SAGE BAILEE

Seven Years to Seven Figures Cambridge University Press
 This open access monograph argues established democratic norms for freedom of expression should be implemented on the internet. Moderating policies of tech companies as Facebook, Twitter and Google have resulted in posts being removed on an industrial scale. While this moderation is often encouraged by governments - on the pretext that terrorism, bullying, pornography, "hate speech" and "fake news" will slowly disappear from the internet - it enables tech companies to censure our society. It is the social media companies who define what is blacklisted in their community standards. And given the dominance of social media in our information society, we run the risk of outsourcing the definition of our principles for discussion in the public domain to private companies. Instead of leaving it to social media companies only to take action, the authors argue democratic institutions should take an active role in moderating criminal content on the internet. To make this possible, tech companies should be analyzed whether they are approaching a monopoly. Antitrust legislation should be applied to bring those monopolies within democratic governmental oversight. Despite being in different stages in their lives, Anne Mette is in the startup phase of her research career, while Frederik is one of the most prolific philosophers in Denmark, the authors found each other in their concern about Free Speech on the internet. The book was originally published in Danish as Dit opslag er blevet fjernet - techgiganter & ytringsfrihed. Praise for 'Your Post has been Removed' "From my perspective both as a politician and as private book collector, this is the most important non-fiction book of the 21st Century. It should be disseminated to all European citizens. The learnings of this book and the use we make of them today are crucial for every man, woman and child on earth. Now and in the future." Jens Rohde, member of the European Parliament for the Alliance of Liberals and Democrats for Europe "This timely book compellingly presents an impressive array of information and analysis about the urgent threats the tech giants pose to the robust freedom of speech and access to information that are essential for individual liberty and democratic self-government. It constructively explores potential strategies for restoring individual control over information flows to and about us. Policymakers worldwide should take heed!" Nadine Strossen, Professor, New York Law School. Author, HATE: Why We Should Resist It with Free Speech, Not Censorship.
Just Right W. W. Norton & Company
 This study explores the prevalence of bigamy in Victorian fiction

to challenge traditional understanding of the period's social and narrative conventions.

Complete First Certificate Teacher's Book Harper Collins
 Behind the facade of a happy orphanage, the children of Grace Field House are secretly being raised as food for demons! Determined to save themselves and the other kids, Emma, Norman and Ray begin planning an escape. But their caretaker, "Mom," has brought in extra help to keep the orphans in line... -- VIZ Media

Powerlifting Cambridge English

The newest play by Britain's brilliant Caryl Churchill.

Get Out of Town (Riverdale, Novel 2) Springer

Written by today's leading authority in brand management and incorporating the latest industry thinking and developments, this exploration of brands, brand equity, and strategic brand management combines a comprehensive theoretical foundation with numerous techniques and practical insights for making better day-to-day and long-term brand decisions-- and thus improving the long-term profitability of specific brand strategies. Finely focused on "how-to" and "why" throughout, it provides specific tactical guidelines for planning, building, measuring, and managing brand equity. It includes numerous examples on virtually every topic and over 100 Branding Briefs that identify successful and unsuccessful brands and explain why they have been so. For industry professionals from brand managers to chief marketing officers.

Word Wise McGraw-Hill Education

Three sexy-but-psycho monsters. The witch they're determined to protect. And a high-stakes heist about to go very wrong... I've made some pretty questionable choices in my life—dabbling in necromancy, double-crossing vampires—but summoning the dark goddess to save my sisters? That was just plain stupid. Now I'm in her debt, and goddesses don't exactly do payment plans. She wants the blood of the dark fae warlord of Midnight, a realm of exiles where the sun never rises and torture is a competitive sport. It's a death trap only three men have ever escaped—my newly appointed escorts. Jax, a terrifying demon whose icy touch leaves me trembling in more ways than one. Hudson, a hulking, fiercely protective gargoyle shifter hiding a past so painful he doesn't speak. And Elian, a cocky fae prick with eyes like molten silver and a heart full of vengeance—a heart that once belonged to me. I'll do anything to settle my debts and get back home to my sisters, even if it means teaming up with my infuriating ex and the other sinfully hot psychos for the most dangerous blood heist in history. But when it comes to the cruel fae warlord, not even my monsters can protect me... Especially when we discover why the dark goddess really sent us to Midnight. **BLOOD AND MIDNIGHT** is the first book in The Witch's Monsters series, a FREE

dark fantasy reverse harem romance featuring a kickass witch and the sinfully hot monsters who've vowed to protect her. Perfect for fans of sizzling enemies to lovers romance, villain romance, and dark fantasy romance.

All students want to succeed. All teachers want to create great lessons. Success gives them the opportunity.

Blood and Midnight: A FREE Reverse Harem Romantasy Random House

This grammar has been written to help the student to think in the Japanese way. Part One contains several introductory notes on Nomenclature, Syntax, Verbs, Aru, Iru, Oru, on Adjectives and on Foreign Words. Part Two concentrates on connectives - the particles and suffixes which modify the sense of other words or show the relationship of these words to each other. These connectives, the heart of Japanese grammar, present unusual difficulty to foreign students. Arranged alphabetically in dictionary form, each word is followed by a textual explanation of how it is used and of its various meanings, with cautions as to its translation. The forms covered include not only those of the "standard" colloquial literary or bungo styles, but also the more common colloquialisms and provincial forms, whether or not these are strictly grammatical. No other text available makes as through or as complete a classification.

Why AC/DC Matters Bloomsbury Publishing

The Just Right course is a five-level general English course for adults and young adults. Students learn in different ways. Just Right seamlessly integrates different approaches, motivating students and encouraging them to learn rapidly.

A rare, intimate encounter with one of the world's most innovative masters of personal change and growth. Richard Bandler is known worldwide for his ability to captivate audiences and to change people's lives for the better. His insights into the human mind have undeniably ignited the worldwide phenomenon of Neuro Linguistic Programming (NLP) and catapulted and transformed the field of personal change forever. Conversations with Richard Bandler recounts professional and personal revelations between Richard Bandler and a young NLP practitioner and Bandler protégé, Owen Fitzpatrick, who is on a quest to discover the real-life application of what Bandler defines as "personal freedom," or what is truly possible for the human mind. With conversations covering diverse topics as happiness, heartbreak, rejection, compulsions, and perfectionism, the dialogues between Bandler and Fitzpatrick uncover the solutions to complex issues including depression, social anxieties, phobias, and more. Presenting never-

before-heard insights from Richard Bandler on the field of NLP, plus specific exercises to ignite effortless change, and numerous anecdotes from past clients and personal stories, *Conversations with Richard Bandler* offers a way to think and live in a radically different way.

Goodnight Desdemona (Good Morning Juliet) is an exuberant comedy and feminist revisioning of Shakespeare's *Othello* and *Romeo and Juliet*. It takes us from a dusty office in Canada's Queen's University, into the fraught and furious worlds of two of Shakespeare's best-known tragedies, and turns them upside-down. Constance Ledbelly is the beleaguered "spinster" academic, and unlikely heroine who embarks on a quest for Shakespearean origins and, ultimately, her own identity. When she deciphers an ancient and neglected manuscript, Constance is propelled through a very modern rabbit hole and lands smack in the middle of the tragic turning points of each play in turn. Her attempts to save first *Desdemona*, then *Juliet*, from their harrowing fates, result in a wild unpredictable ride through comedy and near-tragedy, as mild-mannered Constance learns to love, sword-fight, dance Renaissance-style, and master a series of disguises... *Goodnight Desdemona (Good Morning Juliet)* a gender-bendy, big-hearted and crazily intelligent romp, where irony and anger sing in perfect harmony with innocence and poignancy.

Supercharge your speech to get what you want out of every conversation with this fun and practical guide to verbal vividness. An eye-opening guide on how we talk and write to one another, *Word Wise* explores 400+ of the most common cases of word trash (filler words, hyperbole, and abstractions) and word power (verbs of action, ear candy, onomatopoeia). Examining social media, the language of Donald Trump, AI language research, and heard-on-the-street lingo, communication expert Will Jelbert offers simple and concrete recommendations for improving your own vernacular. With wit, practical applications, and a small dose of grammar, *Word Wise* will help you communicate more effectively at home, at work, and online.

[The Promised Neverland, Vol. 2](#) Scholastic Inc.

From *Saturday Night Fever* to *Jersey Shore*, Italian American youth in New York City have appropriated—and been appropriated by—popular American culture. Here, Donald

Tricarico investigates how Italian ethnicity has been used to fashion Guido as a distinct youth style that signals inclusion in popular American culture and, simultaneously, the making of a new ethnic subject. Emerging from a wave of Italian immigration after World War II in outer borough neighborhoods such as Bensonhurst, the story of the Guido is an Italian American story, symbolizing the negotiation of a negatively privileged ethnicity within American society. Tricarico takes up questions about the definition of Guido, the role of disco, and the identity politics of Jersey Shore in order to reconsider the significance of Guido for the study of Italian American ethnicity.

[Strategic Brand Management](#) Running Press Adult

"The main thesis posits that the operational existence of Black-on-Black violence in the U.S. is psychologically and economically mandated by a white-dominated status quo. The criminalization of the Black American male is a psycho-politically engineered process designed to maintain the dependency and relative powerlessness of the African -American and Pan-African communities. It moves far beyond blaming the offending party toward an exposure of the psycho-social and intra-psychical dynamics of black-on-black criminality. Wilson contends that though this violence is orchestrated by white America's need to maintain its oppressive domination of black America, its ending is the primary responsibility of blacks here and abroad"--

The Bigamy Plot John Wiley & Sons

Stage kisses, pinkeye, inciting World War III -- these are only a few of the many things that can go wrong during the production of a play. From the author of *15 Reasons Not To Be in a Play* comes a full evening of the horrors and hardships that befall those who feel the call of the stage. In a series of hilarious examples, this play proves that drama can be a very dangerous thing and it must be avoided at all costs.

[Do the Work!](#) Longman Publishing Group

"Ever wonder how someone can go to sleep in public housing and wake up in a mansion seemingly overnight? Having worked 25 years in the Hip-Hop music industry and witnessed firsthand the inner workings of the fame machine up close, I personally KNOW entertainers that are now or were employed by the Illuminati who promised them fame, money and power if they "sold out." However, "selling out" has a different meaning these days and unfortunately for these entertainers, who are simply pawns, they do not realize that they are being used until it is too late. Do not be mistaken; the Illuminati are not a new phenomenon. They have been with us for a very long time."--Page [4] of cover.

[You'll Be Perfect When You're Dead](#) McGraw-Hill/Contemporary

Write Now is the only English composition textbook that convinces students that writing is important in school, in the workplace, and in their lives. It is a concise, visually appealing, all-inclusive rhetoric, reader, research guide, and handbook. *Write Now* includes career-based writing examples as well as traditional, contemporary, and multicultural readings. It introduces a new approach to writing tasks called the rhetorical star and a new seven-step writing process that emphasizes revision. The writing style is highly accessible for students at a career college, community college, or university.
