## HOOPER BRODY

---

*The Firefighters' Thanksgiving* QEB Publishing  
NOW WITH A FOREWORD BY RON RASH AND AN APPRECIATION  
BY DWIGHT GARNER "One of the finest books I know about blue-  
collar work in America, its rewards and frustrations . . . If you are  
among the tens of millions who have never read Brown, this is a  
perfect introduction." —Dwight Garner, *The New York Times* On  
January 6, 1990, after seventeen years on the job, Larry Brown  
quit the Oxford, Mississippi, fire department to try writing full-  
time. In *On Fire*, he looks back on his life as a firefighter. His  
unflinching accounts of daily trauma—from the blistering heat of

burning trailer homes to the crunch of broken glass at crash  
scenes—catapult readers into the hard reality that drove this  
award-winning novelist. As a firefighter and fireman-turned-  
author, as husband and hunter, and as father and son, Brown  
offers insights into the choices men face pursuing their life's  
work. And, in the forthright style we expect from Larry Brown, his  
narrative builds to the explanation of how one man who regularly  
confronted death began to burn with the desire to write about  
life.

*Ultimate Spotlight: Firefighters* Ballantine Books

National Book Critics Circle Award Winner: "The terrifying story of the worst disaster in the history of the US Forest Service's elite

Smokejumpers." —Kirkus Reviews A devastating and lyrical work of nonfiction, *Young Men and Fire* describes the events of August 5, 1949, when a crew of fifteen of the US Forest Service's elite airborne firefighters, the Smokejumpers, stepped into the sky above a remote forest fire in the Montana wilderness. Two hours after their jump, all but three of the men were dead or mortally burned. Haunted by these deaths for forty years, Norman Maclean puts together the scattered pieces of the Mann Gulch tragedy in this extraordinary book. Alongside Maclean's now-canonical *A River Runs Through It* and *Other Stories*, *Young Men and Fire* is recognized today as a classic of the American West. This edition of Maclean's later triumph—the last book he would write—includes a powerful new foreword by Timothy Egan, author of *The Big Burn* and *The Worst Hard Time*. As moving and profound as when it was first published, *Young Men and Fire* honors the literary legacy of a man who gave voice to an essential corner of the American soul. "A moving account of humanity, nature, and the perseverance of the human spirit." —Library Journal "Haunting." —The Wall Street Journal

"Engrossing." —Publishers Weekly

People Who Help Us Golden Books

Brenda Berkman was often told that she couldn't do certain things because she was a girl. When she grew up, she longed for a job that was challenging, different every day, and required physical and mental strength. In 1977 when the New York City Fire Department finally complied with the Civil Rights Act (from 1964) by allowing women to take the FDNY exam, Brenda jumped at the chance. But the FDNY changed the rules of the exam so women wouldn't be able to pass it. Even a lot of men couldn't pass this new exam. So Brenda Berkman took the FDNY to court. In 1982, they finally made a fair test, and Brenda and 41 other women passed. Brenda went on to serve in the FDNY for 25 years, reaching the positions of Lieutenant and Captain, and was a first responder during the attacks on the Twin Towers on 9/11. After her retirement, Brenda founded the United Women Firefighters, an organization that helps train and prepare women to be firefighters. Send a Girl! is Brenda Berkman's inspiring story.
