The Annotated  
Passover Haggadah  
breaks new ground via  
the world's most  
renowned Jewish  
scholars in providing  
important analytical,  
philosophical, and  
theological  
perspectives on the  
seminal event of Jewish  
consciousness.  
Rabbi Jonathan Sacks's  
Haggadah U of  
Nebraska Press  
Combining age-old  
texts, fresh insights,  
inspiring poetry, new  
translations, and  
breathtaking art,  
Mishkan HaSeder sets  
a new standard in  
Passover Haggadot.  
Using the beloved  
format of Mishkan  
T'filah and Mishkan  
HaNefesh, this  
Haggadah offers  
beautiful new  
translations by Rabbis

Janet and Sheldon  
Marder in conversation  
with an extraordinary  
collection of poetry  
from a diverse array of  
poets. The running  
commentary by Rabbis  
Oren Hayon, Seth  
Limmer, and Amy  
Scheinerman draws out  
the historic  
background of the  
seder rituals, builds on  
the social justice issues  
of our day, and offers  
contemporary  
connections to  
Passover. The text is  
complemented by full-  
color works from  
acclaimed artist Tobi  
Kahn that will enhance  
any seder experience.  
Mishkan HaSeder  
features poetry by  
Yehuda Amichai, Ellen  
Bass, Lucille Clifton,  
Edward Hirsch, Ross  
Gay, Emma Lazarus,  
Denise Levertov, Ada  
Limon, Grace Paley,  
Dan Pagis, Adrienne

Rich, and many more. Equally suited to home and community celebrations, this is a Haggadah for today and tomorrow. Mishkan HaSeder has the depth to stimulate experienced seder leaders while its accessible explanations will make those joining our tables for the first time feel welcome. "In this brilliant new Reform Haggadah, the old is made new in a spiritual depth that is dazzling. The felicitous translation of traditional and modern sources, the insightful commentary and questions, the moving poetry, the aesthetically evocative depth of the art, and the beautiful and accessible layout of the text all combine to make this Haggadah a

genuine treasure that will enrich Passover and the experience of the seder for this generation of religious seekers. We are all indebted to the CCAR for making this publication possible." - Rabbi David Ellenson, Chancellor Emeritus, Hebrew Union College-Jewish Institute of Religion "Finally, a Haggadah that is gorgeous, creative, serious, egalitarian, poetic, and inspiring! With so many layers of meaning and beauty, this new liturgy for the seder will nourish the skeptics, the seekers, and the scholars in your midst. This is the Haggadah my family and yours have been waiting for." -Rabbi Rick Jacobs, President, Union for Reform Judaism "Mishkan HaSeder is a gorgeous

new Haggadah, with powerful feminist commentary that illuminates the moral and ethical underpinnings of the Passover seder and opens new doors of understanding, as well as inspiring poetry that deepens the experience. This is the new gold standard for every seder table." - Sheila Katz, CEO, National Council of Jewish Women "From poetry that lifts the heart to colorful artwork that deepens our vision, from the Talmud's wisdom to the insights of contemporary Jewish teachers, from ancient practice to the urgent call for justice in our own day, Mishkan HaSeder will enrich the Passover seder for experienced participants and

newcomers alike. Like the seder itself, this new Haggadah is a gathering, a blessing, a feast." -Rabbi David Stern, Senior Rabbi, Temple Emanu-El Dallas and Past President, Central Conference of American Rabbis "This is the Haggadah you have to own. An amazing weaving together of the service we all know, in Hebrew and English, with astounding works of art--poems from many different sources, exceptional page design, and beautiful, meditative color images by the brilliant Tobi Kahn--and with thoughtful commentary that explicates the tradition and orients us to the work yet to be done. There are many Haggadot with various themes, but this is one

for the ages, allowing each user to pull out favorite poems, highlight specific directives, open up thoughtful seder table discussions, and become truly immersed in the holiday." -Ruth Messinger, Global Ambassador and Past President, American Jewish World Service

Religions of the United States in Practice  
Belknap Press

In a unique approach to the Haggadah, the author analyzes the construction of phrases, compares them with similar texts, delves into human nature, and sheds light on its halachic and ethical teachings.

Hagadah Shel Pesah  
Kar-Ben Publishing

The book you hold before you is no ordinary Haggadah. If

you've ever suffered through a Seder, you're well aware of the fact that the entire evening can last as long as the exodus from Egypt itself. There are countless stories, dozens of blessings, and far too many handwashings while the meal turns cold. Now prepare to be entertained by another version of the book that's responsible for this interminable tradition. With this hilarious parody Haggadah from the comedic minds of Dave Barry, Alan Zweibel, and Adam Mansbach, good Jews everywhere will no longer have to sit (and sleep) through a lengthy and boring Seder. In *For This We Left Egypt?*, the authors will take you through every step of the Seder, from

getting rid of all the chametz in your home by setting it on fire with a kosher blowtorch to a retelling of the Passover story starring Pharaoh Schmuck and a burning bush that sounds kind of like Morgan Freeman, set against the backdrop of the Promised Land—which turned out not to be a land of milk and honey but rather one of rocks and venomous scorpions the size of Yorkshire terriers. You then eat a celebratory brisket and wrap up the whole evening by taking at least forty-five minutes to say good-bye to everyone. So gather all the Jews in your life (even the few who don't appear to be long-suffering) and settle in for a fun way to pass the time while waiting for Elijah

to show up.

Mishkan HaSeder: A Passover Haggadah  
Artscroll

The seder service on Pesach is the oldest surviving ritual in the Western world, dating back some 3,300 years. Through the Haggadah more than a hundred generations of Jews have handed on their story to their children. Few texts have received more attention than the Haggadah. There are thousands of commentaries, and more are published each year. Anyone who contemplates adding to this number must ask not Why is this night different? But Why is this edition different? My answer is that I wrote this commentary because, amongst all the many I have read, I could not

find one that explained in their full richness and scope the fundamental themes of the Pesach story: the Jewish concept of a free society, the role of memory in shaping Jewish identity, and the unique connection that exists in Judaism between spirituality and society, giving rise to what I have called elsewhere the politics of hope. Nor could I find a Haggada that told me in detail about the role of Pesach in shaping Jewish identity through the millennia, or its influence on Western thought as a whole.

As Commented on by  
Elie Wiesel ; Illustrated  
by Mark Podwal KTAV  
Publishing House, Inc.  
The Art of Passover is  
the ideal presentation  
as a hostess gift at a  
seder. Full of ritual

riches, The Art of Passover is an exquisite compilation of a cherished celebration to be passed down from generation to generation. For thousands of years, Jewish families have gathered to celebrate the eight days of Passover and commemorate the liberation of Jews from slavery in Egypt by reading the Haggadah at the seder. Illustrated with dozens of stunning artifacts representing hundreds of years of this special observance, The Art of Passover resonates with the joyful spirit of the holiday and the devotion of those who celebrate it. Gathered from across the centuries and around the world, this collection of Passover

art and objects is at once a breathtaking visual treasury and a fascinating chronicle of Jewish life from the Middle Ages to the present day. Featured are illustrations from some of the most beautiful Haggadahs ever crafted, from the German Bird's Head Haggadah and the Spanish Golden Haggadah of the fourteenth century to those illustrated by contemporary artists such as painter Ben Shahn. A seder plate used in the concentration camp at Terezin is a moving reminder of the darkest period in Jewish history. Rabbi Stephen O. Parnes offers insightful explanations of the religious, biblical, and historical symbols found in the pieces.

Entertaining and informative commentaries by Bonnie-Dara Michaels and Gabriel M. Goldstein examine the works from an artistic perspective, complementing the illustrations and enhancing our appreciation and understanding of this very special holiday. *The Golden Haggadah* Novelty Publishing Religions of the United States in Practice is a rich anthology of primary sources with accompanying essays that examines religious behavior in America. From praying in an early American synagogue to performing Mormon healing rituals to debating cremation, Volume 2 explores faith through action in the nineteenth and

twentieth centuries. The documents and essays consider the religious practices of average people--praying, singing, healing, teaching, imagining, and persuading. Some documents are formal liturgies while other texts describe more spontaneous religious actions. Because religious practices also take place in the imagination, dreams, visions, and fictional accounts are also included. Accompanying each primary document is an essay that sets the religious practice in its historical and theological context--making this volume ideal for classroom use and accessible to any reader. The introductory essays explain the various

meanings of religious practices as lived out in churches and synagogues, in parlors and fields, beside rivers, on lecture platforms, and in the streets. Religions of the United States in Practice offers a sampling of religious perspectives in order to approximate the living texture of popular religious thought and practice in the United States. The history of religion in America is more than the story of institutions and famous people. This anthology presents a more nuanced story composed of the everyday actions and thoughts of lay men and women. Some Comments on the Passover Haggadah Kar-Ben Publishing™

The Unorthodox Haggadah is a way to enjoy the strange and wonderful world of religion, while skipping the boring parts. Ritual is at the core of every culture, but people are no longer into dogma. This book offers the ritual with a hilarious, irreverent twist. It is genuinely funny, fun to flip through, and a riot to use at the seder. Make sure everyone around your table has a copy for the next Passover. Sample text: Let's begin by drinking the blood of a virgin lamb off the tip of a flaming golden scimitar. In the event that you've de-virginized your lamb or misplaced your scimitar, use wine. Now, we toast the Israelites for rolling out of Egypt in time and generally being clever.

Here are a few things they've invented since 1901: Jeans, lipstick, Hollywood, the fax machine, psychoanalysis, and the weekend. Thanks for getting us out of Egypt before shit got too real. Drink the second cup of wine while leaning to the left. "...light up your seder." -Huffington Post "A cool, creative affront to Jewish grandmothers." - MediaBistro "Redefine Bitter Herbs...slightly insane." -Tablet Magazine "It's the Passover you never knew you always wanted...While there are many (many!) different Haggadah versions out there, this one is hands down our favorite (sorry Maxwell house). Genuinely funny, which puts it head and shoulders

above 99.9% of the treacly crap people foist on unsuspecting seder guests to try to fool them into thinking they're actually enjoying themselves." - Heeb Magazine [A Modern Guide to the Traditional Passover Haggadah](#) CCAR Press Discusses four illuminated haggadot, manuscripts created for use at home services on Passover, all created in the early twelfth century. [A Simple Passover Seder for the Whole Family](#) Blurb In a generation that has seen an explosion in popularity of books about mystical and meditative traditions, very little has been published about the rich and fascinating mystical traditions of the Jewish holy days. Passover, the first

religious holiday of the Jewish people, particularly rewards a re-viewing from a mystical perspective. A Mystical Haggadah takes readers through the Passover ritual with Kabbalistic meditations and affirmations in a friendly, accessible format. This Haggadah also includes many Hassidic teachings and stories that have never been presented to the English reading audience. The book is especially valuable for its transliterations of all the major prayers and rituals, and is refreshing in its creative and spiritually-based adaptation and translation of the primary Haggadah text. A Mystical Haggadah is for all spiritual seekers who wish to explore this root tradition of

Judaism as a ritual of cosmic importance. The book is also for Jewish seekers of all denominations who wish to explore the mystical, meditative, and empowering aspects of Jewish traditions as seen through the rich and meaningful Passover eve Seder ritual.

*Anah Dodi* Flatiron Books

The Human Rights Haggadah helps you use the seder to discuss and learn about human rights. The Haggadah contains: - From the Rabbis boxes, which illustrate how human rights ideas are discussed by the rabbis. - From the Universal Declaration of Human Rights boxes, which explain what human rights laws are today. -

Dialogue boxes, which outline the reasoning behind these various viewpoints for you to explore at the seder. The Passover story touches on every aspect of human rights, from the bitter oppression of slavery to the moral dilemmas that arise when fighting for even a cause as justified as freedom. This Haggadah makes Passover relevant to the most pressing political and religious dilemmas we face today.

*The Passover Guest*  
Princeton University  
Press

Read each year around the seder table, the Haggadah recounts through prayer, song, and ritual the extraordinary story of Exodus, when Moses led the Israelites out of

slavery in Egypt to wander the desert for forty years before reaching the Promised Land. Now, Jonathan Safran Foer has orchestrated a new way of experiencing and understanding one of our oldest, most timeless, and sacred stories, with a new translation of the traditional text by Nathan Englander and provocative commentary by major Jewish writers and thinkers Jeffrey Goldberg, Lemony Snicket, Rebecca Newberger Goldstein, and Nathaniel Deutsch. Ravishingly designed and illustrated by the acclaimed Israeli artist and calligrapher Oded Ezer, *New American Haggadah* is an utterly unique and absorbing prayer book, the first of its kind, that brings

together some of the preeminent voices of our time.

Uniting Traditions for Interfaith Families

Mesorah Publications, Limited

"With this Passover Haggadah, Elie Wiesel and his friend Mark Podwal invite you to join them for the Passover Seder - the most festive event of the Jewish calendar. Read each year at the Seder table, the Haggadah recounts the miraculous tale of the liberation of the Children of Israel from slavery in Egypt, with a celebration of prayer, ritual, and song. Wiesel and Podwal guide you through the Haggadah and share their understanding and faith in a special illustrated edition that will be treasured for years to come."

"Accompanying the traditional Haggadah text (which appears here in an accessible new translation) are Elie Wiesel's poetic interpretations, reminiscences, and instructive retelling of ancient legends. The Nobel laureate interweaves past and present as the symbolism of the Seder is explored. Wiesel's commentaries may be read aloud in their entirety or selected passages may be read each year to illuminate the timeless message of this beloved book of redemption."--Jacket.

**The (Unofficial) Seinfeld Haggadah**

Holiday House  
Hebrew and English text with new commentary and essays. Rabbi Silber has given us two books in one: the Haggadah

itself, in English and Hebrew, with his seder commentary and a collection of essays that provide close readings of the classic biblical and rabbinic texts that inform Seder-night ritual and narration. Both parts work beautifully together to illuminate the central themes of Passover: peoplehood, Covenant, our relationship to ritual, God's presence in history, and other important issues that resonate with us all. Just as midrash attempts to bridge the gap between ancient text and contemporary meaning, Rabbi Silber's Haggadah provides new sources of insight that deepen the Passover experience for today's readers.

evening. Our

Haggadah (a Hebrew

word, which means the

telling) is unique. It

focuses on Yeshua

(Jesus) the Messiah

and his teaching, especially on his last night in the upper room. Includes words and sheet music of the songs mentioned in the book and sung on Passover. Uses the popular Complete Jewish Bible where the Scriptures are quoted.

### **Telling the Story**

Harper Collins

The life and times of a treasured book read by generations of Jewish families at the seder table Every year at Passover, Jews around the world gather for the seder, a festive meal where family and friends come together to sing, pray, and enjoy traditional food while retelling the biblical story of the Exodus.

The Passover

Haggadah provides the script for the meal and is a religious text unlike any other. It is

the only sacred book available in so many varieties—from the Maxwell House edition of the 1930s to the countercultural Freedom Seder—and it is the rare liturgical work that allows people with limited knowledge to conduct a complex religious service. The Haggadah is also the only religious book given away for free at grocery stores as a promotion. Vanessa Ochs tells the story of this beloved book, from its emergence in antiquity as an oral practice to its vibrant proliferation today. Ochs provides a lively and incisive account of how the foundational Jewish narrative of liberation is remembered in the Haggadah. She discusses the book's

origins in biblical and rabbinical literature, its flourishing in illuminated manuscripts in the medieval period, and its mass production with the advent of the printing press. She looks at Haggadot created on the kibbutz, those reflecting the Holocaust, feminist and LGBTQ-themed

Haggadot, and even one featuring a popular television show, *The Marvelous Mrs. Maisel*. Ochs shows how this enduring work of liturgy that once served to transmit Jewish identity in Jewish settings continues to be reinterpreted and reimagined to share the message of freedom for all.
