, protest, the Beatles, psychedelia and the 1960s underground in pictures, words and rare sound recordings form this limited edition illustrated memoir by one of the key figures of the Sixties British counterculture.

### The Alchemy Key Dell

As plague ravages the overcrowded Earth, observed by a ruthless lunar people, Cinder, a gifted mechanic and cyborg, becomes involved with handsome Prince Kai and must uncover secrets about her past in order to protect the world in this futuristic take on the Cinderella story.

### Penguin Group

A collectible hardcover edition of one of the great American novels—and one of America's most popular—featuring an introduction by Min Jin Lee, the New York Times bestselling author of *Pachinko* A Penguin Vitae Edition Young, handsome, and fabulously rich, Jay Gatsby seems to have everything. But at his mansion east of New York City, in West Egg, Long Island, where the party seems never to end, he's often alone in the glittering Jazz Age crowd, watching and waiting, as speculation swirls around him—that he's a bootlegger, that he was a German spy during the war, that he even killed a man. As writer Nick Carraway is drawn into this decadent orbit, he begins to see beneath the shimmering surface of the enigmatic Gatsby, for whom one thing will always be out of reach: Nick's cousin, the married Daisy Buchanan, whose house is visible from Gatsby's just across the bay. A brilliant evocation of the Roaring Twenties and a satire of a postwar America obsessed with wealth and status, *The Great Gatsby* is a novel whose power remains undiminished after a century. This edition, based on scholarship dating back to the novel's first publication in 1925, restores Fitzgerald's masterpiece to the original American classic he envisioned, and features an introduction addressing how gender, race, class, and sexuality complicate the pursuit of the American Dream. Penguin Vitae—loosely translated as "Penguin of one's life"—is a deluxe hardcover series from Penguin Classics celebrating a dynamic and diverse landscape of classic fiction and nonfiction from seventy-five years of classics publishing. Penguin Vitae provides readers with beautifully designed classics that have shaped the course of their lives, and welcomes new readers to discover these literary gifts of personal inspiration, intellectual engagement, and creative originality.

### The Alchemy of Love, Power, and Wisdom Simon and Schuster

A New York Times, Publishers Weekly, and IndieBound bestseller! Balancing epic and intensely personal stakes, bestselling author Adam Silvera's *Infinity Son* is a gritty, fast-paced adventure about two brothers caught up in a magical war generations in the making. Growing up in New York, brothers Emil and Brighton always idolized the Spell Walkers—a vigilante group sworn to rid the world of specters. While the Spell Walkers and other celestials are born with powers, specters take them, violently stealing the essence of endangered magical creatures. Brighton wishes he had a power so he could join the fray. Emil just wants the fighting to stop. The cycle of violence has taken a toll, making it harder for anyone with a power to live peacefully and openly. In this climate of fear, a gang of specters has been growing bolder by the day. Then, in a brawl after a protest, Emil manifests a power of his own—one that puts him right at the heart of the conflict and sets him up to be the heroic Spell Walker Brighton always wanted to

be. Brotherhood, love, and loyalty will be put to the test, and no one will escape the fight unscathed. Don't miss *Infinity Reaper*, the gripping sequel, which includes a special prequel short story starring Ness!

**The Emerald Tablet** Columbia University Press

All the World an Icon is the fourth book in an informal "quartet" of works by Tom Cheetham on the spirituality of Henry Corbin, a major twentieth-century scholar of Sufism and colleague of C. G. Jung, whose influence on contemporary religion and the humanities is beginning to become clear. Cheetham's books have helped spark a renewed interest in the work of this important, creative religious thinker. Henry Corbin (1903-1978) was professor of Islamic religion at the Sorbonne in Paris and director of the department of Iranic studies at the Institut Franco-Iranien in Teheran. His wide-ranging work includes the first translations of Heidegger into French, studies in Swedenborg and Boehme, writings on the Grail and angelology, and definitive translations of Persian Islamic and Sufi texts. He introduced such seminal terms as "the imaginal realm" and "theophany" into Western thought, and his use of the Shi'ite idea of ta'wil or "spiritual interpretation" influenced psychologist James Hillman and the literary critic Harold Bloom. His books were read by a broad range of poets including Charles Olson and Robert Duncan, and his impact on American poetry, says Cheetham, has yet to be fully appreciated. His published titles in English include *Creative Imagination in the Sufism of Ibn Arabi*, *Avicenna and the Visionary Recital*, and *The Man of Light in Iranian Sufism*. As the religions of the Book place the divine Word at the center of creation, the importance of hermeneutics, the theory and practice of interpretation, cannot be overstated. In the theology and spirituality of Henry Corbin, the mystical heart of this tradition is to be found in the creative, active imagination; the alchemy of spiritual development is best understood as a story of the soul's search for the Lost Speech. Cheetham eloquently demonstrates Corbin's view that the living interpretation of texts, whether divine or human—or, indeed, of the world itself seen as the Text of Creation—is the primary task of spiritual life. In his first three books on Corbin, Cheetham explores different aspects of Corbin's work, but has saved for this book his final analysis of what Corbin meant by the Arabic term ta'wil—perhaps the most important concept in his entire oeuvre. "Any consideration of how Corbin's ideas were adapted by others has to begin with a clear idea of what Corbin himself intended," writes Cheetham; "his own intellectual and spiritual cosmos is already highly complex and eclectic and a knowledge of his particular philosophical project is crucial for understanding the range and implications of his work." Cheetham lays out the implications of ta'wil as well as the use of language as integral part of any artistic or spiritual practice, with the view that the creative imagination is a fundamentally linguistic phenomenon for the Abrahamic religions, and, as Corbin tells us, prayer is the supreme form of creative imagination.

**An Incarnation Novel** Penguin

Argues for a renewed vision of the cosmos based on the centrality of the human encounter with the sacred.

**Green Man, Earth Angel** Penguin

Experience the orgasmic rapture of Sacred Union with your Twin Soul and the Divine • Includes practices in sacred sexuality, emotional intimacy, and soul awareness to awaken the Love, Power, and Wisdom of your soul, attract your Twin Soul, and satisfy your soul's longing to reunite with God • Draws on teachings from Gnosticism, Sufi mysticism, the Kabbalah, Kundalini yoga, sexual shamanism, the Egyptian Mystery schools, and Christ Consciousness • Offers examples of Sacred Union, including Jesus and Mary Magdalene and Rumi and Shams as well as experiences of modern couples Jesus and Mary Magdalene, Rumi and Shams, King Solomon and the Queen of Sheba, Isis and Osiris—in these sacred unions we recognize the merging not only of Twin Souls but also of these lovers with the Divine. In *Sacred Sexual Union*, Anaiya Sophia shows this Holy Marriage, complete reunification with your Twin Soul and God, is not a secret reserved for the initiated or a tradition lost to the ages. It is a potent, living spiritual path enabling two beloveds to experience the primordial state of creation as one soul blessed by the Divine Light and Love of their Creator. Drawing on teachings from Gnosticism, Sufi mysticism, the Kabbalah, Kundalini yoga, sexual

shamanism, the Egyptian Mystery Schools, and Christ Consciousness, the author reveals the complete alchemical process of Sacred Union. She provides physical, meditative, and psychological practices that combine sacred sexuality, emotional intimacy, and transparent soul awareness to awaken the magnetic energies of your soul, draw your Twin Soul to you, and, with Twin Souls reunited, experience the passionate rapturous remembrance of becoming one with God. She explores ancient writings and rituals of Sacred Union—known as Hieros Gamos in ancient Sumeria, Sacred Marriage in the Kabbalah, Yab Yum in Tibetan Buddhism, and the Bridal Chamber in Gnostic Christianity—and offers examples of Sacred Union throughout the ages, including experiences from her own spiritual journey. More than a meditative or yogic practice, Sacred Sexual Union offers a transformative spiritual path to embrace the threefold flame of Power, Love, and Wisdom and satisfy your soul's longing for wholeness and reunion with the Divine.

**Gun, With Occasional Music** Createspace Independent Publishing Platform

A brilliant lyrical exploration of how modern science illuminates what it means to be human, from the award-winning author of *The Price of Altruism* We no longer think, like the ancient Chinese did, that the world was hatched from an egg, or, like the Maori, that it came from the tearing-apart of a love embrace. The Greeks told of a tempestuous Hera and a cunning Zeus, but we now use genes and natural selection to explain fear and desire, and physics to demystify the workings of the universe. Science is an astounding achievement, but are we really any wiser than the ancients? Has science revealed the secrets of fate and immortality? Has it provided protection from jealousy or love? There are those who believe that science has replaced faith, but must it also be a death knell for mythology? *Evolutions* brings to life the latest scientific thinking on the birth of the universe and the solar system, the journey from a single cell all the way to our human minds. Reawakening our sense of wonder and terror at the world around us and within us, Oren Harman uses modern science to create new and original mythologies. Here are the earth and the moon presenting a cosmological view of motherhood, a panicking mitochondrion introducing sex and death to the world, the loneliness of consciousness emerging from the memory of an octopus, and the birth of language in evolution summoning humankind's struggle with truth. Science may not solve our existential puzzles, but like the age-old legends, its magical discoveries can help us continue the never-ending search.

**A Complete Course** The Floating Press

The Emerald Tablet—an ancient document that contains the essence of the alchemical teachings—has had an important influence on many Western spiritual and religious traditions. Ostensibly concerned with turning base metals into gold, alchemy was in fact dedicated to transforming the lead of self into the gold of spirit. This brilliant history of alchemy traces its sources back to ancient Egypt, and presents alchemy as a useful, practical system of self-transformation. Each of the seven steps of alchemical transformation is explained, with hands-on techniques and exercises, treating alchemy as a living discipline for achieving a spiritual awakening.

*Man and His Symbols* Harper Collins

A New York Times Notable Book: "Combining cyberpunk's grit with dystopic fantasy, this iconoclastic hybrid is a standout piece of storytelling" (Library Journal). Jane is trapped as a changeling in an industrialized Faerie ruled by aristocratic high elves and populated by ogres, dwarves, night-gaunts, and hags. She is the only human in a factory where underage forced labor builds cybernetic, magical dragons that are weaponized and sent off to war. When the damaged dragon Melanchthon tempts Jane with promises of freedom, the stage is set for a daring escape that will shake the foundations of existence. Combining alchemy and technology, a coming-of-age story like no other, *The Iron Dragon's Daughter* takes place against a dystopic mindscape of dark challenges and class struggles that force Jane to make costly decisions at every turn. A finalist for the Arthur C. Clarke Award, the World Fantasy Award for Best Novel, and the 1994 Locus Award, *The Iron Dragon's Daughter* is one-of-a-kind melding of grimdark fantasy and cyberpunk grit from the Nebula Award-winning author of *Stations of the Tide*. It engages the

reader in a nihilistic world in which nothing is as it seems and everything comes at a steep and often horrific price.

**Your Dad Stole My Rake** Createspace Independent Publishing Platform

In the New York Times bestseller that the Washington Post called "Lean In for misfits," Sophia Amoruso shares how she went from dumpster diving to founding one of the fastest-growing retailers in the world. Amoruso spent her teens hitchhiking, committing petty theft, and scrounging in dumpsters for leftover bagels. By age twenty-two she had dropped out of school, and was broke, directionless, and checking IDs in the lobby of an art school—a job she'd taken for the health insurance. It was in that lobby that Sophia decided to start selling vintage clothes on eBay. Flash forward to today, and she's the founder of Nasty Gal and the founder and CEO of Girlboss. Sophia was never a typical CEO, or a typical anything, and she's written #GIRLBOSS for other girls like her: outsiders (and insiders) seeking a unique path to success, even when that path is windy as all hell and lined with naysayers. #GIRLBOSS proves that being successful isn't about where you went to college or how popular you were in high school. It's about trusting your instincts and following your gut; knowing which rules to follow and which to break; when to button up and when to let your freak flag fly. "A witty and cleverly told account . . . It's this kind of honest advice, plus the humorous ups and downs of her rise in online retail, that make the book so appealing." —Los Angeles Times "Amoruso teaches the innovative and entrepreneurial among us to play to our strengths, learn from our mistakes, and know when to break a few of the traditional rules." —Vanity Fair "#GIRLBOSS is more than a book . . . #GIRLBOSS is a movement." —Lena Dunham

**The Prophetic Tradition and the Battle for the Soul of the World** Simon and Schuster

The Alchemical Actor – Performing the Great Work: Imagining Alchemical Theatre offers an imagination for an alchemical theatre inspired by the directives of Antonin Artaud.

**The Alchemical Actor** Time Life Education

Just before her sixteenth birthday, Brie Eagan dies of a broken heart when her boyfriend tells her he does not love her, and she then must go through the stages of grief, while watching her friends and family try to cope with her death.

**The Immortals** Hay House, Inc

The 10th anniversary edition of *A New Earth* with a new preface by Eckhart Tolle. With his bestselling spiritual guide *The Power of Now*, Eckhart Tolle inspired millions of readers to discover the freedom and joy of a life lived "in the now." In *A New Earth*, Tolle expands on these powerful ideas to show how transcending our ego-based state of consciousness is not only essential to personal happiness, but also the key to ending conflict and suffering throughout the world. Tolle describes how our attachment to the ego creates the dysfunction that leads to anger, jealousy, and unhappiness, and shows readers how to awaken to a new state of consciousness and follow the path to a truly fulfilling existence. Illuminating, enlightening, and uplifting, *A New Earth* is a profoundly spiritual manifesto for a better way of life—and for building a better world.

**Anna and the French Kiss** Macmillan

It's all good . . . and lucky Phoebe Avery plans to celebrate by throwing an end-of-the-year bash with her four closest friends. Everything will be perfect—from the guest list to the fashion photographer to the engraved invitations. The only thing left to do is find the perfect dress . . . until Phoebe goes from having it all to hiding all she's lost. Phoebe's older sisters warn her to keep the family's crisis totally secret. Unfortunately, her alpha-girl best friend looks increasingly suspicious, and Phoebe's crush starts sending seriously mixed signals. Phoebe tries hard to keep smiling, but when her mother is humiliated in Neiman Marcus while buying Phoebe that perfect dress and her father decides to cancel her party, she panics. How far will she go to keep up her image as a lucky girl? With lucky, Rachel Vail begins a powerful sisterhood trilogy, comprised of one book for each of the three fascinating Avery sisters, with all their secrets laid bare during the year that completely changes their lives. Phoebe is the youngest; her story combines first love and flip-flops, friendship and sisterhood, humor and tears. Breezy, witty, and poignant, lucky is Rachel Vail at her breathtaking best.
